1. INTRODUCTION

The BIDET BUDDY® LuxeJet Portable Bidet V2 is an electric handheld rechargeable bidet sprayer designed for personal hygiene. Its compact and waterproof design makes it suitable for travel, postpartum care, baby care, and general daily use. This manual provides essential information for the safe and effective operation and maintenance of your LuxeJet Portable Bidet V2.

2. SAFETY INFORMATION

- Do not submerge the device beyond 3 feet (1 meter) of water for more than 30 minutes, as this exceeds its IPX7 waterproof rating.
- Use only clean, potable water. Do not use with harsh chemicals or abrasive liquids.
- Ensure the USB-C charging port cover is securely sealed before exposing the device to water.
- Do not use water hotter than 122°F (50°C) as this may damage the device or cause burns.
- Keep out of reach of children. This device is not a toy.
- Do not attempt to disassemble or repair the device yourself. Contact customer support for assistance.

4. PRODUCT FEATURES

- **Generous Capacity:** The included 350ml bottle provides ample water for a thorough cleanse, reducing the need for frequent refills.
- **Comfortable Spray Nozzle:** A uniquely designed nozzle ensures a comfortable yet effective spray pattern for optimal cleaning.
- **Continuous Water Flow:** Enjoy uninterrupted water flow for consistent cleaning, with an automatic safety shut-off when the water reservoir is empty.
- **Durable & Waterproof:** Constructed from premium ABS material and rated IPX7 waterproof, allowing submersion in up to 3 feet of water for 30 minutes.

- **Long-Lasting Battery:** Equipped with a 400mAh battery, offering up to 60 uses on the Low Pressure mode per full charge.
- **Dual Pressure Modes:** Choose between a gentle Low Pressure mode and a more intense High Pressure mode for personalized cleaning.
- **USB-C Charging:** Conveniently recharge the device using the included USB-C cable from various power sources like power banks, phone chargers, car chargers, or laptops.

5. SETUP INSTRUCTIONS

1. **Unpack:** Carefully remove all components from the packaging.
2. **Charge:** For optimal performance, fully charge the bidet unit before its first use. Connect the USB-C cable to the bidet and a power source. The LED indicator will illuminate during charging.
3. **Fill Bottle:** Unscrew the cap from the 350ml water bottle and fill it with clean water. Warm water up to 122°F (50°C) can be used for added comfort.
4. **Attach Bidet:** Securely screw the bidet sprayer unit onto the filled water bottle. Ensure a tight seal to prevent leaks.

Image: Visual guide for easy usage: unpack, fill the bottle, attach the bidet, and aim for cleaning.

6. OPERATING INSTRUCTIONS

1. **Prepare:** Ensure the bidet unit is securely attached to the filled water bottle.
2. **Position:** Hold the bidet and position the nozzle to the desired area for cleansing.
3. **Select Pressure:**
 - Press the power button once for *Low Pressure* mode (gentle spray).
 - Press the power button a second time for *High Pressure* mode (stronger spray).
4. **Cleanse:** Allow the water to cleanse the area. The device provides continuous water flow.
5. **Turn Off:** Press the power button a third time to turn off the device. The device will also automatically shut off once the water in the bottle is depleted.

7. MAINTENANCE

- **Cleaning:** After each use, rinse the nozzle and the interior of the water bottle with clean water. The entire bidet unit is fully washable; you may rinse the exterior under running water, ensuring the USB-C port cover is sealed.
- **Charging:** Recharge the device when the LED indicator shows low battery. Connect the USB-C cable to the charging port and a suitable power source. A full charge provides up to 60 uses on low pressure.
- **Storage:** Store the LuxeJet Portable Bidet V2 in a cool, dry place. For travel, utilize the provided travel pouch to protect the device.
