Tribesigns 78.7 Inch Dining Table

USER MANUAL

Brand: Tribesigns | Model: LSH-YS0060-DT-QQ

Product Overview

The Tribesigns 78.7-inch long dining table is designed to comfortably accommodate 6-8 people, making it suitable for large families or entertaining guests. Its robust construction features a 0.59-inch thick particleboard tabletop and 1.97-inch high-quality metal legs, ensuring durability and stability. This table's modern design allows it to seamlessly integrate into various interior decors, enhancing the aesthetic appeal of your space. Beyond its primary use as a dining table, it can also serve as a party table, conference table, or a large computer desk, offering versatile functionality for your home or workspace.

Assembly Instructions

Assembly of your Tribesigns dining table is designed to be straightforward. Please follow the steps below and refer to the provided video for a visual guide. It is recommended that two people assemble this table for ease and safety.

Required Tools:

- Drill (recommended)
- All necessary hardware and instructions are included in the package.

Assembly Steps:

1. **Prepare Components:** Unpack all parts and hardware. Verify all items are present against the parts list in

your package.

2. **Assemble Frame Sections:** Connect the long metal frame pieces (parts 7 and 8) using the smaller connecting plates (parts Fx2) and 8x20mm screws (Ex36). Ensure all screws are tightened securely.
3. **Attach Crossbars:** Insert the crossbars (parts 4 and 5) into the assembled long frame sections. Secure them using 8x40mm screws (Ax8).
4. **Attach Leg Brackets:** Secure the leg brackets (part 6) to the ends of the long frame sections using 8x40mm screws (Ax8) and 8x20mm screws (Ex16).
5. **Attach Legs:** Connect the main table legs (parts 1 and 2) to the leg brackets (part 6) using 8x40mm screws (Ax8) and 8x20mm screws (Ex16). Ensure all connections are firm.
6. **Attach Tabletop:** Carefully place the tabletop (part 3) onto the assembled metal frame. Align the pre-drilled holes on the tabletop with the frame. Secure the tabletop to the frame using 6x60mm screws (Bx12).
7. **Install Adjustable Foot Pads:** Screw the adjustable foot pads (part C) into the bottom of each leg. These pads help stabilize the table on uneven floors and prevent scratches.

Assembly Video Guide:

Usage Guidelines

This Tribesigns dining table is designed for versatile use in various settings. To ensure longevity and safe operation, please adhere to the following guidelines:

- **Seating Capacity:** The table is designed to comfortably accommodate 6-8 persons.
- **Weight Limit:** The maximum weight recommendation for this table is 200 pounds. Do not exceed this limit to prevent damage or injury.
- **Versatile Applications:** While primarily a dining table, it can also function as a party table, conference table, or a large computer desk.
- **Indoor Use Only:** This product is intended for indoor use. Exposure to outdoor elements may cause damage.
- **Level Surface:** Always place the table on a flat and level surface. Utilize the adjustable foot pads to ensure stability and prevent wobbling.
- **Movement:** When moving the table, always lift it rather than dragging it to prevent damage to the legs and floor. The legs are designed to support direct downward weight.

Care and Maintenance

Proper care and maintenance will extend the life and preserve the appearance of your Tribesigns dining table.

- **Cleaning:** Wipe the table surface with a damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Promptly wipe up any spills to prevent staining or water damage to the engineered wood tabletop. The tabletop is designed to be stain resistant.
- **Heat Protection:** Use coasters or placemats to protect the surface from hot dishes and beverages.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the tabletop.
- **Regular Checks:** Periodically check and tighten all screws and connections to ensure the table remains stable and secure.

Thickened MDF Desktop

The desk is made of high quality laminated board, sturdy and robust.

Waterproof

Scratch Resistant

Easy to Clean

Environmental Friendly

Troubleshooting

If you encounter any issues with your Tribesigns dining table, please refer to the following common solutions:

- **Table Wobbles:**

- Ensure the table is placed on a flat, even surface.
- Adjust the foot pads at the bottom of each leg to compensate for uneven flooring.
- Check all assembly screws and tighten any that are loose.

- **Loose Connections:**

- Periodically inspect all bolts and screws. Tighten them as needed to maintain structural integrity.

- **Damage During Assembly:**

- Be aware of sharp edges on metal components during assembly. Handle with care.
- If parts are broken or missing upon arrival, contact customer support. The vendor's policy often allows for reshipment or refund of broken/missing parts without requiring the entire item to be returned.

- **Surface Scratches/Marks:**

- While the tabletop is scratch-resistant, heavy or sharp objects can still cause damage. Use protective mats for heavy items.
- For minor marks, a wood repair kit or furniture marker matching the "Natural" finish may be used.

Specifications

Feature	Detail
---------	--------

Brand	Tribesigns
