## Edifier G200

# Edifier G200 Magnetic Bluetooth Speaker User Manual

Model: G200 | Brand: Edifier

## INTRODUCTION

The Edifier G200 is a compact and versatile magnetic Bluetooth speaker designed to enhance your audio experience on the go. Featuring a powerful 5W output, vibrant RGB lighting, and a strong magnetic base, it seamlessly integrates with your smartphone as a portable stand or attaches to various metal surfaces. This manual provides comprehensive instructions for setting up, operating, and maintaining your G200 speaker.

## SETUP

### 1. Charging the Speaker

Before first use, fully charge the Edifier G200 speaker. Connect the provided Type-C charging cable to the charging port on the speaker and the other end to a USB power adapter (not included).

- The RGB light will indicate charging status.
- A full charge provides approximately 7 hours of playtime at 50% volume.

### 2. Bluetooth Pairing

Follow these steps to pair your G200 speaker with a Bluetooth-enabled device:

1. **Power On:** Press and hold the Power button for 3 seconds to turn on the speaker. The RGB light will flash, indicating it's in pairing mode.
2. **Activate Bluetooth:** On your device (smartphone, tablet, laptop), enable Bluetooth.
3. **Select Device:** Search for "Edifier G200" in the list of available Bluetooth devices and select it to connect.

4. **Confirmation:** Once successfully paired, the speaker will emit a confirmation tone, and the RGB light will change to a steady color.

## OPERATING INSTRUCTIONS

### Power and Playback Control

The Edifier G200 features a single multi-function button for easy control:

- **Power On:** Press and hold for 3 seconds.
- **Power Off:** Press and hold for 5 seconds.
- **Play/Pause:** Single press (while music is playing).
- **Bluetooth Pairing (from Off state):** Press and hold for 5 seconds.

### Mode Switching (Game/Music)

The speaker offers two distinct audio modes:

- **Switch Mode:** Double press the Power button to toggle between Game Mode (powerful bass, low latency) and Music Mode (balanced EQ).

### RGB Light Control

Manage the transparent RGB lighting effects:

- **Light Effects On/Off:** Triple press the Power button.

## MAINTENANCE

- Cleaning:** Use a soft, dry cloth to clean the speaker. Do not use abrasive cleaners or solvents.
- Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures.
- Water Resistance:** The speaker is NOT waterproof. Avoid exposure to water or excessive moisture.
- Battery Care:** To prolong battery life, avoid fully discharging the speaker frequently. Charge it regularly, even if not in use for extended periods.

## TROUBLESHOOTING

| Problem                     | Possible Solution   |
|-----------------------------|---|
| Speaker does not turn on.   | Ensure the battery is charged. Connect to a power source using the Type-C cable.  |
| Cannot pair via Bluetooth.  | Ensure the speaker is in pairing mode (flashing RGB light).<br>Turn off and on Bluetooth on your device.<br>Move the speaker closer to your device.<br>Forget "Edifier G200" from your device's Bluetooth list and try pairing again. |
| No sound or low volume.     | Increase volume on both the speaker and your connected device.<br>Ensure the speaker is properly paired.<br>Check if the audio source is playing.   |
| RGB lights are not working. | Triple press the Power button to toggle the light effects on/off.   |

## WARRANTY AND SUPPORT

The Edifier G200 Magnetic Bluetooth Speaker comes with a one-year limited warranty from the date of purchase. This warranty covers manufacturing defects and workmanship.

For warranty claims, technical support, or any inquiries, please contact Edifier US customer service:
