## LINSY HOME HC418E

# LINSY HOME Farmhouse 8-Drawer Dresser User Manual

Model: HC418E | Brand: LINSY HOME

## 1. INTRODUCTION

---

Thank you for choosing the LINSY HOME Farmhouse 8-Drawer Dresser. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

## 2. SAFETY INFORMATION

---

Your safety is paramount. Please adhere to the following guidelines:

- **Wall Anchor Kit:** Always install the included wall anchor kit to prevent tip-over incidents. This is crucial for stability and safety, especially in households with children or pets.
- **Assembly:** Assembly requires two adults. Do not attempt to assemble alone.
- **Weight Limits:** Do not exceed the maximum weight capacity of 66 lbs (30 kg) on the tabletop and 33 lbs (15 kg) per drawer. Overloading can compromise stability and cause damage.
- **Placement:** Place the dresser on a level, stable surface. Uneven surfaces can lead to instability.
- **Maintenance:** Regularly check all fasteners to ensure they remain tight. Loose fasteners can affect the dresser's structural integrity.

### 3. PACKAGE CONTENTS

---

Before beginning assembly, verify that all components and hardware listed in the included assembly guide are present and undamaged. If any parts are missing or damaged, please contact customer support.

The package typically includes:

- Dresser panels (top, bottom, sides, back, drawer fronts, drawer sides/back)
- Drawer slides and runners
- Metal handles
- Assembly hardware (screws, dowels, cam locks, etc.)
- Wall anchor kit
- Detailed assembly instructions

### 4. SETUP AND ASSEMBLY

---

Assembly is required for this product. Please follow the step-by-step instructions provided in the separate

assembly manual included with your purchase. An electric screwdriver is recommended for efficiency, and two people are required for optimal results and safety.

### Key Assembly Steps:

1. **Preparation:** Clear a spacious area for assembly. Lay out all parts and hardware, comparing them against the parts list.
2. **Frame Construction:** Assemble the main frame of the dresser according to the diagrams. Ensure all connections are secure.
3. **Drawer Assembly:** Construct each of the eight drawers, attaching the drawer slides.
4. **Drawer Installation:** Install the assembled drawers into the dresser frame, ensuring smooth operation.
5. **Handle Attachment:** Securely attach the metal handles to each drawer front.
6. **Wall Anchoring:** Install the anti-tipping device to a wall stud using the provided hardware. This step is critical for safety.

## 5. OPERATION

---

The LINSY HOME dresser is designed for organized storage in various rooms.

### Drawer Usage:

- The drawers feature smooth metal runners for easy opening and closing.
- Safety stops are integrated to prevent drawers from being pulled out completely, reducing the risk of accidental spills or injury.
- Distribute weight evenly within drawers to maintain balance and prevent strain on the runners.

### Storage Capacity:

The dresser offers ample storage with eight drawers. The tabletop has a maximum load capacity of 66 lbs (30 kg), suitable for decorative items or a television. Each drawer can hold up to 33 lbs (15 kg).

# Product Size

# Ample Storage, Multi Occasion

Spacious drawers help you keep your house tidy

Collage of images showing the LINSY HOME dresser utilized in different room environments, such as a bedroom, living room, and closet, demonstrating its versatile application.

## 6. MAINTENANCE

---

Proper care will ensure the longevity and appearance of your dresser.

- **Cleaning:** Wipe the dresser surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals, which can damage the finish.
- **Spills:** Promptly wipe up any spills with a dry cloth to prevent moisture damage, especially on the waterproof tabletop.
- **Environmental Considerations:** The dresser is crafted from eco-friendly manufactured wood with a P2 Grade Material rating, indicating low formaldehyde emissions.
- **Edge Sealing:** The premium edge sealing process enhances durability and protects against moisture and wear.

# | Premium Edge Sealing Process

Exquisite sealing edge,  
longer service life

No edge sealing,  
easy to crack and mold

Image demonstrating the 'Premium Edge Sealing Process' on a drawer, highlighting the difference between an exquisitely sealed edge for durability and an unsealed edge prone to cracking and mold.

# P2 Grade Material

Not only more cost-effective  
but also environmentally sustainable

Graphic illustrating the low formaldehyde emission levels of P2 Grade Material, emphasizing its environmental sustainability.

## 7. TROUBLESHOOTING

If you encounter any issues with your dresser, please refer to the following common solutions:

- **Drawers not sliding smoothly:** Check that the drawer slides are correctly aligned and free of obstructions. Ensure all screws securing the slides are tight.
- **Dresser feels unstable:** Verify that the dresser is on a level surface. Re-tighten all assembly fasteners. Confirm the wall anchor kit is properly installed and secured to a wall stud.
- **Missing or damaged parts:** Do not proceed with assembly. Contact LINSY HOME customer support immediately for replacement parts.

## 8. SPECIFICATIONS
