PRODUCT FEATURES

- **Durable Construction:** Lightweight yet robust aluminum frame.
- **Efficient Mobility:** Two high-quality, wear-resistant, and silent wheels for smooth movement on various surfaces.
- **Waterproof Bag:** Main storage bag made from waterproof polyester fabric, equipped with mudguards for wheel protection.
- **Integrated Insulated Bag:** A separate, removable insulated bag to keep frozen or chilled items cool.

- **Compact Storage:** Foldable design for easy storage when not in use.
- **Ergonomic Handle:** Comfortable foam handle for a secure grip.
- **Enhanced Visibility:** Reflective strips on the bag for safety in low-light conditions.
- **Convenient Storage:** Side pockets for small items like umbrellas or water bottles.

PRODUCT DETAILS / PRODUKTDDETAILS

Image: Detailed diagram highlighting key features such as the aluminum frame, comfortable handle, reflective strips, side pockets, quiet wheels, and waterproof fabric.

SETUP INSTRUCTIONS

1. **Unfold the Frame:** Carefully remove the cart from its packaging. Locate the folding mechanism on the aluminum frame and gently extend the frame until it locks into its upright position. Ensure all joints are securely locked.
2. **Attach the Wheels:** If the wheels are not pre-attached, align each wheel with its axle on the frame and push firmly until it clicks into place. Verify that both wheels rotate freely.
3. **Install the Main Bag:** Place the main waterproof bag onto the aluminum frame. Secure it using any integrated

straps or fasteners provided, ensuring it sits snugly and is stable.

4. **Prepare the Insulated Bag:** The insulated bag can be placed inside the main bag or carried separately. It is ready for use upon unpacking.

Image: Visual guide showing the cart's folding mechanism and its versatility as a shopping cart, utility cart, and the bag used independently.

OPERATING INSTRUCTIONS

General Use

- **Loading the Cart:** Open the main bag and place your items inside. Distribute weight evenly to maintain balance. Do not exceed the maximum weight capacity of 40 kg (88 lbs).
- **Maneuvering:** Grip the ergonomic foam handle firmly. Tilt the cart slightly backward to engage the wheels and pull it behind you. The two-wheel system is designed for easy navigation over various terrains, including small obstacles and curbs.
- **Using Side Pockets:** Utilize the side pockets for quick access to smaller items such as an umbrella, water bottle, or keys.

- **Visibility:** The reflective strips on the bag enhance your visibility to others, especially when using the cart in low-light conditions.

Using the Insulated Bag

- **Chilled Items:** Place frozen or chilled groceries directly into the separate insulated bag. This bag can be carried by hand or attached to the cart for transport.
- **Temperature Retention:** The insulated lining helps maintain the temperature of its contents for a period, ideal for transporting temperature-sensitive items from the store to your home.

Image: The insulated bag shown with frozen items, highlighting its function.

MAINTENANCE

- **Cleaning the Bag:** The waterproof polyester bag can be wiped clean with a damp cloth and mild soap. Do not machine wash or tumble dry. Ensure the bag is completely dry before folding or storing to prevent mildew.
- **Wheel Care:** Periodically check the wheels for debris, such as hair or string, and remove them to ensure smooth operation. The mudguards help protect the wheels from splashes and dirt.
- **Frame Care:** The aluminum frame is resistant to rust. Wipe it clean with a damp cloth as needed. Avoid using abrasive cleaners.
- **Storage:** When not in use, fold the cart for compact storage. Store in a dry place away from direct sunlight to prolong the life of the fabric.

Image: The cart's wheels are shown handling stairs and wet conditions, illustrating their robust design and the function of the mudguards.

TROUBLESHOOTING

- **Cart is difficult to pull:** Check for obstructions in the wheels. Ensure the weight is evenly distributed and not exceeding the maximum capacity.
- **Frame does not fold/unfold smoothly:** Ensure no fabric or items are caught in the folding mechanism. Apply gentle, even pressure. Do not force the mechanism.
- **Bag appears loose:** Verify that all straps and fasteners securing the bag to the frame are properly attached and tightened.

SPECIFICATIONS

Feature	Detail
Brand	VOUNOT
Model Number	9239463985501
Color	Black
Product Dimensions (L x W x H)	36 x 43 x 97 cm (14.2 x 16.9 x 38.2 inches)
