Maintenance

To ensure the longevity and optimal performance of your UMEXUS lamp, follow these maintenance guidelines:

- **Cleaning:** Wipe the lamp base and shade with a soft, dry cloth. Avoid using abrasive cleaners or solvents that may damage the finish or fabric.
- **Bulb Replacement:** Use only E14 base LED bulbs as specified. Ensure the lamp is off and unplugged before replacing the bulb.
- **Storage:** If storing the lamp for an extended period, ensure it is fully charged and stored in a cool, dry place.

Troubleshooting

If you encounter any issues with your lamp, please refer to the following common solutions:

- **Lamp does not turn on:** Ensure the battery is charged. Plug the lamp into a power source and try again. Check if the bulb is securely screwed in.
- **Light is dim or flickers:** The battery may be low. Recharge the lamp fully.
- **Touch control is unresponsive:** Ensure your hands are clean and dry. Try tapping the button firmly. If the issue persists, try fully discharging and recharging the lamp.
