Aroepurt Tcl L5

Aroepurt TCL L5 Phone Case and Tempered Glass Screen Protector User Manual

Model: Tcl L5

1. INTRODUCTION

This manual provides instructions for the proper installation, use, and maintenance of your Aroepurt Hybrid Phone Case and Tempered Glass Screen Protector for the TCL L5 phone. This product is designed to offer robust protection and enhanced functionality for your device.

2. WHAT'S IN THE BOX

Please verify that all components are present in the package:

- 1 x Aroepurt Hybrid Phone Case (Pink)
- 1 x Tempered Glass Screen Protector

Figure 2.1: Contents of the package, including the hybrid phone case and the tempered glass screen protector.

3. SETUP

3.1. Phone Case Installation

1. Ensure your TCL L5 phone is clean and free of dust or debris.
2. Align the phone with the soft silicone frame of the case.
3. Gently press the phone into the case, ensuring all corners and edges are securely seated within the frame.
4. Verify that all ports, buttons, and camera cutouts align correctly with your phone.

Figure 3.1: The phone case is designed for easy installation, fitting snugly around the TCL L5 device.

3.2. Tempered Glass Screen Protector Installation

For optimal adhesion and clarity, perform this installation in a clean, dust-free environment.

1. **Clean the Screen:** Use a microfiber cloth to thoroughly clean your phone's screen, removing all dust, smudges, and fingerprints. Ensure the screen is completely dry.
2. **Align the Protector:** Carefully peel off the protective film from the adhesive side of the tempered glass. Hold the protector by its edges and align it precisely with your phone's screen, paying attention to the cutouts for the speaker and camera.
3. **Apply the Protector:** Once aligned, gently lower the protector onto the screen. It will begin to adhere automatically.
4. **Remove Bubbles:** If any bubbles appear, gently push them towards the edges of the screen using a soft cloth or a squeegee (not included).

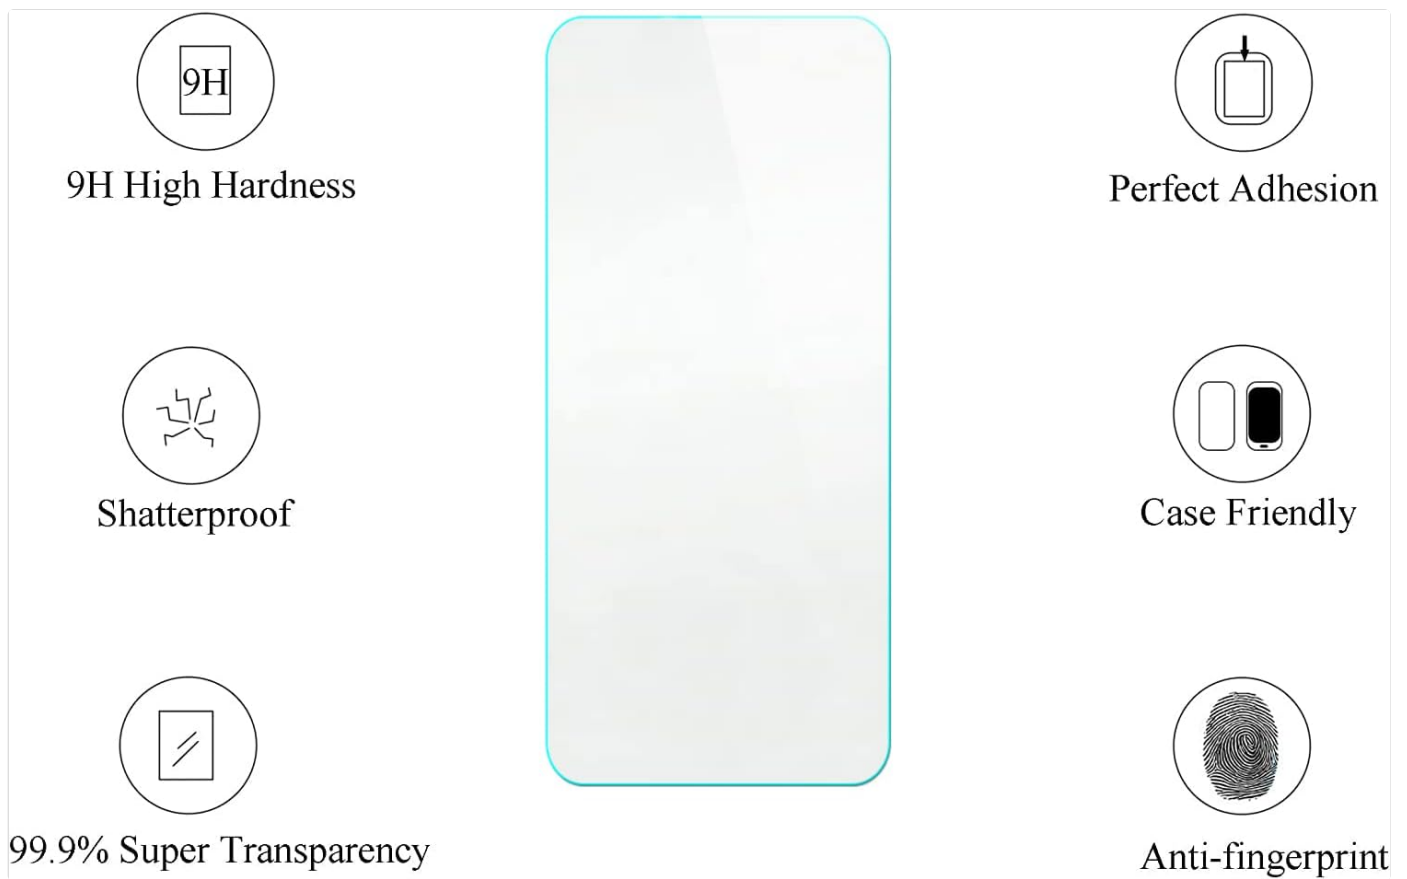

Figure 3.2: The tempered glass screen protector offers 9H high hardness, shatterproof properties, and 99.9% super transparency for clear viewing.

Scratch Proof

Scratch proof screen effectively avoids sharp objects scratching or abrasion

Figure 3.3: The scratch-proof screen effectively resists damage from sharp objects, as demonstrated by its resistance to a hammer impact.

4. OPERATING FEATURES

4.1. Folding Multi-Angle Support Stand

The integrated folding stand allows for hands-free viewing of your device. Simply pull out the stand from the back of the case and adjust it to your desired viewing angle. The stand provides stable support for both horizontal and vertical orientations.

Multi-function Stand Case

For hands-free viewing and secure holding

Figure 4.1: The multi-function stand case provides hands-free viewing and secure holding, adaptable for various activities like watching videos or following exercise routines.

4.2. Wristband for Secure Holding

The case features a built-in wristband designed to improve grip and prevent accidental drops. Slide your hand through the wristband for a more secure and comfortable hold, especially during one-hand operation.

Wristband

Slip-proof & drop-proof
Stay carefree

One-Hand Operation

Touch more spots on the screen
Effectively prevent accidental drops of cell phones

Magnetic

Fit car magnetic mount

☹️ Other cases

Figure 4.2: The integrated wristband enhances one-hand operation, providing a slip-proof and drop-proof grip for carefree use.

4.3. Magnetic Car Mount Compatibility

The case incorporates a strong magnetic element, allowing it to securely attach to compatible magnetic car mounts (sold separately). This feature provides convenient and stable placement of your phone while driving.

Wristband

Slip-proof & drop-proof
Stay carefree

One-Hand Operation

Touch more spots on the screen
Effectively prevent accidental drops of cell phones

Magnetic

Fit car magnetic mount

Figure 4.3: The case features a strong magnet for secure attachment to magnetic car mounts, offering a stable alternative to other cases that may not provide this compatibility.

5. MAINTENANCE

5.1. Cleaning the Phone Case

To clean the phone case, wipe it gently with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or solvents, as these may damage the case's material or finish. The frosted surface is designed to resist fingerprints, reducing the frequency of cleaning.

5.2. Cleaning the Screen Protector

For the screen protector, use a clean, dry microfiber cloth to remove fingerprints and smudges. For more stubborn marks, lightly dampen the cloth with water or a screen-safe cleaning solution. Do not apply liquid directly to the screen protector.

6. TROUBLESHOOTING

Issue	Possible Cause	Solution
Bubbles under screen protector	Dust particles or improper application.	Gently push bubbles towards the edge with a soft cloth. If persistent, carefully lift a corner of the protector to remove dust, then reapply.
Case does not fit correctly	Incorrect phone model or improper alignment during installation.	Ensure you have the TCL L5 model. Re-align the phone within the case, ensuring all corners are seated.
Case feels slippery	Surface residue or personal preference.	Clean the case as per maintenance instructions. Utilize the integrated wristband for a more secure grip.
Magnetic mount not holding	Weak magnetic mount or improper alignment.	Ensure your car mount is magnetic and strong enough. Verify the case is properly aligned with the mount's magnetic surface.

7. SPECIFICATIONS

Product Dimensions: 0.39 x 0.39 x 0.39 inches

Item Weight: 2.46 ounces

Material: Polyurethane (Case)

Compatible Phone Models: TCL L5

Form Factor: Hybrid Case
