## Aroepurt Zte P601 Optus X Sight 3 Case

# Aroepurt Hybrid Case with Tempered Glass Screen Protector for Zte P601 Optus X Sight 3

Model: Zte P601 Optus X Sight 3 Case

## INTRODUCTION

---

This instruction manual provides detailed guidance for the installation, operation, and maintenance of your Aroepurt Hybrid Case and Tempered Glass Screen Protector, specifically designed for the Zte P601 Optus X Sight 3 smartphone. Please read this manual thoroughly before use to ensure proper application and maximize product longevity.

## PACKAGE CONTENTS

---

Verify that all items are present in the package:

- 1 x Aroepurt Hybrid Phone Case (Black)
- 1 x Tempered Glass Screen Protector

## SETUP AND INSTALLATION

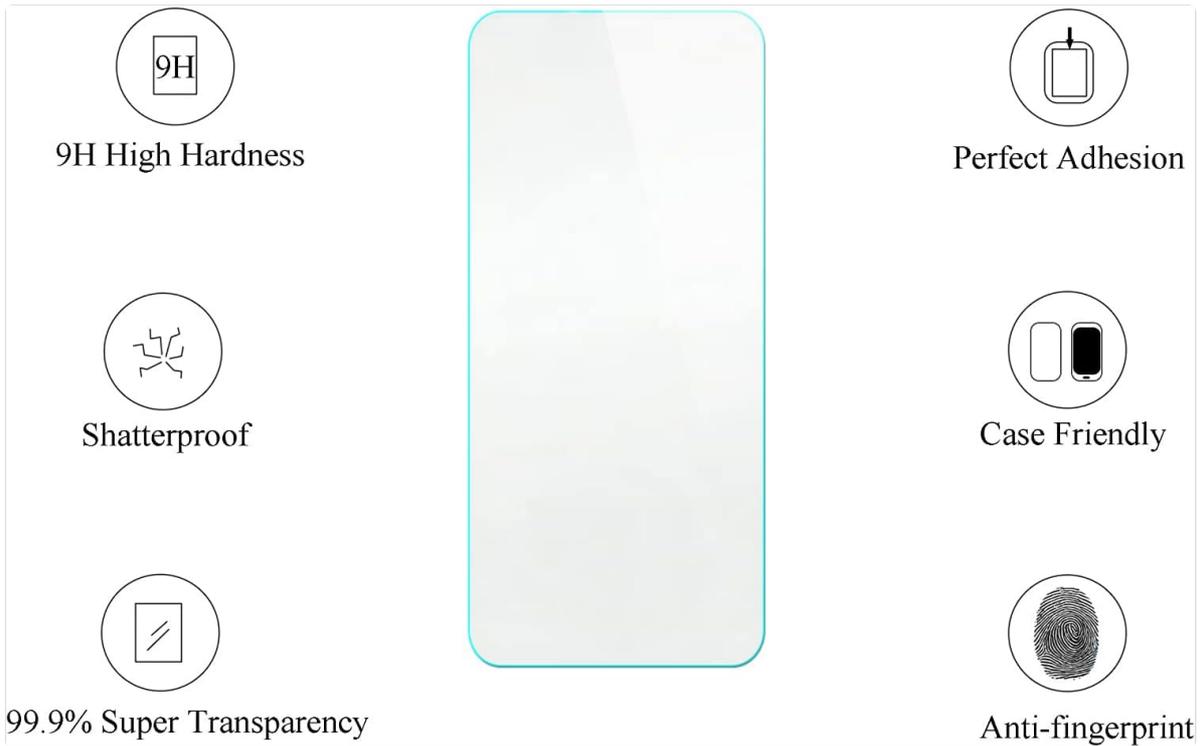

---

### 1. Installing the Tempered Glass Screen Protector

Follow these steps for a bubble-free application:

1. **Clean the Screen:** Use a microfiber cloth to thoroughly clean your phone's screen, removing all dust, smudges, and fingerprints. Ensure the screen is completely dry.
2. **Align the Protector:** Carefully peel off the protective film from the adhesive side of the tempered glass. Align the screen protector with your phone's screen, ensuring precise placement over the speaker, camera, and home button (if applicable).
3. **Apply:** Once aligned, gently lower the protector onto the screen. The adhesive will begin to spread. Lightly press down on the center of the screen protector to help it adhere.

4. **Remove Bubbles:** If any bubbles appear, gently push them towards the edges of the screen using a soft cloth or a squeegee.

*Image: Features of the Tempered Glass Screen Protector. This protector offers 9H hardness, shatterproof design, 99.9% transparency, perfect adhesion, case compatibility, and anti-fingerprint properties.*

## Scratch Proof

Scratch proof screen effectively avoids sharp objects scratching or abrasion

*Image: Scratch-Proof Screen Protector. The screen protector is designed to effectively resist scratches and abrasions from sharp objects.*

## 2. Installing the Phone Case

To install the hybrid phone case:

1. **Insert Phone:** Gently slide your Zte P601 Optus X Sight 3 phone into the case, starting with one side and then pressing the other side into place.
2. **Ensure Fit:** Make sure the phone is securely seated within the case and all edges are covered. The case features a PC hard back panel, soft silicone frame, and four-corner shock airbags for enhanced protection.

# Drop Protection

Protects your phone when dropping and keeps it secure at all times

*Image: Drop Protection Feature. The case is designed with reinforced corners and shock airbags to protect your phone from drops and impacts.*

## OPERATING INSTRUCTIONS

### Multi-function Stand

The case features a folding support that allows for multi-angle viewing. To use the stand:

- Locate the integrated folding support on the back of the case.
- Pull out the support to create a stable stand for your phone.
- Adjust the angle as needed for hands-free viewing in landscape or portrait orientation.

### Wristband for Secure Holding

The integrated wristband provides a secure grip and prevents accidental drops during one-hand operation.

- Slide your hand through the wristband on the back of the case.
- This allows for a firm and comfortable grip, reducing the risk of dropping your device.

### Magnetic Function

The case incorporates a magnetic feature for compatibility with magnetic car mounts.

- Simply attach the back of the case to a compatible magnetic car mount.
- Ensure the mount is strong enough to securely hold your device.

## Multi-function Stand Case

For hands-free viewing and secure holding

*Image: Multi-function Stand Case. This image illustrates the case's versatility, including hands-free viewing and secure holding with the wristband.*

## One-Hand Operation

Touch more spots on the screen  
Effectively prevent accidental drops of cell phones

### Wristband

Slip-proof & drop-proof  
Stay carefree

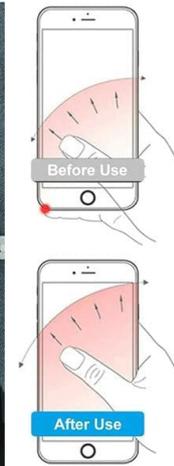

Image: Wristband and Magnetic Features. The wristband enhances one-hand operation, while the strong magnet allows for secure attachment to car magnetic mounts.

## MAINTENANCE AND CARE

- **Cleaning the Case:** Wipe the case regularly with a soft, damp cloth to remove dust and smudges. For tougher stains, a mild soap solution can be used, followed by wiping with a clean, damp cloth and air drying. The frosted surface is designed to resist fingerprints.
- **Cleaning the Screen Protector:** Use a microfiber cloth to clean the tempered glass. Avoid harsh chemicals that may damage the oleophobic coating.
- **Avoid Extreme Conditions:** Do not expose the case or screen protector to extreme temperatures or direct sunlight for prolonged periods, as this may affect material integrity.
- **Inspection:** Periodically inspect the case and screen protector for any signs of wear or damage. Replace if significant damage is observed to maintain optimal protection.

## TROUBLESHOOTING

**Issue: Screen protector has bubbles after installation.**

**Solution:** Gently lift the nearest edge of the screen protector and re-apply, pushing out bubbles with a soft cloth from the center outwards. Ensure the screen is completely clean before re-application.

**Issue: Case does not fit correctly or ports are misaligned.**

**Solution:** Ensure you have the correct model case for your Zte P601 Optus X Sight 3 phone. Re-seat the phone firmly into the case, ensuring all corners are properly engaged. If issues persist, verify the product compatibility.

**Issue: Magnetic function is weak with car mount.**

**Solution:** Ensure the car mount itself has a strong magnetic field. The case's integrated magnet is designed for compatibility, but the strength of the mount is also a factor. Avoid placing thick materials between the case and the mount.

## SPECIFICATIONS

Feature	Detail
Brand	Aroepurt
Compatible Phone Models	Zte P601 Optus X Sight 3
Material	Polyurethane (Case)
Form Factor	Hybrid Case
Color	Black
