truke B170

truke Buds Freedom Open Ear Wireless Earbuds User Manual

Model: B170

Introduction

Welcome to the user manual for your truke Buds Freedom Open Ear Wireless Earbuds. These earbuds are designed to provide an exceptional audio experience while keeping you aware of your surroundings, thanks to their innovative open-ear design. Featuring PureVoice™ Technology, 16mm Beryllium Speakers, and an impressive 60 hours of total playtime, the Buds Freedom offer crystal-clear calls and immersive sound for your everyday adventures.

Setup

1. Unboxing and Components

Your truke Buds Freedom package includes the following items:

- Wireless Charging Case
- Charging Cable
- truke Buds Freedom Earbuds (Left and Right)
- User Manual (this document)

2. Charging Your Earbuds

Before first use, ensure your earbuds and charging case are fully charged. The earbuds offer up to 12 hours of playtime on a single charge, with the charging case extending total playtime to an impressive 60 hours. Utilize the RapidPower

Charging feature for quick power-ups: just 15 minutes of charging provides 6 hours of playtime.

3. Pairing with Your Device

The Buds Freedom feature 1Step Instant Pairing for seamless connectivity via Bluetooth 5.4.

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for "truke Buds Freedom" in the list of available Bluetooth devices.
4. Select "truke Buds Freedom" to connect. Once connected, you will hear an audio prompt.

The earbuds will automatically reconnect to the last paired device when taken out of the case, if Bluetooth is enabled on the device.

Operating Instructions

1. Touch Controls

The truke Buds Freedom are equipped with intuitive touch controls for easy management of your audio and calls. Specific touch gestures for functions like play/pause, skip track, answer/end call, and activating voice assistant are detailed in the

quick start guide included with your product. Refer to that guide for precise touch commands.
You can also activate your device's voice assistant (Siri or Google Assistant) with simple voice commands, allowing for hands-free control.

2. Call Management

Experience crystal-clear conversations with the integrated Quad Mic PureVoice™ ENC Technology and Wind Noise Reduction Technology. These features work together to filter out background noise, ensuring your voice is heard clearly even in noisy environments.

Maintenance

To ensure the longevity and optimal performance of your truke Buds Freedom, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.
- **Water Resistance:** The earbuds are IPX5 rated, meaning they are resistant to sweat and light splashes. Do not submerge them in water or expose them to heavy rain. Ensure they are dry before placing them back in the charging case.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage. Store in a cool, dry place away from extreme temperatures.
- **Charging Port:** Keep the charging port clean and free of debris.

The Ultimate Companion for Your Everyday Adventures

With Buds Freedom OWS, every moment of your day is enhanced with superior sound quality, unmatched comfort, and reliable performance.

Troubleshooting

If you encounter any issues with your truke Buds Freedom, please refer to the following common solutions:

Problem	Possible Solution
Earbuds not pairing/connecting	◦ Ensure earbuds are charged. ◦ Turn off and on Bluetooth on your device. ◦ Forget "truke Buds Freedom" from your device's Bluetooth list and re-pair. ◦ Place earbuds back in the case, close, wait a few seconds, then open again.

Problem	Possible Solution
No sound or low volume	◦ Adjust volume on both earbuds and your connected device. ◦ Ensure earbuds are properly seated in your ears. ◦ Check if the earbuds are connected to the correct device.
Microphone not working during calls	◦ Ensure earbuds are connected and selected as the audio input device. ◦ Clean any debris from the microphone openings. ◦ Test in a quieter environment to rule out excessive background noise.
Earbuds not charging	◦ Ensure the charging cable is securely connected to both the case and power source. ◦ Check if the charging case itself has power. ◦ Clean the charging contacts on both the earbuds and inside the case.

If the problem persists, please contact truke customer support for further assistance.
