Tulo Twin Size Platform Bed Frame

Tulo 13 inch High Metal Platform Bed Frame User Manual

Brand: Tulo | Model: Twin Size Platform Bed Frame

PRODUCT OVERVIEW

The Tulo Basic Raised Metal Platform Frame is designed for strength, simplicity, and practicality. It provides superior support for your mattress without the need for a box spring, thanks to its solid steel frame and durable bamboo slats. The frame also offers significant underbed storage space, making it an ideal solution for maximizing bedroom organization.

SETUP AND ASSEMBLY

Your Tulo Platform Bed Frame is designed for simple assembly. All necessary tools, parts, and detailed instructions are included in the packaging. Please follow the steps below carefully to ensure proper setup and stability.

Image: The Tulo Twin Size Metal Platform Bed Frame shown in its two main disassembled sections, ready for assembly.

Assembly Instructions:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the included instruction manual are present.
2. **Identify Parts:** Lay out all frame pieces, legs, and hardware. Refer to the parts list in your manual to identify each component.
3. **Assemble Frame Sections:** Connect the main frame sections according to the diagrams in your manual. Ensure all bolts are securely tightened using the provided tool.
4. **Attach Legs:** Securely attach the support legs to the designated points on the frame. Ensure all legs are stable and evenly placed.
5. **Install Slats:** Place the bamboo slats onto the frame. The slats are designed to fit snugly and provide even support across the entire bed surface.
6. **Final Check:** Once assembled, gently shake the frame to ensure it is stable and all connections are secure.

OPERATING AND USAGE

The Tulo Platform Bed Frame is designed to provide optimal support for various mattress types without the need for a box spring. Its robust construction ensures stability and longevity for your sleeping environment.

Mattress Support:

The bamboo slats create a dependable and even surface suitable for spring, memory foam, or hybrid mattresses. This design eliminates the need for a traditional box spring, simplifying your bedding setup and providing direct

support.

Weight Capacity:

- **Twin and Twin XL Sizes:**Support up to 350 lbs.
- **All Other Sizes (Full, Queen, King):**Support up to 700 lbs.

Underbed Storage:

The frame's 14-inch height provides nearly 13 inches of clearance space underneath, offering valuable room for storage. This is ideal for organizing boxes, bins, or other items, helping to maximize your bedroom space efficiently.

CARE AND MAINTENANCE

Proper care and maintenance will help extend the life of your Tulo Platform Bed Frame and ensure continued performance and aesthetic appeal.

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as they may damage the polished finish.
- **Regular Inspection:** Periodically check all bolts and connections to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent any potential squeaking.
- **Slat Care:** Ensure the bamboo slats are free from debris. While durable, avoid excessive force or jumping on the bed, which could potentially damage the slats or frame.

TROUBLESHOOTING

If you encounter any issues with your Tulo Platform Bed Frame, refer to the common problems and solutions below before contacting customer support.

- **Squeaking Noises:** Squeaking often indicates loose connections. Re-tighten all bolts on the frame and legs. Ensure the mattress is properly seated on the slats and not shifting.
- **Frame Instability:** If the frame feels wobbly, check that all legs are firmly attached and resting evenly on the floor. Verify that all assembly steps were followed correctly and bolts are securely fastened.

- **Mattress Sagging:** While the bamboo slats are designed to prevent sagging, ensure your mattress is compatible with a platform bed. If sagging persists, inspect the slats for any damage or displacement.

PRODUCT SPECIFICATIONS

Feature	Detail
Brand	Tulo
Model	Twin Size Metal Platform Bed Frame
Product Dimensions	74.5"L x 38"W x 14"H
Color	Black
Finish Type	Polished
Included Components	Frame, Slats, Assembly Hardware, Instructions
