Operating and Usage

The VASAGLE 2-Tier Side Table is designed for versatile use in various environments. Its compact size and functional design make it suitable for many purposes.

- **2-Tier Open Storage:** Utilize the two open shelves for displaying decorations, plants, books, or keeping essential items within easy reach.
- **Tray Design:** The top tray design helps protect floors and carpets from spills and prevents small items from sliding off. Guard rails on the lower shelf keep taller items secure.
- **Versatile Placement:** This table can function as a side table in your living room, a nightstand in the bedroom, an accent table on a balcony or patio, or even a practical storage solution in a bathroom.

Usage Examples:

Anti-Spill Tray Design

- Secures small items from falling
- Minimizes the risk of liquid spills to protect your floor

Maintenance

To ensure your VASAGLE 2-Tier Side Table remains in excellent condition, follow these simple maintenance guidelines:

- **Cleaning:** The powder-coated steel surface is water- and scratch-resistant. Simply wipe it clean with a damp cloth. Avoid abrasive cleaners that may damage the finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Outdoor Use:** While designed for outdoor use, prolonged exposure to extreme weather conditions may affect its appearance over time. Consider covering or storing indoors during harsh weather.

Troubleshooting

If you encounter any issues with your table, please refer to the following common solutions:

- **Wobbling:** Ensure all screws are fully tightened. Adjust the leveling feet at the bottom of the legs to stabilize the table on uneven floors.
- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact customer support for assistance.
- **Difficulty Assembling:** Re-check the instructions and ensure all components are oriented correctly. Do not force parts together.
