YITAHOME MAYIHEHF8a

YITAHOME Vanity Desk Set Instruction Manual

Model: MAYIHEHF8a

1. IMPORTANT SAFETY INFORMATION

Please read all safety warnings and instructions carefully before assembly and use. Failure to follow these instructions may result in injury or product damage.

- Avoid exposure to liquids. Do not place the vanity in areas prone to water or high humidity.
- Assemble with care. The vanity is heavy (approximately 147 pounds). It is recommended that two adults assemble this product.
- Be cautious of sharp edges and electrical components during assembly and use. Ensure all electrical connections are secure and properly insulated.
- Always use the provided anti-tip buckle to secure the vanity to a wall, preventing accidental tipping.
- Keep children and pets away from the assembly area. Small parts can be a choking hazard.

2. PRODUCT OVERVIEW

The YITAHOME Vanity Desk Set (Model MAYIHEHF8a) is designed to enhance your daily routine with its functional features and elegant design. This set includes a spacious vanity desk, a large LED lighted mirror, a magnetic magnifying mirror, and a comfortable stool.

Key Features:

- **Large LED Lighted Mirror:** A 46-47 inch XL mirror with 3 dimmable color temperatures (cold white, warm white, warm yellow) and adjustable brightness (0-100%).
- **10X Magnetic Magnifying Mirror:** For precise detail work.
- **Integrated Power Outlet:** Includes 2 standard AC outlets (125V/12A) and 2 USB ports (5V/2A) for convenient device charging.
- **Ample Storage:** Features 8 drawers and a sturdy see-through glass tabletop for organizing cosmetics and

accessories.

- **Comfortable Stool:** A matching stool is included for extended use.
- **Safety Features:** Equipped with an anti-tip buckle for stability.

3. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly of the YITAHOME Vanity Desk Set is required. Due to the product's weight and complexity, it is highly recommended to have two adults for assembly. Please ensure you have sufficient space and all components before beginning.

3.1. Unpacking and Part Identification

1. Carefully unpack all components from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. Refer to the included parts list (not provided in this document) to identify and verify all components and hardware are present. If any parts are missing or damaged, contact customer support immediately.

3.2. Assembling the Desk Frame

1. Begin by assembling the main desk frame according to the detailed diagrams in your physical instruction manual.
2. Attach the golden metal legs to the base of the desk sections using the provided screws. Ensure all connections are tight and stable.

3.3. Installing Drawers

1. Assemble each drawer box. Pay close attention to the orientation of the drawer slides. Incorrect installation of drawer slides is a common assembly issue.
2. Install the drawer slides onto the desk frame and then insert the assembled drawers. Test each drawer for smooth operation.
3. Attach the decorative knobs to the drawers. If knobs do not fit, ensure you are using the correct screws or contact support.

3.4. Attaching the Mirror and Electrical Connections

1. Carefully position the large LED mirror onto the designated area of the desk. Secure it using the provided hardware.
2. Connect the power cable for the LED mirror and the integrated power outlet to a suitable wall socket.
3. Ensure all electrical connections are secure and not pinched.

3.5. Securing the Vanity

1. Attach the anti-tip buckle to the back of the vanity and secure it to a wall stud using appropriate wall anchors and screws. This step is crucial for safety.

3.6. Assembling the Stool

1. Assemble the stool frame and attach the seat cushion. Ensure all bolts are tightened for stability.

4. OPERATING INSTRUCTIONS

4.1. LED Lighted Mirror

- **Power On/Off:** Locate the touch sensor on the mirror surface. Tap once to turn the LED lights on or off.
- **Change Color Temperature:** With the lights on, tap the touch sensor repeatedly to cycle through the three color modes: cold white, warm white, and warm yellow.
- **Adjust Brightness:** With the lights on, press and hold the touch sensor to dim or brighten the lights. Release when the desired brightness is achieved. The brightness is adjustable from 0% to 100%.
- **Magnetic Magnifying Mirror:** The 10X magnifying mirror can be magnetically attached to any part of the main mirror for detailed tasks.

4.2. Integrated Power Outlet

- The vanity includes 2 standard AC outlets (125V/12A) and 2 USB ports (5V/2A) located on the side of the mirror frame.
- Plug in your hair dryer, curling iron, phone charger, or other electronic devices directly into these outlets for convenient power access.
- Ensure devices are within the specified voltage and amperage limits to prevent damage to the vanity or device.

5. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your YITAHOME Vanity Desk Set.

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. For stubborn marks, a slightly damp cloth followed by a dry cloth can be used. Avoid abrasive cleaners or harsh chemicals, as they may damage the finish.
- **Mirror Care:** Clean the mirror surface with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Electrical Components:** Ensure all electrical components remain dry. Do not attempt to clean the power outlets or LED light components with liquids.
- **Drawer Maintenance:** Periodically check drawer slides for smooth operation. If they become stiff, a small amount of silicone lubricant can be applied.
- **Stability Check:** Regularly check all screws and connections to ensure they remain tight. Re-tighten if necessary. Verify the anti-tip buckle is securely attached to the wall.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your vanity desk set.

Problem	Possible Cause	Solution
LED mirror lights do not turn on.	Power cable not connected; power outlet not working; touch sensor malfunction.	Ensure the power cable is securely plugged into a functional wall outlet. Check the circuit breaker. Gently tap the touch sensor. If the issue persists, contact customer support.
Drawers do not slide smoothly or are misaligned.	Incorrect drawer slide installation; loose screws; obstruction.	Review the assembly instructions for drawer slide orientation. Ensure all screws on the slides and drawer boxes are tight. Check for any objects obstructing the drawer path.
Power outlets/USB ports are not working.	Vanity power cable not connected; wall outlet issue; internal wiring issue.	Verify the vanity's main power cable is plugged in. Test the wall outlet with another device. If still not working, contact customer support.
Vanity feels unstable or wobbly.	Loose assembly screws; anti-tip buckle not installed or improperly secured.	Check and tighten all assembly screws. Ensure the anti-tip buckle is correctly installed and securely fastened to a wall stud.
Damaged or missing parts upon arrival.	Shipping damage; packaging error.	Do not proceed with assembly. Immediately contact YITAHOME customer support with your purchase details and images of the damaged parts.
