

## Teufel ROCKSTER GO 2

# Fender x Teufel ROCKSTER GO 2 Portable Bluetooth Speaker Instruction Manual

Model: ROCKSTER GO 2 | Brand: Teufel

## INTRODUCTION

---

The Fender x Teufel ROCKSTER GO 2 is an ultra-portable Bluetooth stereo speaker designed for robust outdoor and travel use. This device combines Teufel's German-engineered audio expertise with Fender's classic American design. It features IP67 dust and waterproofing, a shockproof design, and a long-lasting 28-hour battery. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your speaker.

## WHAT'S IN THE BOX

---

- Fender x Teufel ROCKSTER GO 2 Speaker
- USB-C Charging Cable
- Fender Strap
- Fender Guitar Pick

Image: The ROCKSTER GO 2 speaker shown alongside its USB-C charging cable, Fender strap, and Fender guitar pick, illustrating the complete package contents.

## PRODUCT OVERVIEW

---

The ROCKSTER GO 2 features a rugged, matte rubber and plastic enclosure with a distinctive design. It includes intuitive controls and a passive bass radiator for enhanced sound.

### Front View

Image: The front of the speaker, showcasing the central passive bass radiator with the 'Fender x Teufel' logo and the surrounding speaker grille.

### **Top Controls**

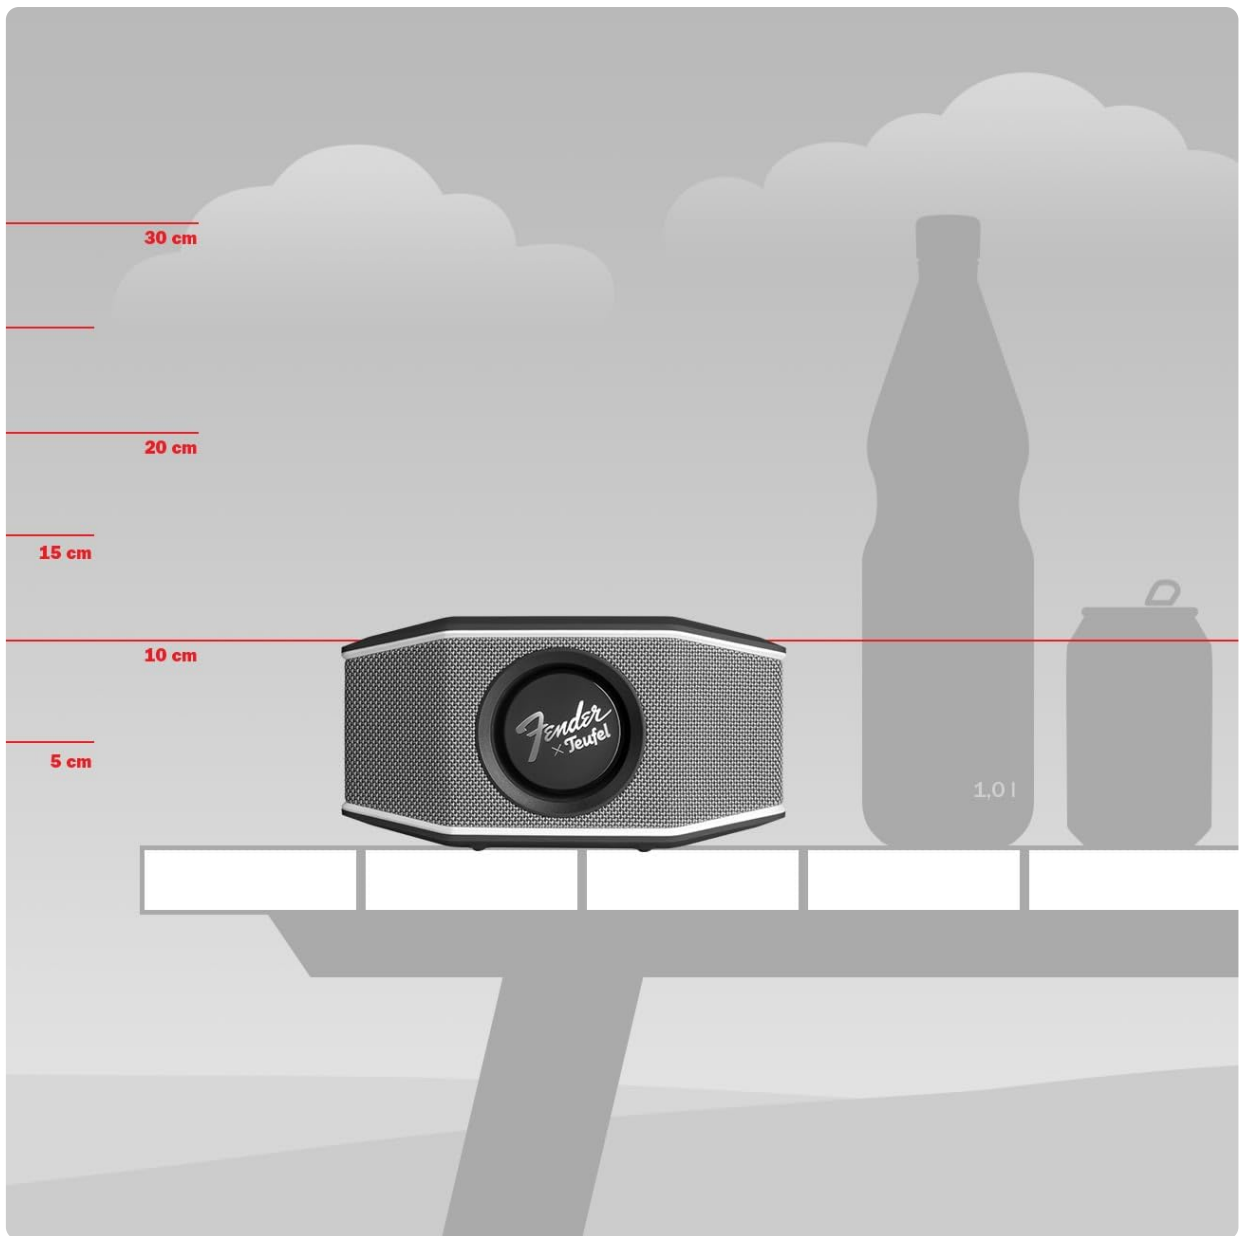

Image: The top panel of the speaker, displaying large, clearly labeled buttons for volume control (+/-), play/pause, track navigation, and a soundstage enhancement button (indicated by a Wi-Fi-like icon).

## Rear Panel

Image: The rear of the speaker, showing the power button, Bluetooth pairing button, and the 'ROCKSTER GO' model name embossed on the surface.

### Bottom Features

Image: The underside of the speaker, highlighting the 1/4 inch threading for tripod compatibility and other regulatory markings.

### SETUP

1. **Charge the Speaker:** Connect the provided USB-C charging cable to the speaker's USB-C port and a compatible power source. The LED indicators on the rear panel will show the charging status.
2. **Power On:** Press and hold the power button (circular icon) on the rear panel for a few seconds until the indicator light illuminates.

3. **Bluetooth Pairing:** Press and hold the Bluetooth button (Bluetooth icon) on the rear panel until the indicator light flashes, indicating pairing mode.
4. **Connect to Device:** On your smartphone or tablet, go to Bluetooth settings and select 'ROCKSTER GO 2' from the list of available devices. Once connected, the Bluetooth indicator light will become solid.

## OPERATING INSTRUCTIONS

---

### Basic Controls

- **Volume Control:** Use the '+' and '-' buttons on the top panel to adjust the volume.
- **Play/Pause:** Press the play/pause button (triangle and two vertical lines) on the top panel to start or pause playback.
- **Track Navigation:** Use the track navigation buttons (left/right arrows) on the top panel to skip tracks.

### Sound Stage Enhancement (Dynamore)

Press the button with the Wi-Fi-like icon on the top panel to activate or deactivate the soundstage enhancement feature. This feature widens the sound dispersion, creating a more immersive audio experience.

### Multi-Speaker Pairing

The ROCKSTER GO 2 supports wireless pairing of up to 100 identical speakers for an extreme power and immersive sound experience. Refer to the detailed instructions in the full user manual for multi-speaker setup.

## FEATURES

---

- **Waterproof and Dustproof:** IP67 rated, making it resistant to dust and immersion in water.
- **Rugged Design:** Cold-resistant and shockproof, built for outdoor adventures.
- **Long Battery Life:** Up to 28 hours of continuous playback on a single charge.
- **USB-C Fast Charging:** Convenient and quick charging via USB-C.
- **USB-C Sound Card:** Allows for direct audio connection via USB-C.
- **Flexible Carrying Strap:** Easily attachable to bikes and backpacks for portability.
- **Tripod Threading:** 1/4 inch threading compatible with GoPro mounts and other camera gear for versatile placement.

Image: The ROCKSTER GO 2 speaker demonstrating its waterproof capability by being partially submerged in water, with water droplets visible on its surface.

### Internal Components

Image: An exploded view of the ROCKSTER GO 2 speaker, showing its internal components including dual full-range

drivers and the passive bass radiator, highlighting its robust construction.

## MAINTENANCE

---

- **Cleaning:** Use a soft, damp cloth to clean the speaker. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the speaker in a cool, dry place when not in use.
- **Battery Care:** For optimal battery life, avoid fully discharging the speaker frequently. Charge it regularly.

## TROUBLESHOOTING

---

- **No Power:** Ensure the speaker is charged. Connect it to a power source using the USB-C cable.
- **Cannot Pair Bluetooth:** Make sure the speaker is in pairing mode (flashing blue light). Turn off and on your device's Bluetooth, then try re-pairing.
- **No Sound:** Check the volume levels on both the speaker and your connected device. Ensure the device is properly paired.
- **Sound Distortion:** Reduce the volume on both the speaker and your connected device. Ensure the speaker is not placed in an enclosed space that might cause resonance.
