## LAKEMID HB001BR

# LAKEMID King Headboard Model HB001BR Instruction Manual

Model: HB001BR

## INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your LAKEMID King Headboard Model HB001BR. This headboard is designed to enhance your bedroom with integrated LED lighting, a convenient charging station, and a practical storage shelf. Please read these instructions thoroughly before beginning assembly or operation to ensure safe and correct use.

## SAFETY INFORMATION

---

- Always handle components with care during assembly and relocation.
- Ensure proper and secure wall mounting or attachment to a bed frame to prevent accidents.
- Do not expose the headboard, especially electrical components, to water or other liquids.
- Verify that all electrical connections are secure and meet local safety standards.
- Keep children and pets away from small parts during assembly.

## PACKAGE CONTENTS

---

Please verify that all components are present before beginning assembly. Refer to the packing list included with your product for a complete and accurate inventory of parts.

- Headboard Frame (Metal)
- Storage Shelf (Wood)
- LED Light Strip with Controller
- Integrated Charging Station (2 AC Outlets, 2 USB Ports)
- Power Cord (6.5 FT)
- Bed Frame Adapters (2 units)
- Adjustable Feet

- Assembly Hardware (Screws, bolts, nuts, etc.)
- Assembly Tools (Hex key, wrench, etc.)

## SETUP AND ASSEMBLY

---

Assembly of the LAKEMID King Headboard is designed to be straightforward. All necessary tools and hardware are provided, and each part is labeled for easy identification. Follow the detailed installation instructions included in your product packaging for step-by-step guidance.

### Key Assembly Steps:

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Assemble the main metal frame sections according to the diagrams in your instruction manual.
3. Attach the wooden storage shelf to the top of the frame.
4. Install the LED light strip along the designated area of the headboard.
5. Integrate the charging station into the pre-drilled slot on the storage shelf and connect its power cord.
6. Attach the adjustable feet to the bottom of the headboard legs. Adjust them to ensure the headboard is level on your floor surface.
7. Connect the headboard to your bed frame using the provided bed frame adapters. These adapters are suitable for bed frames with various leg hole configurations (round holes, vertical slots, horizontal slots).

### OPERATING INSTRUCTIONS

---

#### LED Lighting System

The integrated LED lighting system offers extensive customization options to create your desired ambiance.

- **Color Selection:** Choose from over 60,000 colors using the dedicated mobile application.
- **Lighting Modes:** Multiple flashing modes are available to suit different preferences.
- **Music Sync Function:** The lights can change color and intensity in rhythm with sound and music.
- **Timer Function:** Set a timer for the lights to turn on or off automatically.
- **APP Control:** Download the specified application to control all LED functions, including color customization and fancy flash modes.

# PRODUCT SIZE

Image: A smartphone interface showing the application used to control the LED lights, featuring a color selection wheel and mode options.

## Charging Station

The headboard includes a built-in charging station for convenient power access.

- **Ports:** Features 2 standard AC outlets and 2 USB ports (Type-A and Type-C).
- **Power Cord:** A 6.5 FT power cord is provided to connect the charging station to a wall outlet.
- **Usage:** Ideal for charging mobile phones, tablets, headphones, power banks, and other electronic devices directly from your bedside.

# Headboard With Charging Station

  
**120V/12A**  
2 AC Outlets

  
**6.5FT**  
Power Cord

  
**5V/2A**  
USB Port+ Type-C Port

## Storage Rack

An open storage shelf is integrated into the headboard design.

- **Dimensions:** The shelf measures approximately 78 inches in length and 5.9 inches in width.
- **Functionality:** Provides ample space for storing small items such as phones, glasses, alarm clocks, books, and headphones, helping to maintain a tidy sleeping environment.

# Headboard With Storage Space

Image: The headboard's storage shelf displaying various items such as a smartphone, an alarm clock, and a small potted plant.

## Adjustable Height

The headboard features an adjustable height design to accommodate different mattress and bed frame heights, ensuring a comfortable and customized fit.

## Round Corners, More Safe

Image: A diagram showing the adjustable height mechanism of the headboard, indicating various height settings.

### MAINTENANCE

---

To ensure the longevity and appearance of your LAKEMID King Headboard, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the headboard surfaces with a dry, soft cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, which can damage the finish or electrical components.
- **Dusting:** Regularly dust the wooden shelf and metal frame to prevent buildup.
- **Electrical Components:** Ensure the charging station and LED lights remain dry. Do not attempt to clean electrical components with liquids.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary to maintain structural stability.

### TROUBLESHOOTING

---

If you encounter any issues with your LAKEMID King Headboard, refer to the following common troubleshooting steps:

### LED Lights Not Functioning:

- **Check Power:** Ensure the headboard's main power cord is securely plugged into a working wall outlet.
- **Controller Connection:** Verify that the LED light strip is properly connected to its controller.
- **App Connection:** If using the mobile app, ensure your device's Bluetooth is enabled and correctly paired with the LED controller. Try restarting the app.
- **Light Strip Damage:** Inspect the LED strip for any visible damage or disconnections.

### Charging Station Not Providing Power:

- **Main Power:** Confirm the headboard's power cord is plugged in and the wall outlet is active.
- **Device Compatibility:** Ensure the device you are trying to charge is compatible with the charging station's output (120V/12A for AC, 5V/2A for USB).
- **Cable Integrity:** Test with a different charging cable to rule out a faulty cable.
- **Overload:** Avoid plugging in too many high-power devices simultaneously, which could trip a circuit.

### Headboard Instability:

- **Assembly Check:** Re-verify that all assembly hardware (screws, bolts) are securely tightened.
- **Adjustable Feet:** Ensure the adjustable feet are properly extended and leveled on the floor.
- **Bed Frame Connection:** Confirm the headboard is securely attached to your bed frame using the provided adapters.

If these steps do not resolve the issue, please contact LAKEMID customer support for further assistance.

## SPECIFICATIONS

Feature	Specification
Brand	LAKEMID
Model Number	HB001BR
Size	King
Product Dimensions	5.9"W x 43"H (Overall)
Storage Shelf Dimensions	78"L x 5.9"W
Item Weight	18.7 pounds
Color	Metal Frame (Rustic Brown)
Style	Modern
Special Feature	LED Light, Charging Station, Storage Rack, Adjustable Height
Mounting Type	Wall Mount / Bed Frame Attachment
Included Components	Headboard

Charging Station Output	2 AC Outlets (120V/12A), 2 USB Ports (5V/2A)
