2. SETUP INSTRUCTIONS

The YITAHOME folding table is designed for quick and easy setup. Follow these steps to prepare your table for use:

1. **Unfold the Table:** Place the folded table on a flat surface. Gently pull the two halves of the tabletop apart until the table is fully extended.
2. **Extend the Legs:** Flip the table over so the underside is facing up. Unfold each leg assembly outwards from the center of the table.
3. **Secure the Legs:** Each leg assembly features safety clips. Ensure these clips are fully engaged to lock the legs securely in place. This prevents accidental folding during use.
4. **Flip Upright:** Carefully flip the table upright onto its legs. Ensure all legs are stable and locked before placing any items on the tabletop.

3. OPERATING INSTRUCTIONS

Your YITAHOME folding table is designed for versatile use. Observe the following guidelines for optimal performance:

- **Placement:** The table is suitable for both indoor and outdoor environments, including patios, gardens, pool areas, and lawns. Ensure the surface is level to prevent instability.
- **Seating Capacity:** The 6ft table comfortably seats up to 8 adults, making it ideal for gatherings.
- **Weight Capacity:** The table has a maximum weight recommendation of 330 pounds (150 kg). Do not exceed this limit to ensure safety and prevent damage.
- **Even Weight Distribution:** Distribute weight evenly across the tabletop to maintain stability. Avoid concentrating heavy items in one area.

4. MAINTENANCE

Maintaining your YITAHOME folding table is simple, thanks to its weather-resistant design:

- **Cleaning:** The tabletop is coated with a weather-resistant resin surface. To clean, simply wipe with a damp cloth. For tougher stains, a mild soap solution can be used. Avoid abrasive cleaners or harsh chemicals that may damage the surface.
- **UV Resistance:** The tabletop is UV-resistant, helping to prevent fading and degradation from sun exposure during outdoor use.
- **Storage:** When not in use, fold the table for space-saving storage. Ensure the table is clean and dry before storing to prevent mildew or damage.

5. STORAGE

To fold and store your YITAHOME table:

1. **Release Leg Locks:** Carefully turn the table upside down. Locate the safety clips on each leg assembly and disengage them.
2. **Fold Legs:** Fold each leg assembly inwards towards the center of the table. Ensure they are fully collapsed and secured by the internal clips.
3. **Fold Tabletop:** Locate the safety mechanism at the center hinge of the tabletop. Press the release button to allow the tabletop to fold in half.
4. **Secure Handle:** Ensure the integrated carrying handle is accessible on the outside of the folded table.
5. **Transport/Store:** Use the integrated handle for easy transportation. Store the folded table in a dry, protected area.

6. TROUBLESHOOTING

If you encounter any issues with your YITAHOME folding table, consider the following common solutions:

- **Table is Wobbly:** Ensure all leg safety clips are fully engaged and locked into place. Check that the table is placed on a flat, even surface.
- **Difficulty Folding/Unfolding:** Verify that all leg locks are disengaged before attempting to fold the legs. For folding the tabletop, ensure the central safety mechanism is pressed. Do not force any components.
- **Stains on Tabletop:** For stubborn stains, use a mild household cleaner with a soft cloth. Avoid abrasive materials that could scratch the surface.
