# WOLTU EZS60ts-4 360° Swivel Dining Chairs (Set of 4) Instruction Manual

Model: EZS60ts-4

## 1. INTRODUCTION

Thank you for choosing WOLTU 360° Swivel Dining Chairs. This manual provides essential information for the safe and correct assembly, operation, and maintenance of your new chairs. Please read these instructions carefully before beginning assembly and retain them for future reference.

## 2. SAFETY INSTRUCTIONS

---

- Ensure all parts are present and undamaged before assembly. Do not use if any parts are missing or defective.
- Assemble the chairs on a soft, clean surface to prevent scratches.
- Tighten all screws firmly, but do not overtighten. Periodically check and re-tighten all fasteners to ensure stability.
- Do not stand on the chair or use it as a step stool.
- Maximum weight capacity: 150 kg (330 lbs). Do not exceed this limit.
- Keep children away from small parts during assembly.

## 3. PACKAGE CONTENTS

---

Verify that all components are included in your package. If any parts are missing or damaged, please contact WOLTU customer service.

- Chair Seats (4 units)
- Metal Leg Bases (4 units)
- Assembly Hardware Kit (screws, washers, Allen key)
- Instruction Manual (this document)

## 4. SETUP AND ASSEMBLY

Assembly is straightforward and can be completed with the provided tools. It is recommended to have two people for easier assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a soft, flat surface to prevent damage.
2. **Attach Seat to Base:** Align the pre-drilled holes on the bottom of the chair seat with the holes on the top plate of the metal leg base.
3. **Secure with Screws:** Insert the provided screws and washers into the aligned holes. Use the Allen key to tighten them securely. Ensure all screws are fully tightened to prevent wobbling.

4. **Check Stability:** Once assembled, gently test the chair's stability. If it wobbles, check that all screws are tightened evenly. The adjustable anti-slip pads on the feet can be used to compensate for uneven floors.

## 5. OPERATING INSTRUCTIONS

Your WOLTU dining chairs feature a 360° swivel function for enhanced flexibility and convenience.

- **Swivel Function:** The chair seat is designed to rotate freely 360 degrees on its base. Simply apply gentle pressure to turn the seat in any direction.
- **Stability During Rotation:** The robust metal base and adjustable anti-slip pads ensure stability even when swiveling.

Image 5.1: Demonstration of the 360° swivel feature.

## 6. MAINTENANCE

Proper care will extend the life and appearance of your chairs.

- **Cleaning:** For general cleaning, wipe the upholstered parts with a soft, damp cloth. For spills, blot immediately with a clean, dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Metal Parts:** Clean metal legs with a soft, dry cloth.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as necessary to maintain structural integrity.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading of the upholstery material.

## Velours Moelleux au Toucher

Velours doux et confortable

## Rembourrage en Mousse de Qualité

Rembourrage en éponge de haute qualité pour plus de douceur

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Chair wobbles	Loose screws; Uneven floor	Check and tighten all assembly screws. Adjust the anti-slip pads on the feet to level the chair.
Difficulty swiveling	Obstruction in swivel mechanism; Dirt/debris	Ensure no objects are obstructing the swivel mechanism. Clean any visible dirt or debris from the base.
Squeaking noise	Loose connections; Lack of lubrication	Tighten all screws. Apply a small amount of silicone-based lubricant to the swivel mechanism if accessible.

## 8. SPECIFICATIONS
