## Giantex GT11532-NP

# Giantex 72-Inch Outdoor Bench Instruction Manual

Model: GT11532-NP

## INTRODUCTION

---

Thank you for choosing the Giantex 72-inch Outdoor Bench. This manual provides essential information for the safe assembly, operation, maintenance, and troubleshooting of your new outdoor bench. Designed for comfort and durability, this bench features a weatherproof HDPE backrest and seat, supported by a heavy-duty metal frame, capable of accommodating up to 4 individuals with a weight capacity of 1100 lbs. Please read these instructions carefully before assembly and retain them for future reference.

## SAFETY INFORMATION

---

- Ensure all parts are present and undamaged before assembly. Do not proceed with assembly if any parts are missing or damaged.
- Assemble the bench on a soft, level surface to prevent scratching or damage.
- Tighten all bolts and screws securely, but do not overtighten. Periodically check and retighten fasteners as needed.
- Do not exceed the maximum weight capacity of 1100 lbs (approximately 4 adults).
- Keep children away from the assembly area. Small parts may pose a choking hazard.
- Place the bench on a stable, level surface to prevent tipping.
- Avoid placing the bench near open flames or extreme heat sources.

## PACKAGE CONTENTS

---

Please verify that all components listed below are included in your package:

- 1 x Giantex 72-Inch Outdoor Bench (HDPE backrest and seat, metal frame components)
- 1 x Instruction Manual
- Hardware Pack (bolts, washers, nuts, and tools required for assembly)

## Product Dimensions

## SETUP AND ASSEMBLY INSTRUCTIONS

Assembly of the Giantex outdoor bench is designed to be straightforward. Detailed step-by-step instructions with diagrams are included in the separate instruction manual provided in your package. Please follow those instructions carefully. Below are general guidelines:

1. Unpack all components and lay them out on a clean, soft surface.
2. Identify all parts against the parts list in the included manual.
3. Attach the metal frame components using the provided hardware. Ensure all connections are aligned correctly

before tightening.

4. Secure the HDPE seat and backrest to the assembled metal frame.
5. Once fully assembled, gently place the bench in its desired location.
6. Verify that all fasteners are tight and the bench is stable before use.

## OPERATING INSTRUCTIONS

The Giantex outdoor bench is designed for comfortable seating in various outdoor environments such as gardens, patios, porches, and decks. To use your bench:

- Ensure the bench is placed on a flat, stable surface to prevent wobbling or tipping.
- The bench is designed to comfortably seat up to 4 adults. Distribute weight evenly across the seat.
- Avoid standing on the bench or using it as a step stool.
- Do not drag the bench across rough surfaces; lift it to move to prevent damage to the frame or foot pads.

## MAINTENANCE

---

Proper maintenance will extend the life and appearance of your Giantex outdoor bench. The HDPE material is designed for low maintenance and weather resistance.

- **Cleaning:** Wipe the bench surfaces with a dry cloth regularly to remove dust and light debris. For more stubborn dirt, use a damp cloth with mild soap and water, then rinse thoroughly and dry. Avoid harsh chemicals or abrasive cleaners.
- **Frame Care:** The metal frame is designed for outdoor use. Inspect it periodically for any signs of rust or damage. Touch up any scratches with appropriate outdoor metal paint to prevent rust.
- **Fasteners:** Periodically check all bolts and screws to ensure they remain tight. Retighten as necessary to maintain structural integrity and stability.
- **Winter Storage:** While the bench is weatherproof, storing it indoors or covering it during harsh winter conditions can further prolong its lifespan.

# Premium HDPE Material

Anti-fading

Weather-resistant

Easy-to-clean

## TROUBLESHOOTING

This section addresses common issues you might encounter with your outdoor bench.

Problem	Possible Cause	Solution
Bench is wobbly or unstable.	Loose fasteners; uneven ground.	Check and tighten all bolts and screws. Move the bench to a level surface.
Difficulty assembling parts.	Incorrect alignment; missing hardware.	Refer to the detailed assembly instructions. Ensure parts are oriented correctly. Verify all hardware is present.
Surface appears dirty or stained.	Accumulated dirt or environmental residue.	Clean with a damp cloth and mild soap. Rinse and dry thoroughly.

Problem	Possible Cause	Solution
Minor scratches on metal frame.	Normal wear and tear.	Apply outdoor-grade metal touch-up paint to prevent rust.

## SPECIFICATIONS

---

Feature	Detail
Model Number	GT11532-NP
Product Dimensions (L x W x H)	72" x 21" x 34"
Seat Height	17.5"
Seat Depth	14"
Material	High-Density Polyethylene (HDPE), Metal
Weight Capacity	1100 lbs
