

JVC SPSG2BT

JVC Gummy Portable Bluetooth 5.3 Speaker Instruction Manual

Model: SPSG2BT

INTRODUCTION

This manual provides essential instructions for the safe and efficient use of your JVC Gummy Portable Bluetooth 5.3 Speaker, model SPSG2BT. Please read this manual thoroughly before using the product and retain it for future reference.

Image: The JVC Gummy Portable Bluetooth Speaker, a compact cylindrical device in blue with a textured finish and a JVC logo on the side.

SAFETY INFORMATION

- Do not expose the speaker to extreme temperatures, direct sunlight, or open flames.
- Avoid dropping or subjecting the speaker to strong impacts.
- Do not disassemble, repair, or modify the unit. Contact authorized service personnel for any repairs.
- Keep the speaker away from water sources; although it is splash-resistant (IPX4), it is not fully waterproof.
- Use only the provided USB charging cable or a certified equivalent.
- Keep out of reach of children.

PACKAGE CONTENTS

Verify that all items are present in the package:

- JVC Gummy Portable Bluetooth Speaker (SPSG2BT)
- USB Charging Cable (USB-C)
- User Manual (this document)

SETUP

1. Charging the Speaker

Before first use, fully charge the speaker. Connect the supplied USB-C charging cable to the speaker's USB-C port and the other end to a USB power adapter (not included) or a computer's USB port.

- The LED indicator will show charging status.
- A full charge provides up to 16 hours of playtime.

2. Power On/Off

- To power on: Press and hold the Power button until the LED indicator lights up.
- To power off: Press and hold the Power button until the LED indicator turns off.

3. Bluetooth Pairing

1. Ensure the speaker is powered on and in pairing mode (LED indicator will flash).
2. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
3. Select "JVC SPSG2BT" from the list of devices.
4. Once paired, the LED indicator will stop flashing and remain solid.

WIRELESS SPEAKER

Superior Wireless Connectivity

Bluetooth® 5.3

A black JVC Gumy speaker is positioned on a light-colored wooden shelf. The shelf is part of a larger wooden structure with drawers and other shelves. In the background, there are some books and white ceramic bowls. Overlaid on the image are several concentric, semi-transparent circles emanating from the speaker, illustrating its wide wireless connectivity range.

Wide Connection Range (33ft)

Image: The JVC Gumy speaker positioned on a table, illustrating its wireless connectivity capabilities via Bluetooth 5.3 with a wide connection range of 33 feet.

4. Aux Input Connection

For devices without Bluetooth, connect an audio cable (not included) from your device's audio output to the speaker's AUX input port.

5. True Wireless Stereo (TWS) Pairing

To achieve stereo sound, you can pair two JVC Gumy SPSG2BT speakers together:

1. Ensure both speakers are powered on and not connected to any Bluetooth device.
2. On one speaker, press and hold the TWS pairing button (refer to speaker diagram for button location).
3. The speakers will automatically search and pair with each other.
4. Once paired, connect your device to one of the speakers via Bluetooth as described in step 3.

OPERATING INSTRUCTIONS

1. Music Playback

- **Play/Pause:** Press the Play/Pause button once.
- **Volume Up/Down:** Press the Volume + or Volume - buttons.
- **Next Track:** Press and hold the Volume + button.
- **Previous Track:** Press and hold the Volume - button.

2. Call Handling

The speaker features a built-in microphone for hands-free calls.

- **Answer Call:** Press the Play/Pause button once when a call comes in.
- **End Call:** Press the Play/Pause button once during a call.
- **Reject Call:** Press and hold the Play/Pause button when a call comes in.

3. Voice Assistant Activation

Press the Voice Assistant button (often the Play/Pause button, refer to speaker diagram) once to activate your device's voice assistant (e.g., Siri, Google Assistant).

MAINTENANCE

- **Cleaning:** Wipe the speaker with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight when not in use for extended periods.
- **Water Resistance:** The speaker has an IPX4 rating, meaning it is resistant to splashes of water from any direction. Do not submerge the speaker in water or expose it to strong jets of water. Ensure the charging port cover is securely closed to maintain splash resistance.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Speaker does not power on.	Low battery.	Charge the speaker using the provided USB-C cable.
Cannot pair via Bluetooth.	Speaker is not in pairing mode; device Bluetooth is off; too far from device.	Ensure speaker is in pairing mode (flashing LED). Turn Bluetooth on your device. Move speaker closer to device (within 33 feet).
No sound.	Volume too low; incorrect input source; device not playing.	Increase speaker and device volume. Ensure correct input (Bluetooth or AUX). Check if music is playing on your device.
Poor sound quality.	Interference; speaker too far from device.	Move speaker closer to the device. Avoid obstacles between speaker and device.
TWS pairing fails.	Speakers already paired to another device; too far apart.	Ensure both speakers are disconnected from other devices. Place speakers close to each other during TWS pairing.
