MUSIC BOXING MACHINE

Boxing targets provide children with the opportunity to exercise anytime, anywhere, encourage physical activity, promote healthy living, and help keep children active and engaged indoors.

An adult engaging in a boxing training session using the machine.

A child actively participating in a boxing training session with the machine.

3. SETUP

3.1 Mounting Instructions

1. Choose a suitable wall location for mounting the boxing machine. Ensure the surface is clean and sturdy.
2. Use the provided wall stickers or hook-and-loop straps to securely attach the machine to the wall. Ensure it is firmly fixed to prevent movement during use.

3.2 Initial Charging

- Before first use, fully charge the device using the provided charging cable.
- Connect the charging cable to the machine's charging port and a suitable USB power source.
- The charging indicator will show the charging status.

4. OPERATING INSTRUCTIONS

4.1 Power On/Off

- To power on the device, **long press** the power button. The lights will illuminate, and music will begin to play.
- To power off, **long press** the power button again.

4.2 Basic Operation

- The device features lights that indicate targets. Begin by hitting the illuminated targets.
- The speed of the target lights will automatically increase based on your performance. For example, 20 correct hits in a row within 3 seconds will reduce the time by 0.5 seconds.
- The display screen shows:
 - **COUNT:** Total number of hits.
 - **ACCURACY:** Your hitting accuracy (calculated from the first hit).
 - **TIME:** Elapsed training time.
- The device automatically changes speed levels. The fastest level (Level 6) will have a target time of 0.5 seconds per hit.

4.3 Bluetooth Connection

- Ensure the boxing machine is powered on.
- On your mobile device, enable Bluetooth and search for available devices.
- Select the
