## MAINTENANCE

---

To ensure the longevity of your building set, follow these maintenance guidelines:

- **Cleaning:** Wipe the blocks with a soft, dry cloth. For stubborn dirt, use a slightly damp cloth with mild soap, then dry thoroughly. Do not immerse in water.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent material degradation and color fading. Keep all pieces together to avoid loss.
- **Inspection:** Periodically inspect all connections and parts for wear or damage. Replace any broken parts if possible, or discontinue use if structural integrity is compromised.

## TROUBLESHOOTING

---

If you encounter any issues with your CUBIMANA Roller Coaster Building Set, consider the following:

- **Missing Parts:** Double-check the packaging and assembly area. If parts are genuinely missing, contact customer support.
- **Blocks Not Fitting:** Ensure you are using the correct blocks for each step as indicated in the instruction

manual. Apply gentle, even pressure when connecting blocks. Do not force pieces together.

- **Roller Coaster Car Not Sliding Smoothly:** Verify that all track sections are correctly aligned and securely connected. Check for any obstructions on the track.
