## ACCOHOHO B0D496KSB1

# ACCOHOHO Farmhouse 5-Drawer Dresser Instruction Manual

Model: B0D496KSB1

## INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your ACCOHOHO Farmhouse 5-Drawer Dresser. Please read all instructions carefully before beginning assembly and retain this manual for future reference. This dresser is designed to offer efficient and stylish storage for your bedroom, living room, hallway, or entryway.

## **SAFETY INFORMATION**

---

To ensure safe use and prevent accidents, especially with children, this dresser includes an anti-tipping design. It is crucial to install the anti-tipping device as instructed during assembly. Always place heavier items in the lower drawers to maintain stability.

### PACKAGE CONTENTS

Upon opening the package, you will find various wooden panels, hardware (screws, cams, dowels, drawer slides, handles), and an instruction manual. Please verify all parts are present and undamaged before proceeding with assembly. The package is heavy and may require two people to lift and unpack.

### ASSEMBLY INSTRUCTIONS

Assembly is estimated to take approximately 60 minutes. All screws and parts are clearly labeled. Follow the step-by-step illustrations provided in the included manual. While a powered driver can speed up the process, exercise caution not to overtighten screws to prevent damage. The drawers are assembled using a repetitive process.

## OPERATING INSTRUCTIONS

---

The dresser features 5 smooth-gliding drawers designed for easy opening and closing. Each drawer is spacious, capable of holding approximately 25-30 t-shirts or 20-25 pairs of jeans. The tabletop is thickened to withstand greater weight, and the overall structure is built for stability.

- **Drawer Operation:** Gently pull and push the widened metal matte handles to operate the drawers.
- **Storage Capacity:** Utilize the deep drawers for organizing clothing, bedding, or other personal items.
- **Top Surface Use:** The thickened tabletop can support up to 180 lbs, suitable for displaying decorative items or small appliances.

## Large Storage Capacity

## MAINTENANCE

---

To maintain the appearance and longevity of your dresser, wipe surfaces with a damp cloth as needed. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish. Ensure liquids are promptly wiped away to prevent staining or warping.

## TROUBLESHOOTING

---

- **Drawers sticking:** Ensure all drawer slides are properly aligned and lubricated. Check that no items are obstructing the drawer's path.
- **Wobbling/Instability:** Verify that all assembly hardware is securely tightened. Ensure the dresser is placed on a level surface. Re-check the installation of the anti-tipping device.
- **Missing or Damaged Parts:** Refer to the 'Warranty and Support' section for assistance.
