# Maupvit Shoe Storage Cabinet with 3 Flip Drawers Instruction Manual

## 1. PRODUCT OVERVIEW

The Maupvit Shoe Storage Cabinet is a freestanding organizer designed for entryways, hallways, living rooms, or porches. It features three flip drawers for efficient shoe storage and a space-saving design. The cabinet is constructed from high-quality MDF wood with stable metal legs, ensuring durability and support. Its beige finish and minimalist design complement various home styles.

Key features include:

- **Three Flip Drawers:** Each drawer contains two layers of storage space.
- **Adjustable Partitions:** Internal panels can be adjusted or removed to accommodate various shoe heights, from flats to mid-boots or heels.
- **Top Fence:** A protective fence on the cabinet top prevents items like potted plants, ornaments, or keys from falling.
- **Metal Handles:** Black metal handles provide a comfortable grip and contribute to the cabinet's elegant design.
- **Metal Support Legs:** High-strength metal legs ensure stability and prevent floor scratches.
- **Anti-Tipping Device:** Included for secure wall mounting to enhance safety.

## 2. SETUP AND ASSEMBLY

Assembly of the Maupvit Shoe Storage Cabinet requires careful attention to the provided instructions. It is recommended to have two people for a smoother assembly process, as some steps may require holding pieces in place while securing screws.

### 2.1 Safety Precautions: Anti-Tipping Device

To ensure the safety of children and prevent accidental tipping, it is crucial to secure the cabinet to a wall using the included anti-tipping device. Follow these steps:

1. Identify the designated mounting points on the back of the cabinet.
2. Position the cabinet in its desired location.
3. Mark the corresponding points on the wall for drilling.
4. Drill pilot holes in the wall and insert appropriate wall anchors (if necessary, depending on wall material).
5. Attach the anti-tipping device to the cabinet and then securely fasten it to the wall using the provided screws.

### 3. OPERATING INSTRUCTIONS

---

#### 3.1 Using the Flip Drawers

The cabinet features three flip drawers designed for easy access and space efficiency. To open a drawer, gently pull the metal handle outwards. The drawer will tilt forward, revealing two layers of shoe storage. To close, push the drawer back into the cabinet until it is flush with the front panel.

#### 3.2 Adjusting Storage Space

Each flip drawer contains internal partitions that can be adjusted or removed to accommodate different shoe sizes and types. This flexibility allows for efficient storage of flats, sneakers, mid-boots, or heels.

- **Adjusting Partitions:** The panels can be moved between two grooves within each drawer to create more or less vertical space.
- **Removing Partitions:** For taller items or to create a single large storage compartment, the partitions can be completely removed.

The bottom drawer is designed to be extra tall, providing additional space for larger shoes or items.

### 4. MAINTENANCE

---

Regular cleaning and proper care will help maintain the appearance and longevity of your Maupvit Shoe Storage Cabinet.

- **Cleaning Surfaces:** The cabinet's surfaces, including the MDF wood and metal legs, can be easily cleaned with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these may damage the finish.

- **Dusting:** Regularly dust the cabinet to prevent buildup.
- **Spills:** Wipe up any spills immediately to prevent staining or damage to the wood material.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Tighten if necessary.

## 5. TROUBLESHOOTING

If you encounter any issues with your shoe storage cabinet, consider the following troubleshooting steps:

- **Drawers Not Closing Smoothly:** Check for any obstructions inside the drawer or along the mechanism. Ensure shoes are not overfilling the compartments. Verify that the drawer mechanism was assembled correctly.
- **Cabinet Instability:** Confirm that the anti-tipping device is securely installed and fastened to the wall. Ensure the cabinet is placed on a level surface. Check that all assembly screws are tightened.
- **Damaged Parts:** If any parts were damaged during shipping or assembly, refer to the warranty and support section for assistance.

## 6. SPECIFICATIONS

<b>Brand</b>	Maupvit
<b>Model</b>	B0D49CNF95
<b>Colour</b>	Beige
<b>Material</b>	MDF Wood, Metal
<b>Product Dimensions (L x W x H)</b>	24D x 80W x 131H Centimetres (approximately 9.4D x 31.5W x 51.6H inches)
<b>Special Feature</b>	Lockable (referring to the secure closing mechanism of the drawers)
<b>Mounting Type</b>	Floor Mount (with wall anchor for safety)
<b>Style</b>	3-Drawers
