

Dyonery CH12SPK&200F

Dyonery Split King Adjustable Bed Frame with 12-inch Gel Memory Foam Mattress

Model: CH12SPK&200F

INTRODUCTION

Welcome to the Dyonery Split King Adjustable Bed Frame with 12-inch Gel Memory Foam Mattress user manual. This guide provides essential information for the setup, operation, maintenance, and troubleshooting of your new adjustable bed system. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

KEY FEATURES

- **Adjustable Head & Foot Incline:** Independently control head incline up to 57° and foot incline up to 38° for personalized comfort.
- **Wireless Remote & Zero Gravity:** Features a user-friendly wireless remote with a flashlight function, including one-touch Zero Gravity and Flat positions.
- **Gel-Infused Charcoal Memory Foam Mattress:** A 12-inch mattress designed for pressure relief and temperature regulation, featuring ultra-Gel infused memory foam and high-density base support foam.
- **CertiPUR-US & Oeko-Tex Standard 100 Certified:** Mattresses are certified free from harmful substances, meeting mandatory and voluntary safety standards.
- **Durable Construction:** Built with a durable steel frame and ultra-quiet motor for reliable performance.

SETUP INSTRUCTIONS

The Dyonery Adjustable Bed Frame is designed for quick and easy assembly. Follow these steps for a seamless setup:

1. **Unbox:** Carefully remove all components from the packaging.
2. **Unfold the Frame:** Place the folded bed frame in your desired location and carefully unfold it.
3. **Assemble the Legs:** Screw the provided legs into the designated slots on the bed frame. Ensure they are securely tightened.
4. **Place the Mattress:** Position the 12-inch Gel Memory Foam Mattress onto the assembled adjustable bed frame.
5. **Connect Power:** Plug the power cord into a suitable electrical outlet.

5 MINUTES QUICK ASSEMBLY

① Unboxed

② Unfold the frame

③ Assemble the legs

④ Put the mattress on

OPERATING INSTRUCTIONS

Your Dyonery Adjustable Bed Frame is operated using a wireless remote control. Familiarize yourself with the remote's functions to customize your comfort.

Wireless Remote Control

The wireless remote allows for easy adjustment of the bed's positions. It also includes a built-in flashlight for convenience in low-light conditions.

WIRELESS REMOTE

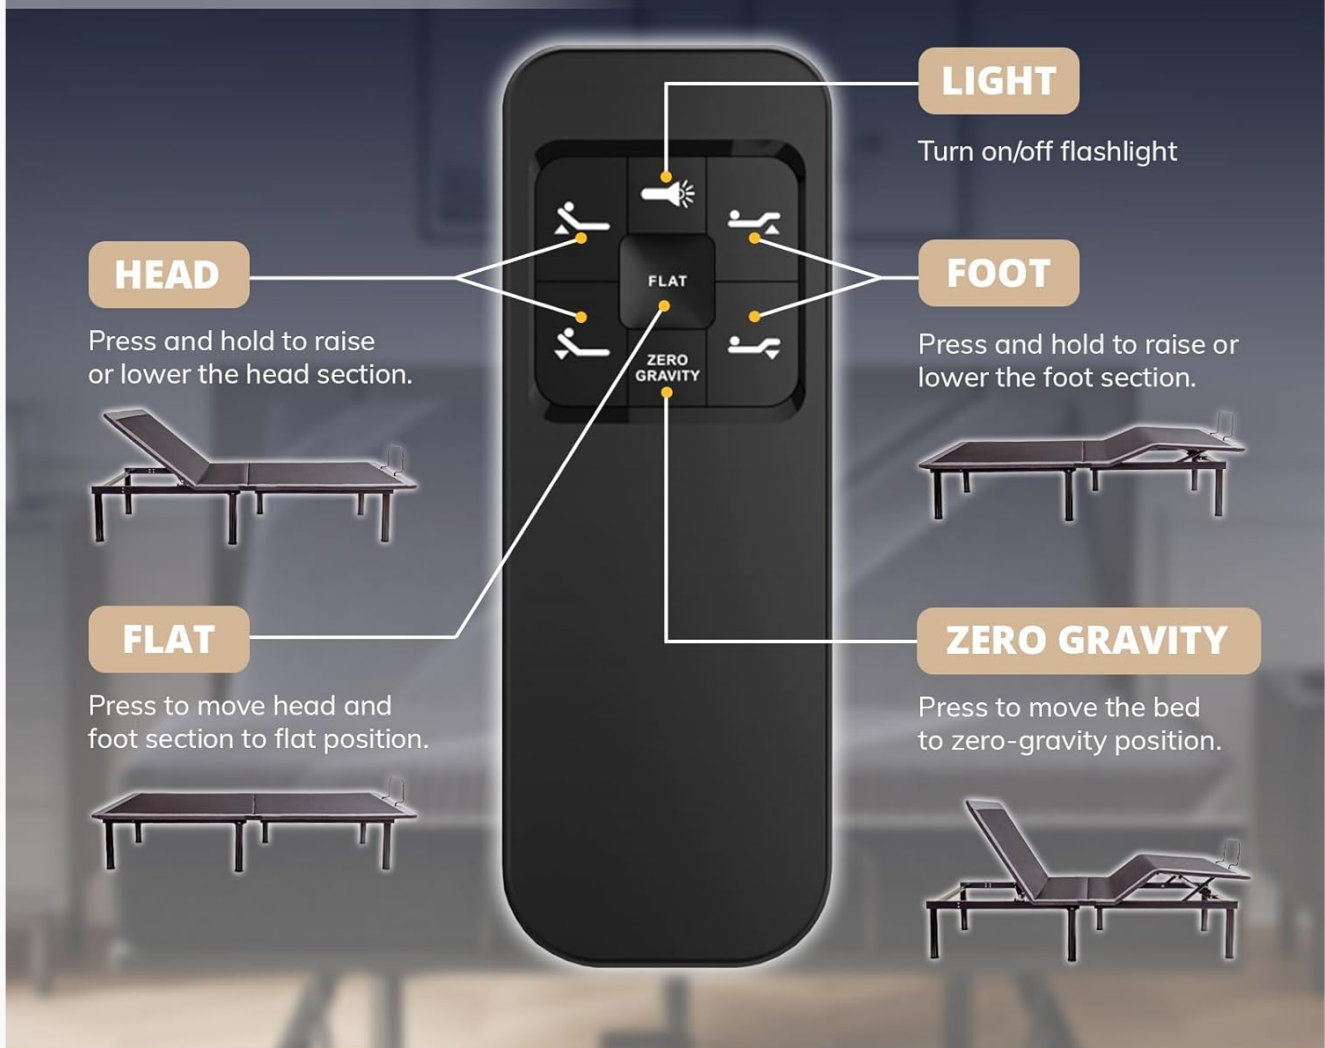

Figure 5: Wireless Remote Control Functions.

Adjustable Modes

- **Head Adjustment:** Use the 'Head Up' and 'Head Down' buttons to raise or lower the head section (up to 57°). Ideal for reading, watching TV, or reducing snoring.
- **Foot Adjustment:** Use the 'Foot Up' and 'Foot Down' buttons to raise or lower the foot section (up to 38°). This can help improve circulation and relieve leg fatigue.
- **Flat Position:** Press the 'Flat' button to return the bed to a completely flat sleeping surface.
- **Zero Gravity Position:** Press the 'Zero Gravity' button for a preset position that elevates your head and feet, mimicking the feeling of weightlessness. This position can alleviate pressure, reduce snoring, and enhance sleep quality.
- **Memory Function:** Some remotes may feature memory buttons to save your favorite positions for quick recall.

LUXURY MATTRESS

- 1 Jacquard Fabric Cover**
Soft, breathable and skin-friendly.
- 2 Charcoal Aerofusion Memory Foam**
Promotes pressure relief and odor reduction.
- 3 Liquid Gel Flex Foam**
Adds coolness.
- 4 Flex Support Base Foam**
Provides enough support to keep the spine aligned.

MAINTENANCE

To ensure the longevity and optimal performance of your Dyonery Adjustable Bed Frame and Mattress, follow these maintenance guidelines:

- **Mattress Care:** The mattress cover is designed for dry clean only. Do not machine wash or tumble dry.
- **Frame Cleaning:** Wipe the bed frame with a damp cloth and mild detergent. Avoid harsh chemicals.
- **Regular Inspection:** Periodically check all bolts and connections to ensure they are secure.
- **Motor Care:** The motor is designed to be maintenance-free. Do not attempt to open or service the motor unit.

TROUBLESHOOTING

If you encounter any issues with your adjustable bed, please refer to the following common troubleshooting tips:

- **No Power:** Ensure the power cord is securely plugged into a working electrical outlet. Check the circuit breaker.
- **Remote Not Responding:** Replace the batteries in the wireless remote. Ensure there are no obstructions between the remote and the bed frame's receiver.
- **Bed Not Adjusting:** Check for any objects obstructing the movement of the bed frame. Ensure the bed is not overloaded beyond its maximum weight capacity.

- **Unusual Noises:** Verify that all legs and frame components are securely tightened. If unusual noises persist, contact customer support.

For issues not resolved by these steps, please contact Dyonery Customer Support.
