1. INTRODUCTION

Thank you for choosing the Lufeiya Gaming Desk with LED Lights and Power Outlets. This manual provides essential information for the safe assembly, operation, and maintenance of your new desk. Please read it thoroughly before use and retain it for future reference.

Image 1.1: The Lufeiya Gaming Desk, featuring LED lights, a monitor stand, and integrated storage solutions.

2. SAFETY INFORMATION

To ensure safe operation and prevent damage, please observe the following safety guidelines:

- Always assemble the desk on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use.
- Do not overload the desk or shelves beyond their weight capacity.
- Keep liquids away from the power outlets and LED light strips to prevent electrical hazards.
- Do not attempt to modify the electrical components (power strip, LED lights).
- Keep small parts away from children during assembly.
- Use only the provided power cord and adapter for the integrated power strip.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer service.

- Desk Main Frame (Metal)
- Desktop Panels (FSC-Certified Wood)
- Monitor Stand
- 3 Fabric Drawers
- 4 Storage Shelves
- Built-in Power Strip with 3 Outlets & 2 USB Ports
- RGB LED Light Strip
- Side Storage Bag
- 2 Iron Hooks
- Assembly Hardware (Screws, Allen Wrench, etc.)
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward. A detailed instruction manual and all necessary tools are provided. No additional tools are required.

4.1. Preparation

1. Unpack all components and lay them out on a clean, soft surface to prevent damage.
2. Identify all parts against the package contents list.
3. Familiarize yourself with the hardware and assembly diagrams in the included manual.

4.2. Step-by-Step Assembly

Follow the numbered steps in the provided printed instruction manual. Key steps include:

- Assembling the metal frame.
- Attaching the desktop panels.
- Installing the monitor stand.
- Securing the storage shelves. Note that shelves can be installed at two different heights to customize storage space.
- Inserting the fabric drawers into their designated slots.
- Attaching the side storage bag and iron hooks.
- Mounting the built-in power strip and LED light strip.

4.3. Final Adjustments

- Once assembled, ensure all connections are tight and the desk is stable.
- Adjust the **adjustable leg pads** to level the desk on uneven ground, preventing wobbling.

5. OPERATING INSTRUCTIONS

5.1. Integrated Power Strip

The desk features a built-in power strip for convenient device charging and power supply.

- Connect the desk's power cord to a standard wall outlet.
- Utilize the **3 power outlets** for your computer, monitor, or other electronic devices.
- Use the **2 USB charging ports** (5V/2A) to charge your phone, tablet, or other USB-powered accessories.

5.2. RGB LED Lights

Enhance your workspace or gaming setup with the integrated RGB LED light strip.

- The LED lights offer **7 adjustable colors**, **4 dynamic modes** (Flash, Fade, Strobe, Smooth), and **16 static types**.
- Control the lights using the provided remote control. Point the remote directly at the LED receiver for optimal response.

5.3. Storage Features

The desk is designed with ample storage to keep your area organized.

- **3 Fabric Drawers:** Utilize these spacious drawers for stationery, wallets, files, and other personal items.
- **4 Storage Shelves:** The shelves on either side provide additional space for books, gaming consoles, or decorative items. Their height can be adjusted during assembly.
- **Side Storage Bag:** Perfect for holding magazines, notebooks, or small electronics, keeping them within easy reach.
- **2 Iron Hooks:** Attach headphones, bags, or other accessories to these hooks for convenient storage.

5.4. Monitor Stand

The elevated monitor stand is designed to accommodate one or two monitors, promoting better posture and reducing neck strain by keeping your screen at eye-level.

6. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Spills:** Immediately wipe up any spills to prevent water damage, especially near electrical components. The desk surface is designed to be waterproof.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary.
- **Electrical Components:** Ensure the power strip and LED lights are free from dust and debris. Do not attempt to clean electrical components with liquid.

7. TROUBLESHOOTING

If you encounter issues with your Lufeiya Gaming Desk, refer to the following common problems and solutions:

- **LED Lights Not Working:**

    - Ensure the power cord is securely plugged into a wall outlet and the desk's power strip.
    - Check if the LED light strip is properly connected to its power source.
    - Verify that the remote control batteries are functional and the remote is pointed directly at the LED receiver.
    - If the light strip has detached, re-secure it using appropriate adhesive.

- **Power Outlets/USB Ports Not Functioning:**

    - Confirm the desk's main power cord is plugged into a live wall outlet.
    - Test the wall outlet with another device to ensure it is working.

- Check for any tripped circuit breakers in your home.
- **Desk Wobbles:**
  - Ensure all assembly screws are tightened.
  - Adjust the **adjustable leg pads** on the bottom of the desk legs to stabilize it on uneven floors.
- **Drawers Not Sliding Smoothly:**
  - Ensure the fabric drawers are correctly inserted into their slots.
  - Check for any obstructions within the drawer compartments.

If these solutions do not resolve the issue, please contact Lufeiya customer service for further assistance.
