## ELYKEN HSC01

# ELYKEN 4-Tier Corner Shower Caddy Instruction Manual

Model: HSC01

## 1. PRODUCT OVERVIEW

The ELYKEN 4-Tier Corner Shower Caddy is designed to provide organized storage in your bathroom. Constructed from premium stainless steel with a high-temperature baking paint process, it offers durability, rust resistance, and waterproof performance in humid environments. This freestanding unit features four spacious tiers, a detachable soap holder, and two removable hooks for additional storage convenience.

## 2. PARTS LIST

Before assembly, please ensure all components are present and undamaged. The package includes the following:

- 4 x Tiered Shelves
- Vertical Support Rods (sections for assembly)
- 1 x Detachable Soap Holder
- 2 x Removable Hooks
- 4 x Adjustable Feet
- Assembly Hardware (screws, connectors)
- Instruction Manual

### 3. SETUP AND ASSEMBLY

The ELYKEN Corner Shower Caddy is designed for quick and easy assembly without the need for drilling or special tools. Follow these steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the parts list.
2. **Assemble Vertical Rods:** Connect the vertical support rod sections as indicated in the included diagram, ensuring they are securely fastened.
3. **Attach Shelves:** Slide each of the four tiered shelves onto the vertical rods, positioning them at the desired height. Ensure the safety bars on each shelf face upwards.
4. **Install Adjustable Feet:** Screw the four adjustable feet into the bottom of the lowest shelf's support legs.
5. **Position Caddy:** Place the assembled caddy in your desired corner.
6. **Adjust for Stability:** Turn the adjustable feet to ensure the caddy is stable and level, especially on uneven floor surfaces.
7. **Attach Accessories:** Hook the detachable soap holder and the two removable hooks onto the side rails of any shelf as needed.

## 4. OPERATING AND USAGE

The ELYKEN Corner Shower Caddy is designed for convenient storage of various bathroom items.

- **Storage Capacity:** Each tier offers a generous 13.4 inches of height, accommodating large bottles of shampoo, body wash, and other toiletries. The overall dimensions are 9.6"D x 9.6"W x 44.3"H.
- **Secure Storage:** The side rails on each shelf prevent bottles and other items from slipping off and falling.
- **Accessory Use:** Utilize the detachable soap holder for bar soap and the two removable hooks for hanging razors, shower sponges, brushes, or towels.
- **Placement:** Ideal for placement in the corner of bathtubs and shower areas. Please verify dimensions for compatibility with smaller bathtubs.

## Hollow Design & Efficient Drainage

- Prevent water accumulation
- Keep the shelf dry
- Rustproof

## 5. MAINTENANCE

To ensure the longevity and appearance of your ELYKEN Corner Shower Caddy, follow these maintenance guidelines:

- **Cleaning:** Wipe the caddy with a dry cloth regularly to remove water spots and soap residue. For deeper cleaning, use a mild soap solution and rinse thoroughly, then dry completely.
- **Drainage:** The hollow design of the shelves promotes efficient drainage, preventing water accumulation and helping to keep the shelves dry and hygienic. Ensure drainage holes are not obstructed.
- **Rust Prevention:** The caddy features a rustproof metal construction with a high-temperature baking paint finish. While designed to resist rust, regular drying and avoiding prolonged standing water will further enhance its lifespan.

## 6. TROUBLESHOOTING

If you encounter any issues with your shower caddy, refer to the following common solutions:

- **Instability:** If the caddy wobbles, adjust the individual feet by screwing them in or out until all four feet make firm contact with the floor and the unit is stable.
- **Items Slipping:** Ensure items are placed within the confines of the safety bars on each shelf. Avoid overloading shelves beyond their capacity.
- **Water Accumulation:** Check that the drainage holes on the shelves are clear of debris. Regular cleaning can prevent blockages.
- **Rust Spots:** While rustproof, prolonged exposure to standing water or harsh chemicals can affect the finish. Clean any spots immediately with a mild cleaner and dry thoroughly.

### Important Safety Information:

- Always ensure the shelf is placed on a stable, even surface.
- Do not overload shelves, as this may cause them to tip over.
- Keep items within the weight limit specified by the manufacturer to prevent damage or injury.

## 7. SPECIFICATIONS

Feature	Detail
Brand	ELYKEN
Model Name	Corner Shower Caddy Stand
Model Number	HSC01
Color	Black
Number of Shelves	4
Product Dimensions	9.6"D x 9.6"W x 44.3"H
Item Weight	6.78 pounds (3.08 Kilograms)
Material	Stainless Steel (with high-temperature baking paint)
Special Features	Adjustable, Rust Proof, Space Saving, Efficient Drainage
Installation Type	Freestanding
Assembly Required	Yes
Product Care Instructions	Wipe with Dry Cloth
