EKO COR500-CASE

Eko CORE 500™ Digital Stethoscope Case User Manual

Model: COR500-CASE

1. INTRODUCTION

This user manual provides essential information for the proper use, care, and maintenance of your Eko CORE 500™ Digital Stethoscope Case. This case is specifically designed to protect your Eko CORE 500™ Digital Stethoscope (stethoscope sold separately) from physical damage, dust, and general wear during transport and storage.

Protect Your CORE 500™ Digital Stethoscope Wherever You Go

Stethoscope sold separately.

2. PRODUCT OVERVIEW

Key Features:

- Purpose-built stethoscope case offers maximum protection for your device from scratches, dust, and general wear between shifts.
- Form-fitting mold is custom built to hold the CORE 500 Digital Stethoscope securely (stethoscope sold separately).
- Durable outer shell with nylon covering, double zippers, and thick rubber easy-grip zip pulls ensure the case protects your device.
- Outer handle allows for convenient carrying between shifts.
- Interior mesh pocket provides extra storage for your charging cable and other items.

What's in the Box:

- Stethoscope case

Purpose-Built Protective Case

Safeguard your CORE 500™ Digital
Stethoscope with a durable,
professional case.

3. SETUP AND STETHOSCOPE PLACEMENT

To ensure optimal protection, correctly place your Eko CORE 500™ Digital Stethoscope within the case's custom-built mold.

1. **Open the Case:** Unzip the double zippers completely to open the case flat.
2. **Align the Stethoscope:** Carefully place your Eko CORE 500™ Digital Stethoscope into the designated form-fitting mold on one side of the case. Ensure the earpieces and tubing align perfectly with the contours of the mold.
3. **Utilize Mesh Pocket:** If needed, use the interior mesh pocket on the opposite side of the case to store small accessories such as charging cables or ear tips.
4. **Close the Case:** Gently close the two halves of the case and secure them by zipping up both zippers. Ensure no

parts of the stethoscope are caught in the zipper.

Secure Fit

- Inside pocket for extra storage
- Form-fitted for your stethoscope

Figure 6: The case features a secure, form-fitted interior and an inside pocket for accessories.

4. OPERATING INSTRUCTIONS

The Eko CORE 500™ Digital Stethoscope Case is designed for straightforward use to protect and transport your device.

- **Carrying:** Use the integrated outer handle for convenient and secure carrying of the case between locations.
- **Storage:** When not in use, store your Eko CORE 500™ Digital Stethoscope inside the case to protect it from dust, spills, and accidental impacts.
- **Access:** To access your stethoscope, simply unzip the case using the easy-grip zip pulls and remove the device from its mold.

5. MAINTENANCE AND CARE

Proper maintenance will extend the life and appearance of your stethoscope case.

- **Cleaning:** Wipe the exterior of the case with a soft, damp cloth. For stubborn spots, a mild soap solution can be used, followed by wiping with a clean, damp cloth. Allow to air dry completely.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these may damage the nylon covering or the case material.
- **Storage:** Store the case in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Zipper Care:** Periodically check the zippers for any debris and ensure they operate smoothly. Do not force the zippers if they snag.

6. TROUBLESHOOTING

If you encounter any issues with your Eko CORE 500™ Digital Stethoscope Case, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Case does not close properly.	Stethoscope not seated correctly in the mold, or items in mesh pocket are too bulky.	Ensure the stethoscope is fully seated in its custom mold. Remove any excessively bulky items from the mesh pocket.
Zippers are stiff or stuck.	Dirt/debris in zipper teeth, or lack of lubrication.	Clean zipper teeth with a small brush. Apply a small amount of zipper lubricant (e.g., beeswax or silicone spray) if necessary.
Case exterior appears dirty or stained.	Accumulated dirt or spills.	Refer to the "Maintenance and Care" section for cleaning instructions.

If the issue persists, please contact Eko Health, Inc. customer support for further assistance.

7. SPECIFICATIONS
