

Raid B0D464GH12

Raid Perimeter Protection Trigger Starter User Manual

Model: B0D464GH12

Brand: Raid

PRODUCT OVERVIEW

Raid Max Perimeter Protection is an insecticide designed to create a barrier against various insects. Its effective formula provides long-lasting protection, keeping German cockroaches out for up to 18 months on non-porous surfaces. This product is suitable for both indoor and outdoor use and targets a wide range of pests.

It effectively kills Ants, Fleas, Flies, Gnats, Roaches, Ticks, Silverfish, Crickets, Spiders, Mosquitoes, Centipedes, Firebrats, Small Flying Moths, Stink Bugs, Sowbugs, Ground Beetles, and Boxelder Bugs.

OPERATING INSTRUCTIONS

This product is designed for creating a barrier against pests. For optimal results, apply the spray directly to surfaces where insects are present or likely to enter.

Application Areas:

- **Indoors:** Apply along baseboards, under sinks, around pipes, and in other areas where insects may hide or enter.
- **Outdoors:** Spray around the perimeter of your home, including foundations, around doors, windows, and vents.
- **Crawl Spaces:** For comprehensive protection, apply in crawl spaces to deter pests.

The formula is clear, non-staining, and leaves no lingering odor or oily residue, ensuring a clean application.

MAINTENANCE AND REAPPLICATION

For continuous protection, reapply the product as needed, typically every 18 months for German cockroaches on non-porous surfaces. Regular inspection of treated areas is recommended to determine reapplication frequency based on pest activity.

** keeps killing American cockroaches and Argentine ants for up to 18 months on non-porous surfaces.

Image: A calendar with the number "18" prominently displayed, signifying "18 Months of Not Getting Bugged," emphasizing the long-lasting effect of the product.

TROUBLESHOOTING

If you observe continued pest activity after application, ensure that the product was applied thoroughly to all recommended areas. Check for any untreated entry points or harborage areas. For persistent issues, consider a second application or consult a pest control professional.

SAFETY INFORMATION

WARNING: Always read and follow all directions and precautions on the product label before use. Keep out of reach of children and pets. Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water. Do not apply to food preparation surfaces or areas where food is exposed. Store in a cool, dry place away from direct sunlight and heat.
