2024 Kia Sorento Owner's Manual

Your comprehensive guide to operating and maintaining your vehicle.

INTRODUCTION

This manual contains important information regarding the operation, maintenance, and safety of your 2024 Kia Sorento. Please read it thoroughly to ensure proper use and to maximize your vehicle's performance and longevity. Keep this manual in your vehicle for future reference.

Image: The front cover of the 2024 Kia Sorento Owner's Manual. The cover is white with '2024 Sorento Owner's Manual' printed in black text at the top left. A stylized black line runs across the middle, and the Kia logo with 'Movement that inspires' is at the bottom left.

SETUP

Before driving your Kia Sorento, familiarize yourself with its basic settings and adjustments.

- **Seat Adjustment:** Locate the levers or buttons on the side of the seat to adjust its position, height, and recline angle for optimal comfort and control.
- **Mirror Adjustment:** Use the control panel on the driver's door to adjust the side mirrors. The rearview mirror can be manually adjusted or may feature automatic dimming.
- **Steering Wheel Position:** Adjust the steering wheel's tilt and telescopic position using the lever located beneath the steering column. Ensure a comfortable grip and clear view of the instrument cluster.
- **Infotainment System Pairing:** Refer to the infotainment section to pair your mobile device via Bluetooth for hands-free communication and audio streaming.

OPERATING

Understanding the operational features of your Sorento is crucial for a safe and enjoyable driving experience.

1. **Starting the Engine:** Ensure the vehicle is in Park (P) or Neutral (N). Press the brake pedal and then press the Engine Start/Stop button.
2. **Gear Selection:** Use the shift-by-wire dial or lever to select your desired gear (P, R, N, D). Always apply the brake when shifting from Park.
3. **Driving Modes:** Your Sorento may offer various driving modes (e.g., Eco, Sport, Smart). Select the appropriate mode using the drive mode selector to optimize performance or fuel efficiency.
4. **Lighting Controls:** Familiarize yourself with the headlight, turn signal, and fog light controls, typically located on the left stalk behind the steering wheel.
5. **Wiper Controls:** The right stalk behind the steering wheel controls the front and rear wipers, including intermittent settings and washer fluid.

MAINTENANCE

Regular maintenance is essential for the longevity and safe operation of your vehicle. Adhere to the recommended service schedule.

- **Fluid Checks:** Regularly check engine oil, coolant, brake fluid, and windshield washer fluid levels. Refer to the manual for correct fluid types and fill points.
- **Tire Pressure:** Maintain correct tire pressure as specified on the driver's side door jamb label. Check pressure when tires are cold.
- **Tire Rotation:** Rotate tires according to the maintenance schedule to ensure even wear and extend tire life.
- **Brake Inspection:** Have your brakes inspected periodically for wear on pads, rotors, and fluid levels.
- **Scheduled Service:** Follow the detailed maintenance schedule provided in this manual for routine inspections and part replacements by an authorized Kia service center.

TROUBLESHOOTING

This section addresses common issues you might encounter and provides basic steps for resolution.

- **Warning Lights:** If a warning light illuminates on your dashboard, consult the instrument cluster section of this manual to understand its meaning and recommended action.
- **Engine Not Starting:** Check battery terminals for corrosion, ensure the vehicle is in Park, and verify sufficient fuel. If issues persist, contact roadside assistance.
- **Flat Tire:** Refer to the emergency tools section for instructions on how to use the tire repair kit or spare tire.
- **Infotainment System Malfunction:** Try restarting the vehicle. If the problem continues, consult the infotainment system section or contact your dealer.
