Beautyrest Black Series Three 15" Firm Full Mattress User Manual

Model: 700812411-1030

IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before using your new Beautyrest Black Series Three mattress. Retain this manual for future reference.

- Do not remove the mattress law tag. This tag contains important product information and is required for warranty claims.
- Ensure the mattress is placed on a suitable, supportive foundation (e.g., box spring, platform, adjustable base, or wooden slats with proper spacing) to maintain its integrity and warranty.
- Avoid placing the mattress near open flames or sources of ignition.
- Do not jump on the mattress, as this can damage the internal components and void the warranty.
- Keep the mattress dry. Exposure to liquids can damage materials and lead to mold or mildew.

PRODUCT OVERVIEW

The Beautyrest Black Series Three 15" Firm Full Mattress is engineered for advanced comfort and support. It incorporates several key technologies to enhance your sleep experience:

- **Triple-Stranded Pocketed Coil Technology:** Provides individualized support and minimizes motion transfer.
- **Advanced Temperature Management:** Features cooling yarn woven into the surface and Micro Diamond Memory Foam to dissipate heat.
- **Responsive Pressure Relief:** Utilizes Self-Response Latex and SurfaceTouch Gel Memory Foam to contour to your body's unique pressure points.

OPERATING AND USAGE

General Use

Your Beautyrest Black Series Three mattress is designed to provide a firm sleep surface with advanced support and comfort features. It is particularly well-suited for back and stomach sleepers due to its firm feel.

- **Firmness:** This mattress offers a firm feel, providing a solid and supportive sleep surface.
- **Support:** Triple-Stranded Pocketed Coil Technology delivers individualized support, adapting to your body's contours and reducing motion transfer.
- **Cooling:** The mattress incorporates cooling yarn and Micro Diamond Memory Foam to help regulate temperature and promote a cooler sleep environment.
- **Pressure Relief:** Layers of Self-Response Latex and SurfaceTouch Gel Memory Foam work together to relieve pressure points.

Extra Firm

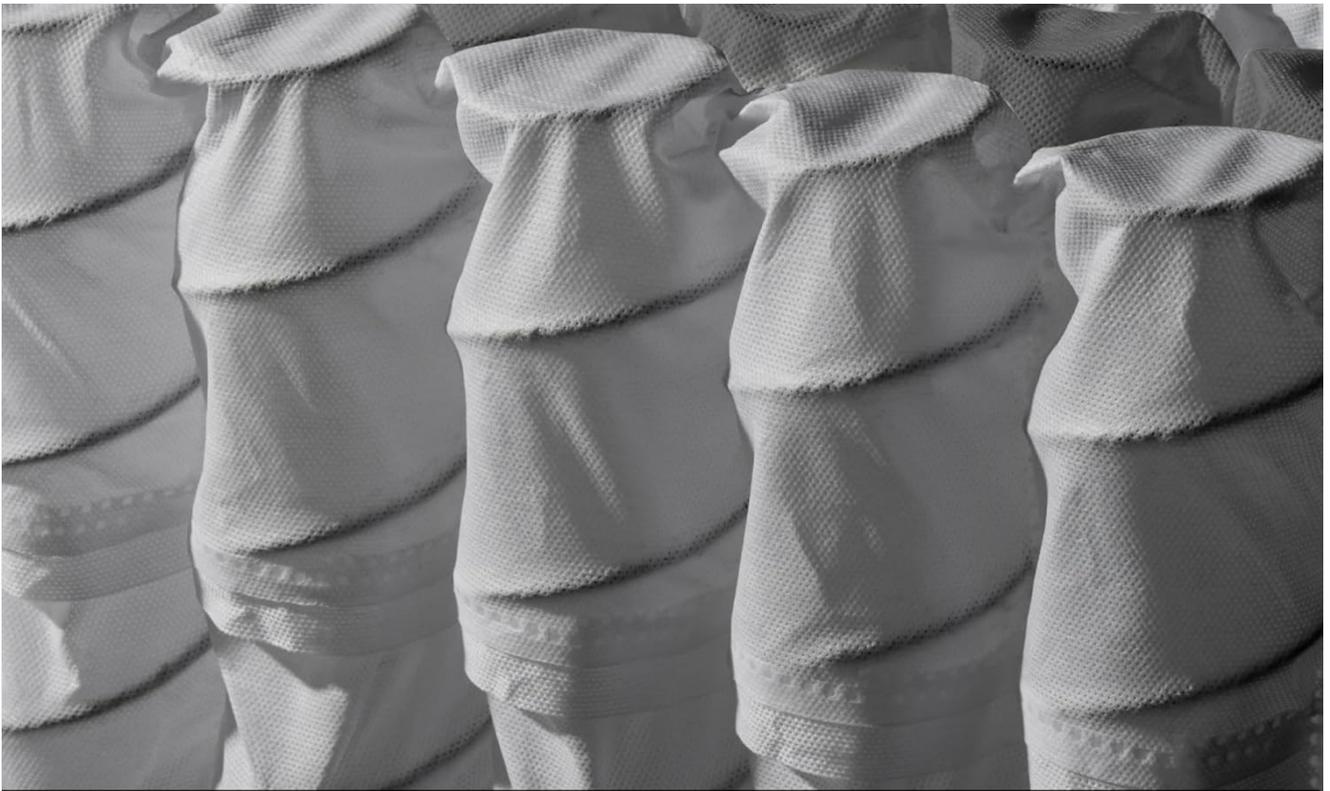

Ultra Plush

Firm

Designed for those who prefer a more solid sleep surface. This design offers essential comfort and a strong, supported feel. Well-suited for back and stomach sleepers.

MAINTENANCE AND CARE

Proper care will extend the life and performance of your Beautyrest Black Series Three mattress.

- **Mattress Protector:** We highly recommend using a mattress protector to shield your mattress from stains and spills. This is crucial for maintaining the overall health and lifespan of your mattress.
- **Avoid Liquids:** Do not apply liquids directly to the mattress. Liquids can stain the fabric and worsen soiled areas. Moisture or chemicals can cause premature breakdown of the foam and damage the product.
- **Spot Cleaning:** For soiled areas, apply baking soda, let it stand for approximately 15 minutes, then vacuum. Repeat as needed. Ensure the area is aired out as much as possible.
- **Rotation:** Rotate your mattress every 3-6 months to promote even wear and extend its lifespan.

TROUBLESHOOTING

If you encounter any issues with your mattress, consider the following common solutions:

- **New Mattress Odor:** A new mattress may have a slight odor upon unpacking. This is normal and will dissipate within a few days. Ensure good ventilation in the room.
- **Adjusting to Firmness:** It can take several weeks for your body to adjust to a new mattress, especially if it's a different firmness level than your previous one. Give your body time to adapt.
- **Body Impressions:** Slight body impressions are normal in quality mattresses as the comfort layers conform to your body. These are not considered structural defects unless they exceed a certain depth (refer to warranty for specifics). Regular rotation can help minimize this.
- **Squeaks or Noises:** If you hear squeaks, check your bed frame and foundation. Often, the noise originates from the bed frame rather than the mattress itself. Ensure all connections are tight.

SPECIFICATIONS

Feature	Detail
Product Dimensions	74.5"L x 53"W x 15"Th
Item Weight	121.4 pounds
Item Model Number	700812411-1030
Item Firmness Description	Firm
Top Style	Tight Top
Cover Material	Polyester/Polymide Blend
Number of Layers	9
Fill Material	Latex, Memory Foam, Pocketed Coils
Special Features	Breathable, Edge Support, Low Motion Transfer, Pressure Relief, Temperature Regulating
Certifications	CertiPUR-US Certified

WARRANTY INFORMATION

Your Beautyrest Black Series Three mattress is backed by a **10-Year Limited Warranty**. This warranty covers manufacturing defects and specific issues related to the mattress's construction and materials.

Additionally, this product may be eligible for a **100-Night Sleep Trial**. Please refer to the specific terms and conditions provided at the time of purchase or on the official Beautyrest website for full details regarding coverage, limitations, and how to make a claim for both the warranty and sleep trial.

Proper use and maintenance, as outlined in this manual, are essential to ensure your warranty remains valid.

CUSTOMER SUPPORT

For further assistance, questions, or to report an issue, please contact Beautyrest Customer Support. Have your model number (700812411-1030) and proof of purchase ready when contacting support.

You can typically find contact information on the manufacturer's website or on the product's law tag.
