5.1 Height Adjustment

The table and chairs are designed to be height-adjustable to accommodate growing children and various activities.

- **Table Height:** The table offers seven height settings, ranging from 18.9 inches to 23.6 inches. To adjust, loosen the screws on the table legs, slide the leg to the desired height, and re-tighten the screws securely.
- **Chair Height:** Each chair comes with three different height options: 10.2 inches, 11 inches, and 11.8 inches. Adjust the chair height by repositioning the leg extensions and securing them firmly.

- Children can use **watercolor pens** to doodle and draw directly on the tabletop.
- **Do NOT use oil pens, crayons, or colored pencils** on the tabletop, as these may stain the surface permanently.
- Cleaning is easy: simply wipe the surface down with a damp cloth after use.

6. MAINTENANCE

To ensure the longevity and cleanliness of your INFANS Kids Table and Chair Set, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the table and chairs with a damp cloth. For stubborn marks on the graffiti tabletop, a mild soap solution can be used, followed by wiping with a clean damp cloth. Avoid abrasive cleaners or harsh chemicals.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Storage:** When not in use for extended periods, store the set in a dry, cool place. The chairs can be stacked to save space.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or material degradation over time.

7. TROUBLESHOOTING

If you encounter any issues with your INFANS Kids Table and Chair Set, please refer to the following common solutions:

- **Wobbling Table/Chairs:**
 - Ensure all assembly screws are fully tightened.
 - Verify that the table and chairs are placed on a level surface.
 - Check if the adjustable leg extensions are securely locked into place at the desired height.
- **Difficulty Adjusting Height:**
 - Ensure screws are sufficiently loosened before attempting to slide the legs.
 - Check for any debris or obstruction within the adjustment mechanism.
- **Marks on Graffiti Tabletop:**
 - Only use watercolor pens. If other types of pens (oil, crayon, colored pencil) were used, they may cause permanent staining.
