## PACKAGE CONTENTS

The following items are included in your product package:

- 1 U Neckband Earphone
- 1 U Charging Cable (Type-C)
- 1 U QR Code Guide

## SETUP

### 1. Charging the Earphone

Before first use, fully charge the earphone. Use the provided Type-C charging cable to connect the earphone to a USB power source (e.g., computer USB port, wall adapter). The LED indicator will show the charging status.

- **Charging Time:** Approximately 1.5 hours.

## 2. Bluetooth Pairing

To connect your earphone to a Bluetooth-enabled device:

1. Ensure the earphone is charged and powered off.
2. Press and hold the multi-function button on the earphone until the LED indicator flashes red and blue, indicating it is in pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
4. Select "ZEB-ESCAPE 10" from the list of found devices.
5. Once connected, the LED indicator will flash blue slowly or turn off, depending on the model.

## OPERATING INSTRUCTIONS

### Power On/Off

- **Power On:** Press and hold the multi-function button until the LED indicator lights up.
- **Power Off:** Press and hold the multi-function button until the LED indicator turns off.

### Volume and Media Control

The earphone features integrated controls for managing audio playback and volume.

- **Volume Up:** Press the '+' button.
- **Volume Down:** Press the '-' button.
- **Play/Pause:** Press the multi-function button once.
- **Next Track:** Press and hold the '+' button.
- **Previous Track:** Press and hold the '-' button.

### Call Function

Manage calls directly from your earphone.

- **Answer Call:** Press the multi-function button once.
- **End Call:** Press the multi-function button once during a call.
- **Reject Call:** Press and hold the multi-function button.
- **Redial Last Number:** Double-press the multi-function button.

### Voice Assistant Support

Activate your device's voice assistant (e.g., Google Assistant, Siri) by triple-pressing the multi-function button.

### Magnetic Earpiece

The earpieces are magnetic, allowing them to securely attach to each other when not in use, preventing tangling and ensuring they stay in place around your neck.

## MAINTENANCE

To ensure the longevity and optimal performance of your ZEBRONICS Zeb-Escape 10 earphones, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the earphones. Do not use harsh chemicals or abrasive materials.
- **Storage:** Store the earphones in a cool, dry place away from direct sunlight and extreme temperatures.
- **Water Resistance:** The earphones are water resistant. Avoid submerging them in water or exposing them to heavy rain.
- **Charging:** Only use the provided charging cable or a certified Type-C cable. Avoid overcharging.

## TROUBLESHOOTING

If you encounter issues with your earphone, refer to the following common problems and solutions:

Problem	Possible Solution
---------	-------------------

Problem	Possible Solution
Earphone does not power on.	Ensure the earphone is fully charged.
Cannot pair with device.	Ensure the earphone is in pairing mode (flashing red/blue). Turn off and on Bluetooth on your device. Move closer to the earphone.
No sound or low volume.	Check volume levels on both the earphone and your connected device. Ensure the earphone is properly paired.
Call quality issues.	Ensure you are within Bluetooth range. Check for obstructions between the earphone and your device.
