Nathan James 37806-4

Nathan James Andrew Bohemian TV Stand or Kitchen Sideboard Credenza Instruction Manual

Model: 37806-4

INTRODUCTION

Thank you for choosing the Nathan James Andrew Bohemian TV Stand or Kitchen Sideboard Credenza. This versatile accent cabinet combines bohemian charm with modern design, featuring a light oak body, natural rattan panels, and matte black metal legs. Its spacious interior with adjustable shelves provides ample storage for various items, from dinnerware to media components. This manual provides essential information for assembly, usage, maintenance, and troubleshooting to ensure a long-lasting and satisfying experience with your new furniture.

SAFETY INFORMATION

Please read and understand all instructions before beginning assembly and use. Keep these instructions for future reference.

- Always assemble the product on a soft, clean surface to prevent scratches.
- Ensure all hardware is securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the stated weight limits for the top surface (100 lbs) and shelves (33 lbs per shelf).
- Keep small parts and packaging materials away from children and pets.
- Use caution when moving the assembled unit to prevent injury or damage. Lift, do not drag.
- If wall anchoring hardware is provided, it is highly recommended to secure the unit to a wall to prevent tipping, especially in homes with children or pets.

PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Cabinet Body Panels (Top, Bottom, Sides, Back)
- Rattan Accent Doors
- Adjustable Shelves
- Metal Legs and Support Frame
- Hardware Pack (screws, dowels, cam locks, hinges, handles, etc.)
- Assembly Tools (if included, e.g., Allen wrench)

SETUP (ASSEMBLY INSTRUCTIONS)

The Andrew cabinet is designed for easy assembly. Follow these general steps. Refer to the specific assembly diagram included in your package for detailed, step-by-step instructions and hardware identification.

1. **Prepare the Area:** Clear a spacious, flat, and clean area for assembly. Lay down the packaging material to protect the furniture surfaces.
2. **Attach Cam Locks and Dowels:** Insert cam locks and wooden dowels into the designated holes on the cabinet panels as per the diagram.
3. **Assemble Cabinet Frame:** Connect the side panels to the top and bottom panels using the cam locks and screws. Ensure all connections are snug.
4. **Install Back Panel:** Secure the back panel to the assembled cabinet frame.
5. **Attach Legs:** Securely attach the metal legs to the bottom of the cabinet using the provided hardware. The Andrew cabinet offers interchangeable leg options, allowing for multiple units to be placed side-by-side to create a multifunctional table.
6. **Install Hinges and Doors:** Attach the hinges to the cabinet doors and then mount the doors to the cabinet frame. Adjust hinges for proper door alignment.
7. **Insert Adjustable Shelves:** Place the shelf pins into the desired height holes inside the cabinet. Rest the adjustable shelves on the pins.
8. **Attach Handles:** Secure the matte black handles to the cabinet doors.
9. **Final Check:** Ensure all connections are tight and the cabinet is stable before placing items on or inside it.

• Frame

- ✓ Sturdy metal base
- ✓ Two leg/feet configurations
- ✓ Top weight capacity: 100 lbs
- ✓ Shelf weight capacity: 33 lbs

• Details

- ✓ Boho meets modern
- ✓ Natural rattan doors
- ✓ Matte black handles

OPERATING AND USAGE

The Andrew cabinet is designed for versatile use in various rooms, including dining rooms and living rooms. Its features enhance functionality and aesthetic appeal.

- **Adjustable Shelves:** The cabinet features 5 cubbies with adjustable shelves. To adjust, remove items from the shelf, lift the shelf, reposition the shelf pins to the desired height, and then place the shelf back on the pins. This allows customization for storing items of different sizes, such as dinnerware, books, decorative items, or gaming consoles.
- **Weight Capacity:** The top surface has a weight limit of 100 lbs, and each adjustable shelf has a weight limit of 33 lbs. Distribute weight evenly to maintain stability and prevent damage.
- **Interchangeable Leg Options:** The design allows for multiple Andrew units to be placed side-by-side, creating a longer, multifunctional console table or credenza.

MAINTENANCE

Proper care will help maintain the beauty and longevity of your Andrew cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or

polishes that may damage the finish or rattan.

- **Spills:** Immediately wipe up spills with a clean, dry cloth to prevent staining or water damage.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the wood and rattan.
- **Heat and Moisture:** Do not place hot items directly on the surface. Use coasters or protective pads. Avoid placing the unit in areas with excessive humidity.
- **Rattan Care:** The natural rattan panels can be gently dusted with a soft brush or vacuum cleaner with a brush attachment. Avoid excessive moisture on rattan.

TROUBLESHOOTING

If you encounter any issues with your Andrew cabinet, refer to the following common solutions:

- **Wobbly Unit:** Ensure all screws and cam locks are fully tightened. Check that the unit is on a level surface. Adjust leg levelers if present.
- **Doors Not Aligning:** Adjust the hinges on the cabinet doors. Most hinges allow for minor adjustments in height, depth, and side-to-side movement.
- **Scratches/Minor Damage:** For minor scratches on wood surfaces, a furniture repair marker or wax stick matching the finish color can be used.
- **Rattan Damage:** Due to the natural characteristics of rattan, minor variations or slight fraying may occur over time. Handle with care. Significant damage may require professional repair or replacement parts.

If problems persist, please contact Nathan James customer support.
