Lawyettle XG7008O-3BK

Lawyettle XG7008O-3BK Dusk to Dawn Outdoor Wall Light Instruction Manual

Model: XG7008O-3BK | Brand: Lawyettle

INTRODUCTION

This manual provides detailed instructions for the installation, operation, and maintenance of your Lawyettle XG7008O-3BK Dusk to Dawn Outdoor Wall Light. Please read these instructions carefully before installation and retain them for future reference. This outdoor light fixture is designed to provide reliable and efficient illumination for your home's exterior, featuring an automatic dusk to dawn sensor and durable, weather-resistant construction.

SAFETY INFORMATION

- Always turn off the power at the main circuit breaker before beginning any electrical work.
- Consult a qualified electrician if you are unsure about the installation process.
- Ensure all wiring connections are secure and comply with local electrical codes.
- Do not exceed the maximum wattage specified for the bulbs.
- Handle glass components with care to prevent breakage.

WHAT'S IN THE BOX

Carefully unpack all components and check for any damage. If any parts are missing or damaged, please contact customer support.

- Outdoor Wall Light Fixture (Model XG7008O-3BK)
- Mounting Hardware

- Instruction Manual

Note: Bulbs are not included and must be purchased separately. The fixture requires 3 E12 base bulbs, up to 25W each.

SETUP AND INSTALLATION

Follow these steps to properly install your outdoor wall light. Ensure power is off at the circuit breaker before starting.

1. **Prepare the Mounting Surface:** Ensure the electrical box is securely mounted and the wiring is accessible.
2. **Install the Mounting Bracket:** Attach the provided mounting bracket to the electrical box using the screws.
3. **Wiring Connections:** Connect the fixture's wires to your household wiring. Match black to black (live), white to white (neutral), and green or bare copper to ground. Secure connections with wire nuts.
4. **Mount the Fixture:** Carefully align the fixture with the mounting bracket and secure it using the provided screws.
5. **Install Bulbs:** Insert three E12 base bulbs (not included) into the sockets. Do not overtighten.
6. **Secure Glass Panels:** The fixture features an open bottom design for easy bulb replacement. Ensure any removable glass panels are securely in place if applicable.

OPERATING INSTRUCTIONS

The Lawyettle XG7008O-3BK features an integrated dusk to dawn sensor for automatic operation.

- **Automatic On/Off:** The advanced photocell sensor detects ambient light levels. The fixture will automatically turn on when it gets dark and turn off when daylight is detected.
- **Sensor Placement:** Ensure the sensor is not obstructed by objects or direct artificial light sources (e.g., other bright lights, streetlights) as this may interfere with its operation.

MAINTENANCE

- **Cleaning:** To clean the fixture, turn off the power and wipe with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- **Bulb Replacement:** To replace bulbs, ensure power is off. The fixture features an open bottom design, allowing for easy access to the E12 sockets. Carefully unscrew old bulbs and screw in new ones.
- **Weather Resistance:** The fixture is designed to be waterproof and weather-resistant. Periodically inspect for any signs of wear or damage to maintain its integrity.

TROUBLESHOOTING

- **Light does not turn on:**

- Check if the power is on at the circuit breaker.
- Ensure bulbs are correctly installed and not faulty.
- Verify wiring connections are secure.
- If it's daytime, the dusk to dawn sensor will keep the light off. Cover the sensor to test if it turns on.

- **Light stays on during the day:**

- Ensure the photocell sensor is not obstructed by dirt, debris, or covered by tape.
- Check for nearby artificial light sources that might be illuminating the sensor, causing it to register as daytime.

- **Light flickers:**

- Check for loose wiring connections.
- Ensure bulbs are fully screwed in and are compatible with the fixture.
