WHAT'S IN THE BOX

Verify that all items are present in the package:

- COLORROOM C5 Android 15 Tablet
- USB Cable (Type-C)
- User Manual
- Charger
- Tablet Case
- Mouse
- Stylus
- Screen Protector (pre-installed)

SETUP

1. Initial Power On and Charging

1. **Remove Protective Film:** Gently peel away the protective film from the screen, starting from a

corner.

2. **Power On:** Press and hold the power button located on the side of the tablet until the screen turns on.
3. **Initial Charge:** If the tablet does not power on, connect it to the charger using the provided USB Type-C cable and charge for at least 2 hours before attempting to power on again.
4. **Language Setup:** Wait 1-3 minutes during the initial startup for the language selection screen to appear. Follow the on-screen instructions to complete the setup.

2. Connecting Accessories

Your tablet comes with a case, mouse, and stylus for enhanced usability.

- **Tablet Case:** Carefully insert your tablet into the provided protective case. The case is designed to fit snugly and provide protection.
- **Bluetooth Mouse:** The wireless mouse requires AAA batteries (not included). Insert the batteries and follow the on-screen instructions to pair it via Bluetooth in the tablet's settings.
- **Bluetooth Keyboard:** Power on the keyboard and pair it with your tablet via Bluetooth in the tablet's settings. Refer to the keyboard's specific instructions for pairing details.
- **Stylus:** The stylus can be used directly on the touchscreen for precise input. No pairing is required for basic functionality.

Easy-to-attach keyboard & mouse for max productivity

MAINTENANCE

1. Battery Care

The 8000mAh large battery provides 8-10 hours of use on a full charge. The tablet supports 18W USB-PD fast charging (18W adapter sold separately) to minimize charging time. For optimal battery life, avoid extreme temperatures and fully discharging the battery frequently.

2. Software Updates

Regularly check for and install system updates to ensure your tablet has the latest features, security patches, and performance improvements. Navigate to *Settings > System > System updates* to check for available updates.

TROUBLESHOOTING

- **Tablet Not Powering On:** Ensure the tablet is sufficiently charged. Connect the charger and allow it to charge for at least 2 hours before attempting to power on again.
- **Slow Performance:** Close unused applications, clear cache, or consider performing a factory reset if performance issues persist.
- **Connectivity Issues:** Restart your Wi-Fi router and the tablet. Ensure Bluetooth accessories are fully charged and correctly paired.
