DAMINY FN1005A

DAMINY 20-inch Black Flush Mount Bladeless Ceiling Fan with Dimmable 6CCT LED Light and Remote (Model FN1005A) - Instruction Manual

Brand: DAMINY | Model: FN1005A

1. INTRODUCTION

Thank you for choosing the DAMINY 20-inch Black Flush Mount Bladeless Ceiling Fan. This manual provides essential information for the safe and efficient installation, operation, and maintenance of your new ceiling fan. Please read all instructions carefully before beginning installation and retain this manual for future reference.

Safety Information

- Always disconnect power at the circuit breaker before installation or servicing.
- Ensure all electrical connections comply with local codes and ordinances.
- If you are unsure about wiring, consult a qualified electrician.
- Do not use water or detergents to clean the fan or fan blades; a slightly damp cloth is suitable for cleaning.

2. PRODUCT OVERVIEW

The DAMINY 20-inch Flush Mount Bladeless Ceiling Fan combines modern aesthetics with advanced functionality. It features a low-profile design, integrated LED lighting with 6 CCT options and 10%-100% dimming, and a convenient remote control for independent fan and light operation. The fan offers 6 adjustable speeds, a sleep timer, and a reversible airflow function for year-round comfort.

Key Features:

- **Remote Control:** Intelligent control system for light brightness, color temperature, and wind speed.
- **6CCT & 10%-100% Dimmable:** Six color temperature modes (3000K-6000K) and adjustable brightness to suit

various environmental needs.

- **6 Wind Speeds & Timer:** Powerful airflow with 6 adjustable speeds and an 8-hour sleep timer for enhanced comfort.
- **Reverse and Memory Function:** Two airflow modes (downdraft for summer, updraft for winter) and memory for last-used light settings.
- **Bladeless Design:** Flush mount design with acrylic diamond rings for a stylish and elegant appearance.

3. SPECIFICATIONS

Specification	Value
Brand	DAMINY
Model Name	FN1005A
Color	Black
Electric Fan Design	Ceiling Fan
Power Source	AC Input DC Motor (noiseless)
Style	Flush Mount
Product Dimensions	19.7"D x 19.7"W x 5.94"H
Room Type	Bedroom, Dining Room, Living Room, Office
Recommended Uses	Indoor
Wattage	20 watts
Finish Type	Brushed
Number of Blades	5
Voltage	120 Volts
Item Weight	6.17 pounds
Included Components	Fan Blade included
Indoor/Outdoor Usage	Indoor
Control Method	Remote
Efficiency	130 lumens per watt
Number of Power Levels	6
Installation Type	Flush Mount
Assembly Required	Yes
Batteries Required	No
Mounting Type	Ceiling Mount

4. SETUP AND INSTALLATION

The DAMINY ceiling fan is designed for convenient installation, with most materials pre-installed. Detailed instructions and installation videos are provided to assist you in completing the setup quickly and easily.

5. OPERATING INSTRUCTIONS

Your DAMINY ceiling fan is equipped with an intelligent control system, allowing you to manage its functions via remote control or a dedicated mobile application.

Remote Control Functions

Remote Control

Easily control various functions

Text Description: An image detailing the functions of the Daminy ceiling fan remote control, including 6CCT, dimmable, night light, reversible, 1-6H timing, and 6 speeds.

- **Power On/Off:** Turn the fan and light on or off.
- **Fan Speed:** Select from 6 adjustable wind speeds (1-6).
- **Light Control:** Adjust light brightness (10%-100%) and cycle through 6 color temperatures (3000K-6000K).
- **Night Light Mode:** Activates a low brightness (7%) 3000K light setting.
- **Timer:** Set the fan to turn off automatically after 1, 2, 4, or 8 hours.
- **Reverse Function:** Switch between downdraft (summer mode) and updraft (winter mode) airflow.
- **Memory Function:** The fan remembers the last color temperature and brightness settings before shutdown.

App Control

APP & Control
APP requires bluetooth support

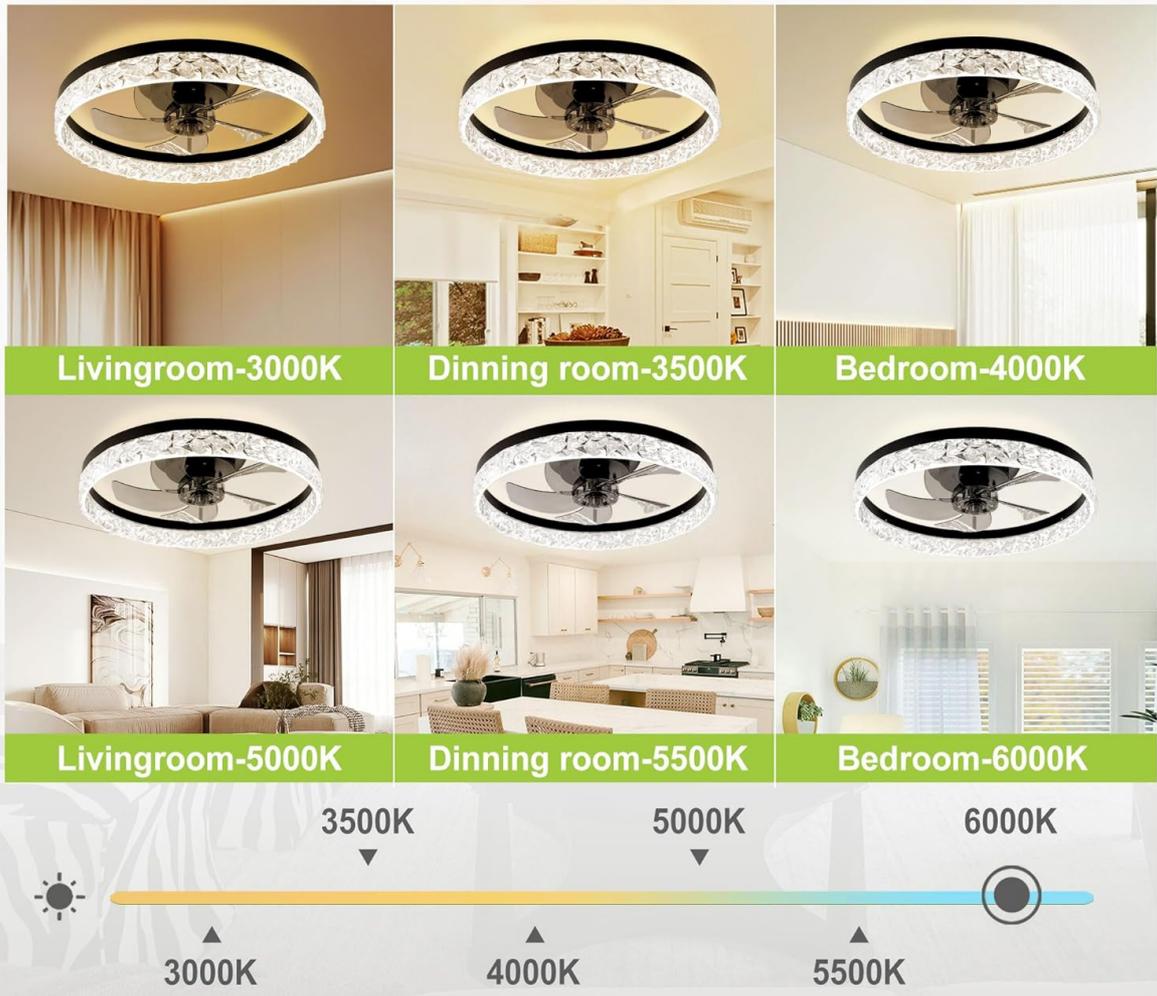

APP pairing:
Turn on phone's Bluetooth, Within 5 seconds after turning the mains power on, touch the "PairCode" button, hear a "Di" sound, and the code is successfully matched.

Scan QR code, download the APP

Text Description: An image showing the Daminy ceiling fan's app control interface and a QR code for downloading the app. Instructions for app pairing are provided: Turn on phone's Bluetooth. Within 5 seconds after turning the mains power on, touch the "PairCode" button, hear a "Di" sound, and the code is successfully matched. Color Temperature Options

Color Temperature Changeable 6CCT

Text Description: An image displaying the six color temperature options (3000K, 3500K, 4000K, 5000K, 5500K, 6000K) and examples of their use in different rooms like living room, dining room, and bedroom.

6. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your DAMINY ceiling fan.

- **Cleaning:** Use a soft, damp cloth to clean the fan and light fixture. Avoid abrasive cleaners or solvents that may damage the finish.
- **Inspection:** Periodically check all connections and mounting hardware to ensure they are secure.
- **LED Lifespan:** The integrated LED lights are designed for long-term use (up to 10 years) and are not user-replaceable.

7. TROUBLESHOOTING

If you encounter any issues with your DAMINY ceiling fan, please refer to the following common problems and solutions:

- **Fan does not operate:** Check power supply, ensure remote batteries are functional, and verify all wiring connections are secure.
- **Light does not turn on:** Check power supply, ensure remote batteries are functional, and verify wiring connections.
- **Remote control not working:** Replace remote batteries. If issues persist, re-pair the remote with the fan (refer to app control instructions for pairing process).
- **Fan wobbles:** Ensure all mounting screws are tightened securely.
- **Insufficient airflow:** Verify fan speed setting. Ensure the reverse function is set to the appropriate season (downdraft for cooling, updraft for air circulation).

8. WARRANTY AND SUPPORT

The DAMINY 20-inch Black Flush Mount Bladeless Ceiling Fan comes with a **2-year warranty**. For any missing parts, broken components, or technical support, please contact Daminy directly. You can reach them via email at support@daminylighting.com or call them at +1 (888) 861-8556 (Monday - Friday, 9:00 AM - 5:00 PM PST). If you encounter any problems, please contact us at the provided contact information. We will send the corresponding accessories to solve your problem. The time limit will be faster than applying to Amazon for replacement. We will do our best to minimize the occurrence of missing/broken parts problems.
