YKNIUFLY Baseus Bowie E11

YKNIUFLY Baseus Bowie E11 Earbuds Case Instruction Manual

MODEL: BASEUS BOWIE E11

Brand: YKNIUFLY

1. INTRODUCTION

This manual provides comprehensive instructions for the YKNIUFLY protective case designed specifically for the Baseus Bowie E11 Bluetooth earbuds. This case offers 360° full protection, ensuring the safety and longevity of your earbuds.

The case is crafted from soft TPU silicone, providing a comfortable tactile experience while offering robust defense against drops, collisions, and impacts. Its lightweight design and integrated ring buckle enhance portability and help prevent loss.

2. PRODUCT OVERVIEW

Familiarize yourself with the design and features of your YKNIUFLY Baseus Bowie E11 earbuds case.

Figure 2.1: Front view of the YKNIUFLY protective case for Baseus Bowie E11 earbuds in black, showing the charging indicator light.

Silicone Case for earphones

Figure 2.2: Overview of the red YKNIUFLY case, highlighting key features such as skin-friendly texture, environmental protection, detachability, lightweight design, anti-seismic fall prevention, all-inclusive protection, anti-loss design, and unobstructed charging.

SILICONE MATERIAL, EARTHQUAKE RESISTANT AND ANTI DROP

ELASTIC SILICONE FOR EFFECTIVE CUSHIONING AND SHOCK ABSORPTION

Figure 2.4: Illustration of the case providing 360° seamless full coverage protection, emphasizing its stable fit, anti-fingerprint properties, and shock/drop resistance.

3. SETUP

To install your Baseus Bowie E11 earbuds into the protective case:

1. Ensure your Baseus Bowie E11 earbuds charging case is clean and free of dust or debris.
2. Gently slide the bottom part of the earbuds charging case into the lower section of the YKNIUFLY protective case.
3. Align the top lid of the protective case with the lid of your earbuds charging case and press down firmly until it fits snugly. The case is designed with precise 1:1 molding for a perfect fit.
4. Verify that all cutouts, such as the charging port and indicator light, are correctly aligned and unobstructed.

Washable with original colors

Water stains and dirt can be easily wiped clean

Figure 3.1: The case is designed to restore the bare metal feel, with a thin profile (2mm) and precise mold opening for a perfect fit with the Baseus Bowie E11 earbuds.

4. OPERATING INSTRUCTIONS

The YKNIUFLY protective case is designed for seamless integration with your Baseus Bowie E11 earbuds.

- **Opening and Closing:** The precise cutting technology ensures that the case does not interfere with the opening and closing mechanism of your earbuds' charging case.
- **Charging:** You can easily charge your earbuds without removing the protective case. The design includes accurate cutouts for the cable charging port and reserves space for the charging prompt light. It also supports wireless charging without disassembly.
- **Portability:** The integrated ring buckle design allows you to attach the case to bags, keychains, or other items, preventing accidental loss and keeping your earbuds accessible.

CHARGING WITHOUT REMOVING THE SLEEVE

NO NEED TO DISASSEMBLE THE CASE, SUPPORTS WIRELESS CHARGING,
ACCURATELY RESERVES CABLE CHARGING PORT,

ANTI FINGERPRINT

SHOCK AND ANTIDROP

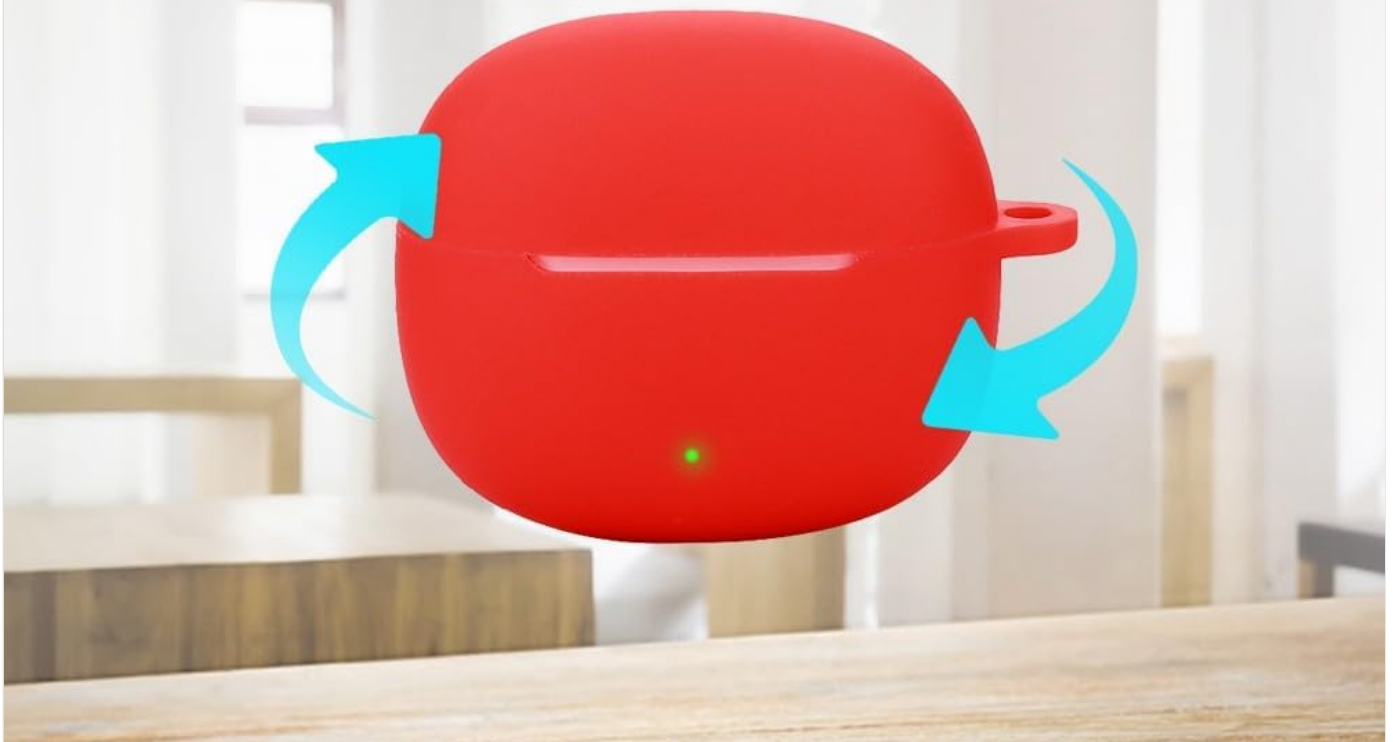

Figure 4.2: The case features an unobstructed connection and is easy to open and close, with a visible battery indicator light and a convenient hook design for attachment.

5. MAINTENANCE

To ensure the longevity and cleanliness of your YKNIUFLY protective case:

- **Cleaning:** The case is washable and easy to clean. Water stains and dirt can be easily wiped away. For deeper cleaning, you can detach the case from your earbuds and wash it with mild soap and water.
- **Drying:** After washing, ensure the case is completely dry before reattaching it to your earbuds charging case.
- **Storage:** Store the case in a cool, dry place away from direct sunlight and extreme temperatures when not in use.

PRODUCT COMPREHENSIVE DIAGRAM

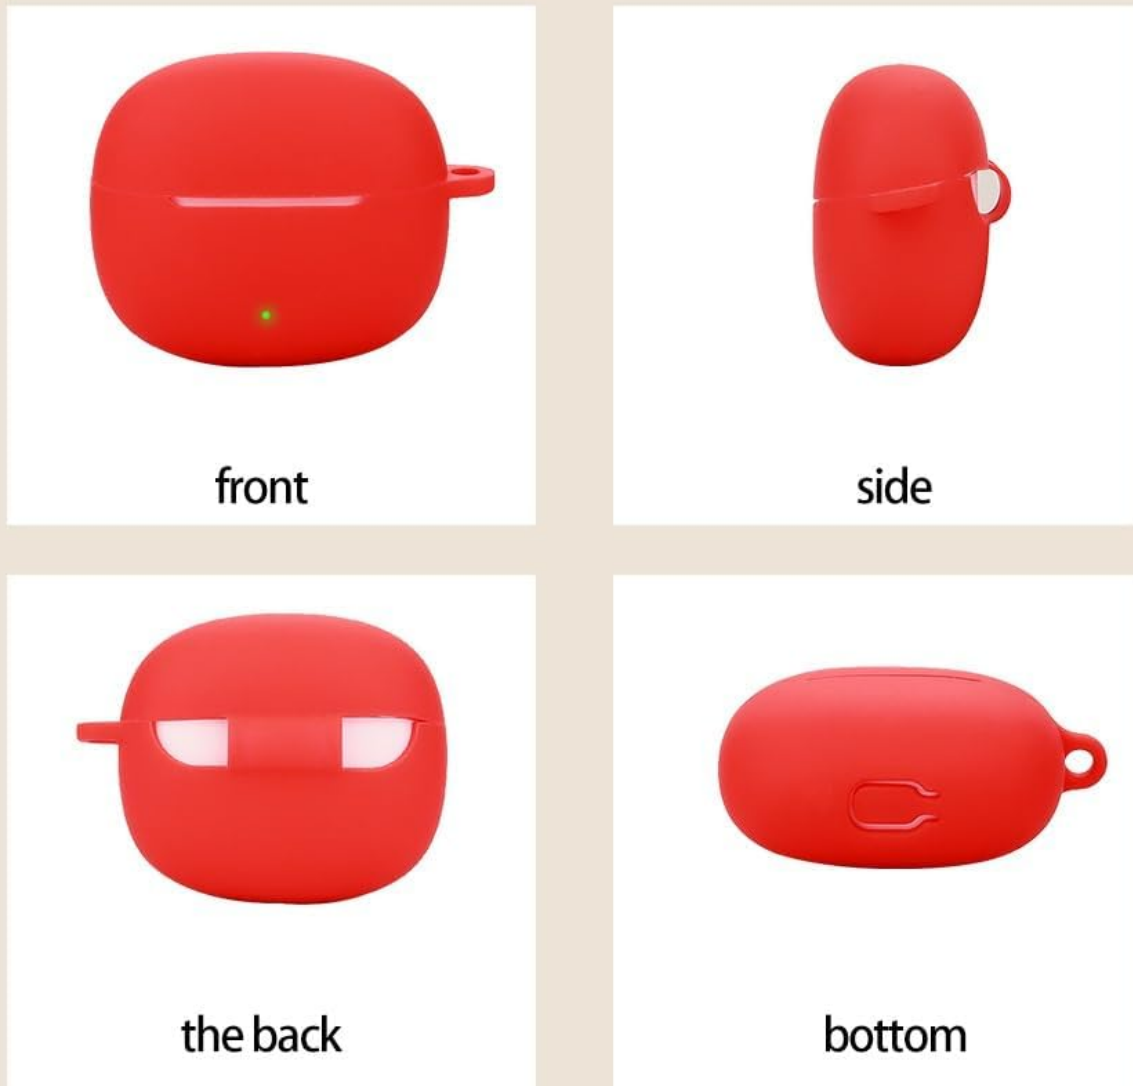

Figure 5.1: The case is washable, allowing water stains and dirt to be easily wiped clean, maintaining its original appearance.

6. TROUBLESHOOTING

If you encounter any issues with your YKNIUFLY protective case, please refer to the following common solutions:

- **Case does not fit properly:**
 - Ensure you have the correct model: This case is specifically designed for Baseus Bowie E11 earbuds.
 - Check for obstructions: Make sure there is no debris or foreign objects preventing a snug fit.
 - Re-align: Gently remove and re-install the case, ensuring proper alignment of all edges and cutouts.
- **Charging port is obstructed:**
 - Verify proper installation: Ensure the case is correctly aligned with the charging port cutout.
 - Check for debris: Clear any dust or lint from the charging port area of both the case and your earbuds.
- **Case feels loose:**

- The TPU material is flexible. A slight give is normal. However, if it feels excessively loose, ensure it is fully seated on the earbuds case.
