## Lifezone BED003

# Lifezone Queen Bed Frame BED003 Instruction Manual

Model: BED003 | Brand: Lifezone

## 1. INTRODUCTION AND OVERVIEW

---

Thank you for choosing the Lifezone Queen Bed Frame. This manual provides detailed instructions for the assembly, operation, and maintenance of your new bed frame. This bed frame features a 2-tier storage headboard with a built-in charging station, RGB LED lighting, and four sliding storage drawers, all supported by a sturdy metal structure designed for noise-free use.

Image 1.1: Overview of the Lifezone Queen Bed Frame, highlighting its dimensions and key features like the 800 lbs weight capacity.

## 2. SAFETY INFORMATION

---

Please read and understand all safety warnings before assembly and use to prevent injury or damage.

- **Sharp Edges:** Exercise caution around sharp edges during assembly and when using the product.
- **Weight Limit:** Do not load the bed frame with more than **800 pounds**. Exceeding this limit may compromise the structural integrity and lead to collapse.
- **Assembly:** Follow all assembly instructions carefully. Improper assembly can lead to instability or collapse.
- **Sliding Drawers:** Keep fingers clear of the sliding storage drawers to prevent pinching during operation.
- **Electrical Safety:** Ensure the charging station is properly connected to a power source. Do not overload the outlets.

## 3. PACKAGE CONTENTS

---

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

Image 3.1: Exploded view showing all bed frame components, including the headboard, frame sections, slats, drawers, and hardware.

## Components List:

- Headboard with 2-Tier Storage Shelf
- Built-in Charging Station (pre-installed in headboard)
- RGB LED Light Strip (pre-installed in headboard)
- Bed Frame Side Rails (Left and Right)
- Footboard
- Metal Slat System (11 metal rods)
- Support Legs (9 pieces)
- Sliding Storage Drawers (4 pieces)
- Hardware Pack (bolts, nuts, washers, Allen wrench, screwdriver)

- LED Remote Control

## 4. SETUP AND ASSEMBLY INSTRUCTIONS

---

Assembly typically requires two people and takes approximately 1-2 hours. Follow the step-by-step diagrams provided in your physical manual. A basic Allen wrench and screwdriver are included.

### General Assembly Steps:

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface to prevent scratches. Refer to the parts list to ensure everything is present.
2. **Assemble Headboard:** Attach the headboard frame components. The charging station and LED strip are pre-installed.
3. **Connect Side Rails:** Attach the side rails to the headboard and footboard using the provided hardware. Do not fully tighten bolts until the frame is complete.
4. **Install Support Legs:** Securely attach the 9 metal support legs to the bed frame.
5. **Place Metal Slats:** Position the 11 metal slats across the frame. Ensure the mute sponge bar is correctly placed on the middle beam to prevent noise.
6. **Assemble Drawers:** Assemble the four sliding storage drawers. Attach the screw clips to the drawers as instructed to secure them to the bed frame.
7. **Final Tightening:** Once the entire frame is assembled, go back and securely tighten all bolts.

## 5. OPERATING INSTRUCTIONS

### 5.1. Charging Station

The 2-tier storage headboard includes a built-in charging station for convenient access to power.

- **Power Connection:** Connect the power cord from the charging station to a standard wall outlet.
- **Ports:** The station features 2 AC Outlets (125V/12A), 1 USB-A port (5V/2A), and 1 USB-C port (5V/2A).
- **Usage:** Plug in your electronic devices such as phones, tablets, or alarm clocks directly into the available ports.

# Practical Built-in Charging Station

Image 5.1.2: Diagram detailing the specifications of the charging station's ports.

## 5.2. RGB LED Lighting

The headboard is equipped with an RGB LED light strip, controllable via remote or mobile application.

- **Power On/Off:** Use the remote control or mobile app to turn the LED lights on or off.
- **Color Selection:** Choose from a variety of RGB colors to match your mood or room decor.
- **Brightness Adjustment:** Adjust the intensity of the light.

- **Modes:** Select different dynamic modes (e.g., flashing, fading) or music synchronization modes.
- **Timing Function:** Set a timer for the lights to automatically turn off.
- **Mobile App:** Download the recommended mobile application (refer to your physical manual for QR code or app name) for advanced control features.

Image 5.2.2: Illustration of the control methods for the LED lights, including a remote control and a mobile application interface.

### 5.3. Storage Drawers

The bed frame includes four sliding storage drawers for organizing personal items.

- **Operation:** Gently pull the drawer handles to slide them out from under the bed.
- **Securing Drawers:** Use the provided screw clips to secure the drawers to the bottom of the bed frame. This prevents accidental slipping or movement. Refer to the assembly instructions for proper clip installation.

## 6. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your bed frame.

- **Cleaning:** Wipe metal and wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Tighten Connections:** Periodically check and retighten all bolts and screws to ensure the frame remains stable and noise-free.
- **Drawer Care:** Keep the drawer tracks clean and free of debris for smooth operation.
- **Electrical Components:** Ensure the charging station and LED light connections are secure. Do not attempt to repair electrical components yourself; contact qualified personnel if issues arise.

## 7. TROUBLESHOOTING

This section addresses common issues you might encounter.

Problem	Possible Cause	Solution
Bed frame squeaks or makes noise.	Loose bolts; friction between metal components; missing mute sponge bar.	Tighten all bolts. Ensure the mute sponge bar is correctly installed on the middle beam.
LED lights are not working.	Power cord disconnected; remote battery dead; app not connected.	Check if the power cord is securely plugged in. Replace remote battery. Re-pair the app if necessary.
Charging ports are not providing power.	Charging station power cord disconnected; overloaded circuit.	Ensure the charging station's power cord is firmly plugged into a working outlet. Avoid plugging too many high-power devices simultaneously.
Storage drawers do not slide smoothly or fall out.	Obstruction in the track; drawers not properly assembled; screw clips not installed.	Check for any items blocking the drawer path. Verify drawer assembly. Ensure screw clips are correctly installed and engaged.

## 8. SPECIFICATIONS

Detailed technical specifications for the Lifezone Queen Bed Frame.

Feature	Detail
Model Number	BED003
Size	Queen
Product Dimensions (L x W x H)	86.4" x 61.4" x 40"
