## RENAISSER Raphael 510

# RENAISSER Stylus Pen User Manual

Model: Raphael 510

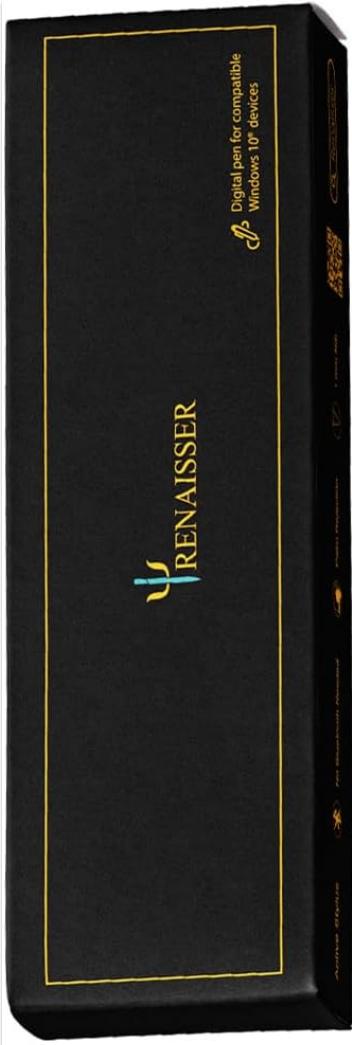

## INTRODUCTION

The RENAISSER Raphael 510 Stylus Pen is designed to provide a smooth and precise writing and drawing experience on compatible Microsoft Surface and other devices. Featuring advanced palm rejection, 1024 pressure points, and convenient USB-C fast charging, this stylus enhances your productivity and creativity. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your stylus pen.

## WHAT'S IN THE Box

Carefully unbox your RENAISSER Raphael 510 Stylus Pen and ensure all components are present:

- 1 x RENAISSER Stylus Pen
- 2 x Replacement Tips
- Warranty Card
- No USB-C cable included (use any standard USB-C cable for charging)

**Packaging box**

**Stylus\*1**

**Stylus tip\*2**

**Bubble wrap bag**

- The stylus tip are contained in the bubble wrap bag.

## SETUP

The RENAISSER Raphael 510 Stylus Pen is designed for immediate use without complex pairing. Simply turn it on, and it's ready to go.

- Initial Charge:** Before first use, it is recommended to fully charge the stylus. Connect a USB-C cable (not included) to the charging port on the pen and to a power source. The indicator light will illuminate during charging.
- Power On:** Press and hold the eraser button (top button) for 1 second to power on the stylus. The pen will automatically connect to your compatible device.
- Ready to Use:** Once powered on, the pen is ready for writing, drawing, and navigation on your device's screen. No Bluetooth pairing is required for basic functionality.

## OPERATING INSTRUCTIONS

### Smooth Writing and Pressure Sensitivity

The Raphael 510 offers a fine control with 1024 pressure points, allowing for real-time, lag-free writing and drawing. The pen flows smoothly, mimicking a natural pen-on-paper feel.

## Palm Rejection Function

Rest your hand comfortably on the screen while using the stylus. The built-in palm rejection technology ensures that only the pen's input is registered, preventing accidental marks from your palm.

# Palm Rejection Technology

Allows Uninterrupted Use of the Stylus Even  
with Your Palm Resting on the Screen

Image: Demonstration of palm rejection technology, allowing comfortable hand placement on the screen.

## Eraser and Right-Click Buttons

The stylus features two convenient side buttons. The top button functions as an eraser, allowing you to quickly correct mistakes. The lower button provides a right-click function, offering quick access to contextual menus or other assigned actions.

## CHARGING

The RENAISSER Raphael 510 Stylus Pen features USB-C ultra-fast charging and smart power management for extended use.

- **Fast Charging:** Just 15 minutes of charging provides enough power for 70 hours of use. A full 1-hour charge can last for more than 100 hours.
- **Smart Power Management:** The pen will automatically turn off after 10 minutes of non-use to conserve battery life.
- **Low Battery Alert:** An indicator light on the pen will illuminate when the battery is low, signaling that it needs to be recharged.

# USB-C Fast Charging Long-Lasting Battery Performance

Charge for Just a Few Minutes for Long-Lasting Battery Life,  
No Need for Frequent Recharging

## Smart Power Management:

Automatically  
Shuts Down

After 10 Minutes  
of Inactivity

## Low Battery Alert:

## MAINTENANCE

To ensure the longevity and optimal performance of your RENAISSER Stylus Pen, follow these maintenance guidelines:

- Cleaning:** Use a soft, dry, lint-free cloth to clean the pen's surface. Do not use abrasive cleaners or solvents.
- Storage:** Store the pen in a cool, dry place away from direct sunlight and extreme temperatures.
- Tip Care:** Avoid applying excessive force to the pen tip. Replace the tip if it becomes worn or damaged to maintain writing precision.
- Avoid Liquids:** Do not expose the pen to water or other liquids.

## TROUBLESHOOTING

If you encounter issues with your RENAISSER Stylus Pen, try the following solutions:

Problem	Possible Solution
Pen not responding	<ul style="list-style-type: none"><li>Ensure the pen is charged.</li><li>Press the eraser button for 1 second to turn it on.</li><li>Restart your device.</li><li>Check device compatibility.</li></ul>
Inconsistent lines or skipping	<ul style="list-style-type: none"><li>Ensure the pen tip is securely installed.</li><li>Try replacing the pen tip.</li><li>Clean the screen of your device.</li></ul>
Buttons not working	<ul style="list-style-type: none"><li>Ensure the pen is powered on.</li><li>Check if the buttons are physically stuck.</li><li>Restart your device.</li></ul>

Problem	Possible Solution
Pen not charging	<ul style="list-style-type: none"><li>Ensure the USB-C cable is properly connected.</li><li>Try a different USB-C cable and power adapter.</li><li>Check the charging port for debris.</li></ul>

If the issue persists after trying these steps, please contact RENAISSER customer support for further assistance.
