

Reobrix RB808

Reobrix 808 Corvette C1 Building Blocks Set Instruction Manual

Brand: Reobrix | Model: RB808

1. PRODUCT OVERVIEW

The Reobrix 808 Corvette C1 Building Blocks Set allows for the construction of a 1:24 scale model of the classic Corvette C1. This set is designed for display and collection, featuring functional steering, rotating wheels, and an opening door, replicating the authentic design of the American sports car. The model pays homage to the first-generation Chevrolet Corvette, introduced in 1953, with its sleek lines and rounded fenders, presented in an iconic red finish.

2. PRODUCT FEATURES

- **True-to-Origin Design:** Functional steering, rotating wheels, and an opening door replicate the authentic design of the classic American sports car.
- **Meticulous Craftsmanship:** Model of the first-generation Chevrolet Corvette, introduced in 1953, with sleek lines, rounded fenders, and an iconic red finish.
- **User-Friendly Assembly:** This 311-piece building toy kit is designed for easy and enjoyable building with clear, step-by-step instructions.
- **Durable Construction:** Constructed from high-quality Acrylonitrile Butadiene Styrene (ABS) materials for durability and safety.

3. ASSEMBLY INSTRUCTIONS

Follow the detailed, step-by-step instructions provided in the included manual to assemble your Reobrix 808 Corvette C1 model. Ensure all pieces are correctly identified and connected as indicated.

1. Unpack all components and verify against the parts list in the manual.
2. Begin assembly by following the numbered steps in the instruction booklet.

3. Carefully connect each building block, ensuring a secure fit.
4. Pay close attention to the details for functional elements such as steering and opening doors.
5. Once assembly is complete, ensure all parts are firmly attached.

Batteries Required	No
Material Type	Acrylonitrile Butadiene Styrene (ABS)
Recommended Age	14 years and up
Product Dimensions (L x W x H)	19.48 x 7.49 x 14 cm (7.67 x 2.95 x 5.51 inches)
Item Weight	320 g

5. SAFETY INFORMATION

- This product contains small parts and is not suitable for children under 3 years due to choking hazards.
- Ensure all building blocks are securely connected to prevent detachment during play or display.
- Do not swallow any components.
- Recommended for ages 14 and up. Adult supervision is advised for younger users within the recommended age range.

6. MAINTENANCE

To ensure the longevity and appearance of your Reobrix 808 Corvette C1 model, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to gently wipe away dust. For more stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model with care to avoid accidental detachment of parts.

7. TROUBLESHOOTING

If you encounter any issues during assembly or with the completed model, consider the following:

- **Missing Pieces:** Double-check the packaging and surrounding area. If a piece is genuinely missing, contact Reobrix customer support.
- **Difficulty in Connecting Parts:** Ensure you are using the correct pieces for the step. Apply gentle, even pressure. Do not force pieces together, as this may cause damage.
- **Unstable Structure:** Re-examine previous steps to ensure all connections are firm and correctly aligned. Loose connections can affect overall stability.
- **Functional Parts Not Moving:** Verify that all moving components (e.g., wheels, steering, doors) are assembled according to the instructions and are not obstructed by other pieces.

8. WARRANTY AND SUPPORT

Reobrix is committed to providing high-quality products. For any questions, concerns, or assistance with your Reobrix 808 Corvette C1 Building Blocks Set, please refer to the contact information provided in your product packaging or visit the official Reobrix website for customer support details.

The manufacturer offers thorough after-sales support to enhance your building experience and ensure satisfaction with every kit.
