ARGENDON Guardian 85P

ARGENDON Guardian 85P 180 Pint Commercial Crawlspace Dehumidifier User Manual

Model: Guardian 85P | Brand: ARGENDON

Introduction

The ARGENDON Guardian 85P commercial dehumidifier is engineered for effective moisture control in various environments, including crawl spaces, basements, and industrial areas. This unit is designed to remove up to 180 pints of moisture per day at 90°F and 90% humidity, covering areas up to 2,300 Sq.Ft. It features a robust fan for efficient airflow, a MERV-1 filter for air purification, and an intuitive control system for user-friendly operation. The dehumidifier includes a convenient drain hose for continuous drainage and an auto defrost function for low-temperature operation. This manual provides detailed instructions for setup, operation, maintenance, and troubleshooting to ensure optimal performance and longevity of your unit.

Included Components

Before beginning installation, verify that all components are present:

- ARGENDON Guardian 85P Dehumidifier x 1
- Drain Hose x 2 (one for pump drainage, one for gravity drainage)
- User Manual x 1
- MERV-1 Filter x 1 (pre-installed or separate)
