## WHAT'S IN THE BOX

---

- SoundForm Rhythm True Wireless Earbuds and charging case
- USB-C charging cord

## SETUP

---

## 1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. Connect the provided USB-C charging cord to the charging case and a compatible USB power source. The LED indicators on the case will show the charging status. A 10-minute charge provides approximately 90 minutes of playtime.

# Engineered to deliver premium listening.

Belkin Signature Sound is engineered to deliver full, balanced high-fidelity audio.

## 2. Bluetooth Pairing

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), go to Bluetooth settings.
3. Select "SoundForm Rhythm" from the list of available devices to connect.
4. Once connected, you will hear an audio prompt, and the device will show the earbuds as paired.

# Equipped with Bluetooth multipoint.

Easily pair and connect to your Bluetooth devices within a 30 ft. /10m range.

## OPERATING INSTRUCTIONS

### Controls

The SoundForm Rhythm earbuds feature intuitive media controls. Refer to the quick start guide for specific touch gestures for play/pause, skip tracks, answer/end calls, and activate voice assistant. An accompanying app may offer additional control customization.

## Bluetooth Multipoint Connection

These earbuds support Bluetooth Multipoint, allowing simultaneous connection to two devices. This enables seamless transitions between audio sources, such as listening to music on your phone and then taking a call on your laptop without manually re-pairing.

## Clear Call Quality with ENC

Environmental Noise Cancellation (ENC) technology is integrated into the earbuds' microphones. This feature reduces background noise during calls, ensuring your voice is transmitted clearly to the person you are speaking with.

## Belkin Signature Sound

The SoundForm Rhythm earbuds are engineered to deliver full, balanced high-fidelity audio, providing a premium listening experience across various music genres and content.

## MAINTENANCE

### Cleaning

To maintain optimal performance and hygiene, regularly clean your earbuds and charging case. Use a soft, dry, lint-free cloth. Avoid using abrasive materials, solvents, or spray cleaners. Ensure no moisture enters any openings.

### Water Resistance

The earbuds are IPX5 compliant, meaning they are resistant to sweat and splashes of water. This makes them suitable for workouts and light rain. However, they are not designed for submersion in water or exposure to pressurized water jets.

## TROUBLESHOOTING

- **No Sound:** Ensure earbuds are charged, properly paired, and the volume on both the earbuds and your device is turned up.
- **Pairing Issues:** Turn off Bluetooth on your device, then turn it back on. Try resetting the earbuds (refer to the quick start guide for specific reset instructions). Ensure no other devices are trying to connect simultaneously.
- **Poor Call Quality:** Check for obstructions around the microphone. Ensure Environmental Noise Cancellation is active. Move closer to your connected device to improve signal strength.
- **Earbuds Not Charging:** Verify the USB-C cable is securely connected to both the case and the power source. Check if the charging port is clean and free of debris.
