VASAGLE Shoe Rack and Coat Stand Bundle Instruction Manual

Models: ULBS035B01V1 (Shoe Rack) & URCR04WN (Coat Stand)

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your VASAGLE Shoe Rack and Coat Stand bundle. Please read these instructions carefully before assembly and use to ensure safe and correct operation of the product.

2. SAFETY INSTRUCTIONS

- For safety, secure the shoe rack to the wall using the included anti-tip kit. This prevents accidental tipping, especially in households with children or pets.
- Do not exceed the maximum static load capacity: The top surface of the shoe rack supports up to 66 lb (30 kg), and each fabric shelf supports up to 22 lb (10 kg).
- Each hook on the coat stand supports a maximum static load of 6.6 lb (3 kg). The total maximum static load for the coat stand is 53 lb (24 kg).
- Avoid exposing the coat rack to direct sunlight for extended periods to prevent material degradation.
- Do not use sharp objects on the standing coat rack to prevent scratches or damage to the wood finish.
- Ensure all connections are tightened securely during assembly and periodically check for stability.

5. SETUP AND ASSEMBLY

Detailed assembly instructions and an accessory kit are included with each product. Please follow the step-by-step guide provided in the package. Ensure all parts are present before beginning assembly.

Shoe Rack Assembly Tips:

- Identify all components using the provided diagram.
- Assemble the frame first, then insert the fabric shelves.
- Attach the anti-tip kit to a sturdy wall surface to prevent the rack from falling over.

6. OPERATING INSTRUCTIONS (USAGE)

Shoe Rack Usage:

- The 4-tier shoe rack can accommodate approximately 9 pairs of men's shoes or 12 pairs of women's shoes.
- The 7.9-inch distance between shelves is suitable for storing heels and high-top shoes.
- The top surface can be used for placing bags, keys, or decorative items, adhering to the 66 lb weight limit.

7. MAINTENANCE

To maintain the appearance and longevity of your VASAGLE shoe rack and coat stand, follow these care instructions:

- Wipe both items with a dry cloth to remove dust and dirt.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- For the shoe rack's fabric shelves, spot clean with a damp cloth and mild soap if necessary, then air dry completely.

- Periodically check all screws and connections to ensure they remain tight.

8. TROUBLESHOOTING

This section addresses common issues you might encounter:

- **Wobbling/Instability:** Ensure all screws are tightened. For the shoe rack, adjust the leveling feet at the bottom. For both items, verify that they are placed on a flat, even surface.
- **Missing Parts:** If any parts are missing from your package, please refer to the customer support information provided.
- **Difficulty Assembling:** Review the assembly instructions carefully. Ensure you are using the correct parts for each step. Do not force components together.
