3. SAFETY INFORMATION

- **Weight Limit:** The maximum static load-bearing capacity of the bench is 331 lbs (150 kg). Do not exceed this weight limit to prevent damage or injury.
- **Stable Placement:** Ensure the bench is placed on a flat, stable surface to prevent tipping.
- **Assembly:** Follow all assembly instructions carefully. Improper assembly can lead to instability.
- **Children:** Supervise children around the bench to prevent climbing or misuse.

4. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged.

- 1 x Storage Shoe Bench (main frame components)
- 1 x Accessory Kit (hardware, tools)
- 1 x Instructions Manual (this document)
- 1 x Cushion

5. ASSEMBLY INSTRUCTIONS

Detailed, step-by-step assembly instructions are provided in the included accessory kit. All parts and accessories are numbered for easy identification. Please refer to the visual guide for correct board positions.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify each part using the numbering system provided in the accessory kit.
3. Follow the graphical instructions to connect the main frame components. Pay close attention to the orientation of boards, specifically parts labeled 'B' (roof) and 'J' (base).
4. Insert the fixed shelves into their designated slots.
5. Attach the adjustable shelves as desired, or leave them out to create larger compartments.
6. Once the frame is assembled, securely attach the cushion to the top surface using the integrated Velcro strips.
7. Ensure all connections are tight and stable before use.

6. USAGE

The Hzueneri Shoe Bench is designed for versatile use in various areas of your home, such as entryways, living rooms, or bedrooms.

- **Shoe Storage:** Utilize the 16 cubbies to neatly store shoes. For larger footwear, remove the adjustable shelves to create more spacious compartments.
- **Seating:** The cushioned top provides a comfortable spot to sit while putting on or taking off shoes.
- **Multi-functional:** Beyond shoe storage, the cubbies can also be used to organize other small items, books,

or decorative pieces.

7. MAINTENANCE

Proper care will extend the life and appearance of your shoe bench.

- **Cleaning the Frame:** Wipe the particleboard frame with a dry, soft cloth. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth.
- **Cushion Care:** The cushion cover can be removed via its zipper. If necessary, clean the cushion cover with mild soap and water. Allow it to air dry completely before reattaching.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or strong chemical solutions on any part of the bench, as this may damage the finish or fabric.
