4. SETUP AND ASSEMBLY

The ODK L-Shaped Gaming Desk is designed for flexible installation. It can be assembled in a reversible configuration to suit your space requirements, allowing the longer side to be on either the left or right. Please refer to the detailed assembly instructions included in your product packaging for step-by-step guidance. While assembly is straightforward, it may require some time.

- **Weight Distribution:** Always distribute heavy items evenly across the desk surface and shelves to prevent stress on the structure.
- **Cable Management:** Regularly check and organize cables to prevent tangles and potential hazards.

7. TROUBLESHOOTING

- **LED Lights Not Working:**
 - Ensure the desk's power cable is securely plugged into a working outlet.
 - Check the connection of the LED strip to the power source.
 - Verify that the LED remote control has working batteries and is pointed correctly at the receiver. If the remote is missing, contact customer support for a replacement.
- **Power Outlets/USB Ports Not Functioning:**
 - Confirm the desk's main power cable is plugged in and the wall outlet is active.
 - Test with a different device to rule out device-specific issues.
- **Desk Wobbles After Assembly:**
 - Ensure all screws and fasteners are tightened securely according to the assembly instructions.
 - Check if the floor is uneven. Use furniture pads or shims if necessary to level the desk.
- **Missing Parts During Assembly:**
 - Carefully check all packaging materials.
 - Contact ODK customer support immediately with details of the missing parts.
