

Dreamegg Sleep Lite 1

Dreamegg Sleep Lite 1 Portable Sound Machine User Manual

Model: Sleep Lite 1

Brand: Dreamegg

INTRODUCTION

Thank you for choosing the Dreamegg Sleep Lite 1 Portable Sound Machine. This device is designed to provide a soothing environment for babies and parents, featuring 19 calming sounds, a gentle night light, and a convenient timer function. Its compact and lightweight design makes it ideal for use at home or on the go. Please read this manual thoroughly before use to ensure proper operation and maintenance.

PRODUCT FEATURES

- **Compact and Lightweight:** Weighs only 88 grams, designed to fit in the palm of your hand for easy portability.
- **19 Soothing Sounds:** Includes shushing, heartbeat, lullabies, white noise, nature sounds (Ocean Waves, Rain, Summer Night, Thunder, Twinkle, Waterfall), and fan noise.
- **Rechargeable Battery:** Built-in Lithium Ion battery provides 20-30 hours of continuous play on a single charge. USB-C charging cable included.
- **Adjustable Timer:** Set for 30, 60, or 90 minutes, or choose continuous play.
- **Night Light:** Features 2 levels of warm, adjustable night light for nighttime feeds or checks.
- **Child Lock Feature:** Prevents accidental setting changes by little hands.
- **360° Rotating Sound:** Ensures optimal sound direction and coverage.
- **Durable Material:** Crafted from BPA-free silicone for baby safety.

PACKAGE CONTENTS

- Dreamegg Sleep Lite 1 Sound Machine
- USB-C Charging Cable
- User Manual

SETUP

1. Charging the Device

Before first use, fully charge the Dreamegg Sleep Lite 1 using the provided USB-C cable. Connect the cable to the device's charging port and a compatible USB power adapter (not included). The charging indicator light will show charging status.

OPERATING INSTRUCTIONS

1. Power On/Off

- To power on: Press and hold the power button for 2 seconds until the LED light turns on.
- To power off: Press and hold the power button for 2 seconds until the LED light turns off.

2. Sound Selection

Press the sound selection button repeatedly to cycle through the 19 available soothing sounds until you reach your desired option.

3. Volume Adjustment

Use the volume up (+) or volume down (-) buttons to adjust the sound level. The indicator lights will show the current volume level.

4. Timer Setting

Press the timer button to set the auto-off timer. You can choose between 30, 60, or 90 minutes. The device can also be set for continuous play.

Adjustable Night Light

Ease baby's fear of the dark

MAINTENANCE

- Keep the device dry and avoid placing it in rain or humid environments.
- Clean the device with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners.
- Use only the provided power cord for charging to ensure safety.

TROUBLESHOOTING

Device Not Turning On:

Ensure the device is fully charged. Connect it to a power source using the USB-C cable and allow it to charge for at least 30 minutes before attempting to power on again.

No Sound:

Check the volume level. Ensure it is not set to the lowest setting or muted. If the child lock is active, deactivate it to adjust settings.

Light Not Working:

Press the night light button to cycle through the brightness levels. Ensure the device is powered on. For any other issues, please refer to the warranty and support information.
