5. OPERATING INSTRUCTIONS

Your Tribesigns L-Shaped Computer Desk is designed for intuitive use in various home office settings.

Using the Desktop:

- Ensure even weight distribution across the desktop to maintain stability.

Using the Drawers:

- The top two drawers are suitable for storing small office supplies, stationery, and personal items.
- The bottom drawer is a file drawer equipped with an adjustable bar. Adjust the bar to accommodate Letter, Legal, or A4 size hanging file folders.
- Pull drawers out smoothly and push them in completely to ensure they are securely closed.

Using the Open Shelves:

- The two open shelves provide easy access storage for books, binders, small baskets, or a computer tower.
- Organize items on the shelves to keep your workspace tidy and efficient.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your Tribesigns L-Shaped Computer Desk.

- **Cleaning:** Wipe the desk surfaces with a dry cloth to remove dust and spills. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the laminated finish.

- **Spills:** Immediately wipe up any liquid spills to prevent staining or damage to the wood and metal components.
- **Fasteners:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain the desk's stability.
- **Heat and Moisture:** Avoid placing hot items directly on the desk surface. Use coasters for drinks to prevent water rings.
- **Moving the Desk:** When moving the desk, always lift it rather than dragging it to prevent damage to the legs and floor. It is recommended to have two people assist with moving due to its weight.
