

ODK ZJZ-SBWJDD

ODK Gaming Desk with LED User Manual

Model: ZJZ-SBWJDD

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your ODK Gaming Desk with LED. Designed for versatility and comfort, this L-shaped desk features a reversible design, integrated LED lighting, and convenient power outlets with USB ports. Please read this manual thoroughly before assembly and use to ensure proper setup and safe operation.

Key Features:

- **Reversible L-shaped Design:** Adaptable configuration to fit various room layouts.
- **Integrated LED Lighting:** Features 13 lighting modes and 7 color changes for customizable ambiance.
- **Built-in Power Hub:** Includes 2 power outlets and 2 USB ports for convenient device charging.
- **Multi-functional Two-Tier Storage Shelf:** Adjustable height for organized storage.
- **Ergonomic Monitor Stand:** Promotes better posture and reduces neck strain.
- **Spacious Desktop:** Provides ample workspace and legroom.

2. SAFETY WARNINGS

Please observe the following safety precautions to prevent injury or damage to the product:

- **Anchoring:** To prevent tipping, it is strongly advised to anchor the desk to a wall, especially if heavy items are placed on it or if children are present.
- **Assembly:** Handle and assemble the desk with care due to its weight. It is recommended that two or more people assemble the desk.
- **Electrical Safety:** Ensure all electrical connections for the LED lights and power outlets are properly secured and not overloaded. Do not expose electrical components to water or excessive moisture.
- **Weight Capacity:** Do not exceed the recommended weight capacity for the desktop and shelves. Distribute weight evenly.
- **Placement:** Place the desk on a flat, stable surface to prevent wobbling or instability.
- **Children and Pets:** Keep small parts and packaging materials away from children and pets during assembly to prevent choking hazards.

3. SETUP AND ASSEMBLY

The ODK Gaming Desk is designed for flexible assembly, allowing you to configure it as a left-sided or right-sided L-shape to best suit your space.

3.1 Unpacking and Inventory

1. Carefully open the packaging and remove all components.
2. Verify that all parts listed in the included hardware and parts list are present and undamaged. If any parts are missing or damaged, contact customer support.

3.2 Assembly Steps

Follow the step-by-step instructions provided in the assembly diagram. It is recommended to assemble the desk on a soft, clean surface to prevent scratches.

- **Frame Assembly:** Begin by assembling the metal frame components according to the diagram. Ensure all screws are finger-tight before final tightening.
- **Desktop Installation:** Attach the desktop panels to the assembled frame. Pay attention to the orientation for your desired L-shape configuration (left or right).
- **Shelf Installation:** Install the two-tier storage shelves. The height of these shelves is adjustable; choose the appropriate height for your needs.
- **Monitor Stand:** Secure the monitor stand to the designated area on the desktop.
- **Power Hub:** Integrate the power outlet and USB port module into the pre-drilled slot on the desktop.
- **LED Strip:** Adhere the LED light strip along the designated channel on the underside of the monitor stand or desktop edge. Connect it to the power hub.
- **Final Tightening:** Once all components are in place, carefully tighten all screws using the provided tools. Do not overtighten.

4. OPERATING INSTRUCTIONS

4.1 Power Outlets and USB Ports

The desk is equipped with a built-in power hub for convenient access to power and charging.

- **Power Connection:** Plug the desk's main power cord into a standard wall outlet (220-250V/15A).
- **Using Outlets:** Insert your device's power plugs into the two integrated electrical outlets.
- **Using USB Ports:** Connect your USB charging cables to the two 5V/2.1A USB ports to charge compatible devices.

4.2 LED Lighting System

The integrated LED strip offers various lighting options to enhance your gaming or work environment.

- **Activation:** The LED lights are powered via the main power hub. Ensure the desk is plugged in.
- **Mode Selection:** Use the control button or remote (if included) to cycle through 13 different lighting modes.
- **Color Selection:** Use the control button or remote to select from 7 different color variations.

5. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your ODK Gaming Desk.

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood engineering material.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary to maintain stability.
- **Electrical Components:** Ensure the power cord and LED strip are free from kinks or damage. Do not attempt to repair electrical components yourself; contact a qualified technician if issues arise.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or warping of the desk material.

6. TROUBLESHOOTING

If you encounter issues with your ODK Gaming Desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Desk is wobbly/unstable.	Loose fasteners; uneven floor.	Ensure all screws are tightened. Adjust leveling feet (if present) or place shims under legs on uneven surfaces.
LED lights are not working.	Desk not plugged in; loose LED connection; faulty LED strip.	Check if the desk's power cord is securely plugged into a working outlet. Verify the LED strip is properly connected to the power hub. If issues persist, contact customer support.
Power outlets/USB ports are not working.	Desk not plugged in; power surge; faulty power hub.	Ensure the desk is plugged in. Check if the wall outlet is functional. Avoid overloading the outlets. If still not working, contact customer support.
Difficulty assembling.	Incorrect part orientation; missing hardware.	Review the assembly diagrams carefully. Ensure parts are oriented correctly. Verify all hardware is present. Contact customer support if parts are missing.

7. SPECIFICATIONS

Feature	Detail
Brand	ODK
Model Number	ZJZ-SBWJDD
Color	Black
Product Dimensions (L x W x H)	168 x 120 x 88.7 cm (66.1 x 47.2 x 34.9 inches)
