Lufeiya White Desk with Drawers Storage - User Manual

Comprehensive guide for assembly, operation, and maintenance of your Lufeiya Home Office Computer Gaming Desk.

PRODUCT OVERVIEW

The Lufeiya White Desk is designed for home office, computer, and gaming use, offering a blend of functionality and modern aesthetics. It features integrated storage solutions, a monitor stand, LED lighting, and a built-in power strip for convenience.

Figure 1: Overview of the Lufeiya White Desk with LED lighting and dual monitor setup.

Key Features:

- **Safety Multifunctional Power Strip:** Includes 3 power outlets and 2 USB charging ports for various electronic devices.
- **Ample Storage Options:** Features 4 fabric drawers, 2 storage shelves, a side storage bag, and 2 iron hooks for organization.
- **Gaming Desk with LED Lights:** Customizable LED strips controllable via a mobile app for color, brightness, temperature, and flash modes, including music rhythm synchronization.
- **Sturdy Structure with Monitor Stand:** Elevated monitor stand accommodates up to two monitors, promoting ergonomic posture.
- **Durable Construction:** Built with heavy-duty metal design and a waterproof tabletop.

SETUP AND ASSEMBLY

The Lufeiya desk is designed for quick and easy assembly. All necessary tools and a detailed instruction manual are provided. No additional tools are required.

Assembly Steps:

1. **Unpack Components:** Carefully unbox all parts and verify against the included parts list.
2. **Assemble Frame:** Follow the step-by-step instructions to connect the metal frame components.
3. **Attach Tabletop and Monitor Stand:** Secure the main tabletop and then the monitor stand to the frame. Ensure all screws are tightened for stability.
4. **Install Storage Elements:**
 - Insert the 4 fabric drawers into their designated slots. The front of the drawers are designed to appear like wood.
 - Place the 2 storage shelves into the side compartment. These shelves offer two different heights of installation to customize your storage space.
 - Attach the side storage bag and the 2 removable iron hooks as desired for additional organization.
5. **Connect Power Strip and LED Lights:** Integrate the built-in power strip and connect the LED light strips according to the manual.

↑ ↓ Define Your Own Space

2 different heights of installation
Customize the storage space to your needs.

Figure 2: The side storage shelves can be adjusted to two different heights to accommodate various items, such as a computer tower or books.

Figure 3: The desk features four fabric drawers with sturdy fronts, providing ample space for books, wallets, files, and laptops.

Removable 2 Iron Hooks

OPERATING INSTRUCTIONS

Using the Built-in Power Strip:

The monitor stand integrates a power strip with 3 standard AC outlets and 2 USB charging ports. Simply plug your devices into the available ports. This feature is ideal for powering your computer, monitor, gaming gear, tablets, and phones directly from your desk.

Built-in Power Strip

125V/12A
[3 AC Outlets]

5V/2A
[2 USB Ports]

6.5-FT
[Power Cord]

Figure 5: The integrated power strip provides convenient access to 3 AC outlets and 2 USB ports for all your electronic devices.

Controlling the LED Lights:

The desk features RGB LED strips for customizable lighting. You can control these lights using a mobile application or the included remote control.

- **Mobile App Control:** Download the dedicated mobile application (refer to the assembly manual for QR code or app name). The app allows for comprehensive control over color, brightness, color temperature, and various flash modes. It also supports music rhythm synchronization, allowing the lights to change with your audio.
- **Remote Control:** Use the provided remote to turn the lights on/off, adjust speed, switch between different modes, and select various colors. The remote also features timer settings (e.g., 1H, 2H, 3H, 4H) and a lock function to prevent accidental changes.

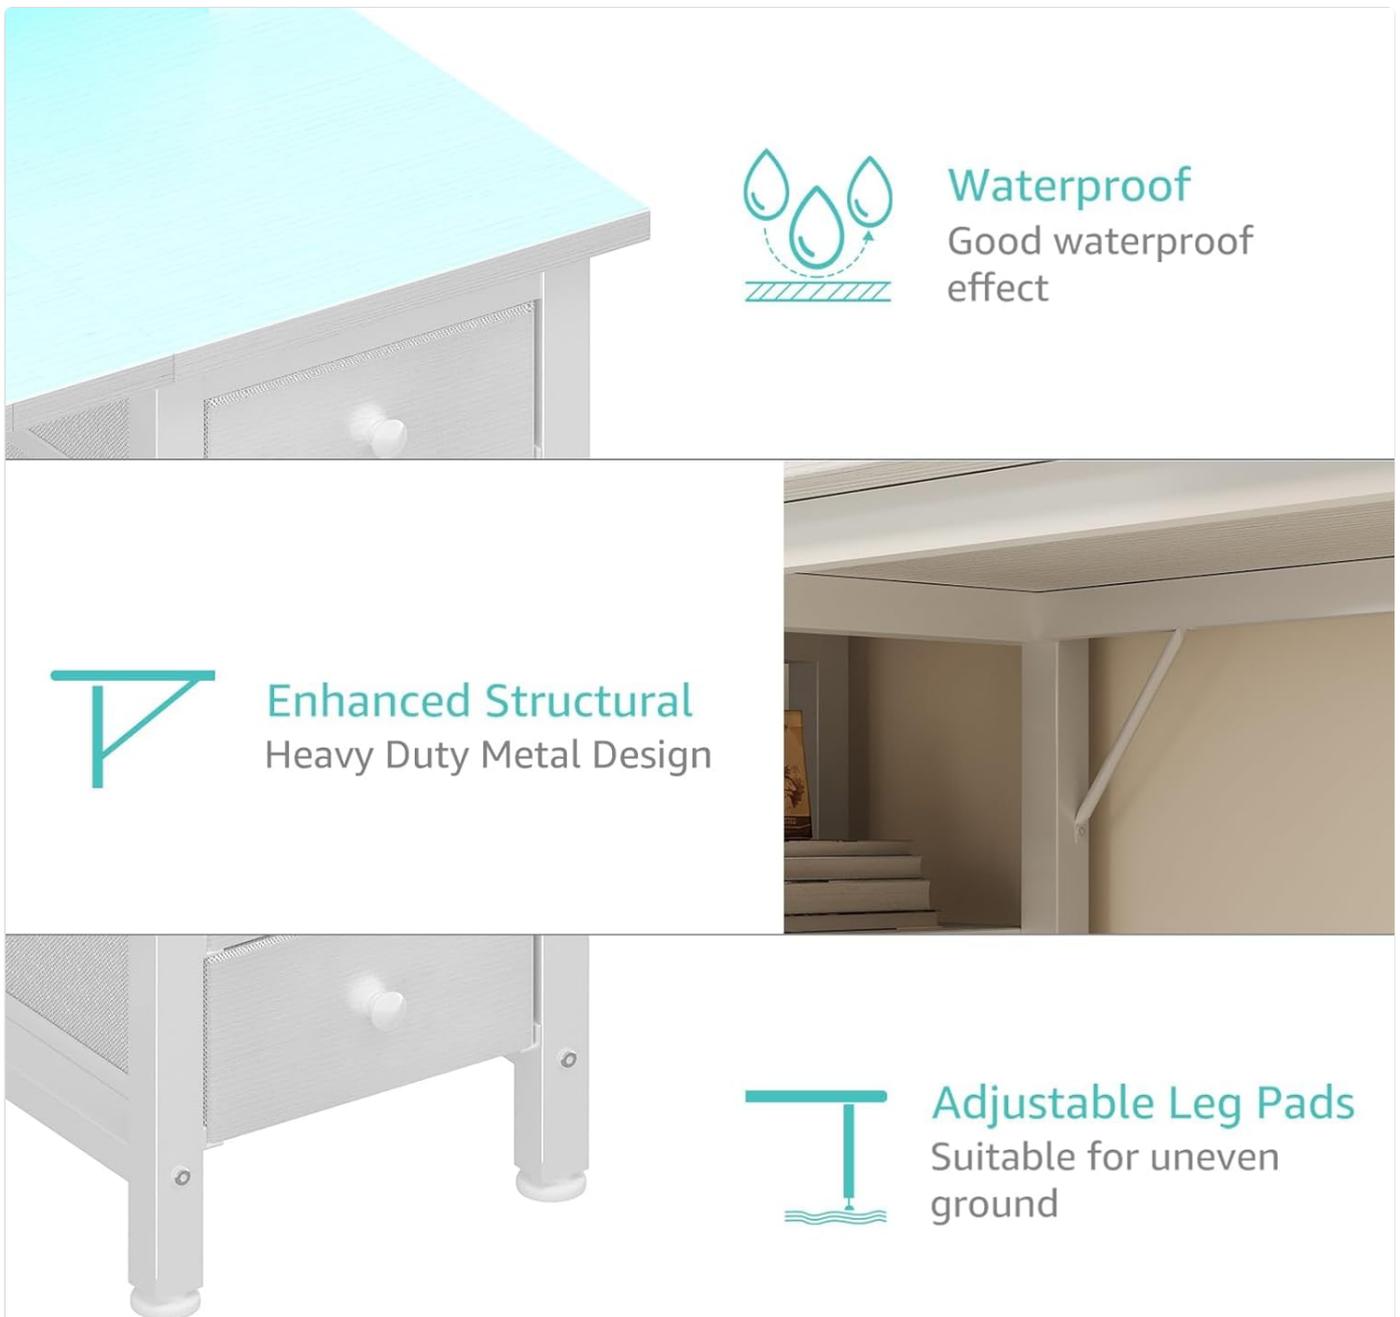

Figure 7: Key features for durability and stability include a waterproof surface, enhanced structural design with heavy-duty metal, and adjustable leg pads for stability on various floor types.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Desk wobbles or is unstable.	Loose screws; uneven floor.	Ensure all assembly screws are tightened. Adjust the leg pads at the bottom of the desk to level it on uneven surfaces.
LED lights are not working.	Power connection issue; remote battery low; app not connected.	Check if the USB plug for the LED lights is securely connected to the power strip. Ensure the power strip is turned on. Replace remote batteries if needed. Verify mobile app connection and settings.
Drawers do not slide smoothly or align.	Incorrect assembly of drawer supports or frame.	Review the assembly instructions for the drawer section. Ensure all fabric drawers are inserted correctly and the frame is assembled squarely.

Problem	Possible Cause	Solution
Missing parts during assembly.	Packaging error.	Contact Lufeiya customer service immediately for assistance. Refer to the "Warranty and Support" section.

SPECIFICATIONS

Attribute	Detail
Brand	Lufeiya
Model Number	LFY-JC4D2SMS47-White
Product Dimensions	19.7"D x 47.2"W x 33.46"H
