# **Skull Shaver Palm Shaver and Beast Clipper Duo Bundles User Manual**

Model: fbbb64bb-e6bd-42eb-bfe2-dc5405e2dbc6

## **INTRODUCTION**

---

*The Skull Shaver Palm Shaver and Beast Clipper Duo Bundle.*

This user manual provides essential information for the safe and effective operation, maintenance, and care of your Skull Shaver Palm Shaver and Beast Clipper Duo Bundles. This bundle includes two distinct grooming tools: the Palm Shaver, designed for close shaving of the head and face, and the Beast Clipper, optimized for efficient self-haircuts and styling. Please read this manual thoroughly before first use and retain it for future reference.

## **IMPORTANT SAFETY INFORMATION**

For your safety and to prevent damage to the device, please adhere to the following guidelines:

- Always unplug the device and allow it to cool before handling or cleaning.
- Do not use the shaver or clipper while it is charging.
- Keep blades away from eyes and face during operation.
- Exercise caution when using the devices near water, especially during wet shaving.
- Clean and dry both the Palm Shaver and Beast Clipper thoroughly after each use to prevent bacterial growth and maintain hygiene.

- Always supervise children if they are using or are near the clipper.

## PRODUCT OVERVIEW AND COMPONENTS

The Skull Shaver Palm Shaver and Beast Clipper Duo Bundles include the following main components and accessories:

### Palm Shaver

The Skull Shaver Palm Shaver features three rotary blades designed for a close and comfortable shave on the head and face. Its ergonomic design fits comfortably in the palm of your hand.

**Palm Shaver Box Contents:** Shaver unit, Carver 3 Head Pro Blade, Nose Trimmer Attachment, USB Wall Plug, Adapter and Charging Cord, Rubber Charging Port Cover, Travel Pouch.

### Beast Clipper Duo

The Skull Shaver Beast Clipper Duo is designed for easy self-haircuts and hair styling. It features a precision cutting blade and is compatible with various comb attachments.

### What Is In The Box?

**Beast Clipper Duo Box Contents:** Clipper unit, 3mm, 6mm, 9mm, 12mm straight guards, 4-8mm, 5-9mm tapered blending guards (left and right), cleaning brush, storage stand, USB Wall Plug, Adapter and Charging Cord, Travel Pouch.

## SETUP

### Initial Charging

Before first use, fully charge both the Palm Shaver and Beast Clipper.

1. Connect the charging cord to the device's charging port.
2. Plug the USB wall plug into a standard electrical outlet.
3. Allow the device to charge until the indicator light shows a full charge (refer to device-specific light indicators for

details).

4. A full charge typically provides up to 60 minutes of cordless operation for the Palm Shaver.

## Blade Attachment (Palm Shaver)

Ensure the Carver 3 Head Pro Blade is securely attached to the Palm Shaver body. Align the blade head with the shaver body and twist or click into place until it locks.

## Comb Attachment (Beast Clipper)

Select the desired cutting comb (e.g., 3mm, 6mm, 9mm, 12mm straight guards, or tapered blending guards) and slide it onto the Beast Clipper blade until it clicks securely into position.

## OPERATING INSTRUCTIONS

### Using the Palm Shaver

*Palm Shaver features include ergonomic design, wet/dry use, and long battery life.*

The Palm Shaver is designed for both dry and wet shaving, offering versatility and comfort.

1. **Power On:** Press the power button to turn on the shaver.
2. **Dry Shaving:** For a quick shave, use on clean, dry skin.
3. **Wet Shaving:** For a smoother shave, apply shaving cream or gel to your skin. The Palm Shaver is IPX5 water resistant, allowing for use in the shower.
4. **Shaving Technique:** Gently press the shaver against your skin and move it in small, circular motions. The flexible head will contour to your head and face for an even shave.
5. **Nose Trimmer:** Attach the nose trimmer accessory for precise trimming of nose and ear hair.
6. **Power Off:** Press the power button again to turn off the shaver.

## Using the Beast Clipper Duo

### What Is In The Box?

*Beast Clipper features include ergonomic design, suitability for DIY haircuts, and various comb attachments.*

The Beast Clipper Duo is designed for easy and efficient self-haircuts, even for hard-to-reach areas.

- 1. Select Comb:** Choose the appropriate cutting comb for your desired hair length and attach it securely.
- 2. Power On:** Press the power button to activate the clipper.
- 3. Clipping Technique:** Start with a longer comb length if unsure. Move the clipper against the direction of hair growth, ensuring the comb remains flat against the scalp.
- 4. Reaching the Back of the Head:** The ergonomic design allows for easy maneuverability, making it simple to reach and cut hair on the back of your head without assistance.
- 5. Blending:** Use the tapered blending guards for seamless transitions between different hair lengths.
- 6. Power Off:** Press the power button again to turn off the clipper.

**Note on Videos:** No official product videos from the seller are available for embedding based on the provided data.

## MAINTENANCE

---

### Cleaning

Regular cleaning ensures optimal performance and hygiene.

- 1. After Each Use:** Turn off and unplug the device. Remove the blade head/comb. Use the provided cleaning brush to remove hair clippings from the blades and inside the device.
- 2. Rinsing (Palm Shaver):** The Palm Shaver can be rinsed under running water. Ensure the charging port cover is securely closed before rinsing. Allow to air dry completely before reattaching the blade head or storing.
- 3. Drying:** Always ensure both devices are completely dry before storage or next use to prevent damage and bacterial growth.

### Blade Replacement

For best performance, replace blades periodically.

- **Palm Shaver Blades:** The Japanese Stainless Steel Blades on the Palm Shaver are designed to last for up to 90 shaves. Replace when you notice a decrease in cutting efficiency or comfort.
- **Beast Clipper Blades:** The Beast Clipper blades are designed for up to 90 haircuts. Replace when performance declines.
- Replacement blades can be purchased from authorized Skull Shaver retailers or the official website.

## Storage

Store the devices in a cool, dry place, away from direct sunlight and moisture. Use the provided travel pouch for convenient and safe storage when traveling.

## TROUBLESHOOTING

If you encounter issues with your Skull Shaver devices, please refer to the following common solutions:

Problem	Possible Cause	Solution
Device not turning on.	Battery is depleted.	Charge the device fully.
Device not turning on.	Power button malfunction or internal issue.	Ensure the power button is pressed firmly. If issue persists, contact customer support.
Poor shaving/clipping performance.	Blades are dull or clogged with hair.	Clean the blades thoroughly. Consider replacing the blade head/cartridge if performance does not improve.
Device making unusual noise.	Hair caught in mechanism or damaged component.	Clean the device thoroughly. If noise persists, discontinue use and contact customer support.
Charging indicator not working.	Faulty charging cable or adapter.	Try a different compatible USB cable and wall adapter. Ensure connections are secure.

If the problem persists after attempting these solutions, please contact Skull Shaver customer support for further assistance.
