2. SAFETY INFORMATION

Please read and understand all safety warnings before assembling or using the desk.

- Always unplug the desk from the power source before assembly or disassembly.
- Ensure the desk is properly anchored to the wall or floor to prevent tipping, especially when using heavy equipment.
- Be cautious when handling the desk during assembly to avoid injury.
- Do not overload shelves or the desktop beyond their weight capacity.
- Keep liquids away from electrical components, including the power outlets and LED light strips.

3. INCLUDED COMPONENTS

Verify that all parts are present before beginning assembly:

- Hutch with three compartments
- Two acrylic display cabinets
- Bottom shelf
- Separate monitor stand
- Printer stand
- Four power sockets
- Two USB ports
- LED light strip
- All necessary hardware (screws, bolts, connectors)
- Assembly tools (e.g., Allen wrench)

4. SETUP & ASSEMBLY

Assembly of the SEDETA Gaming Desk typically requires two people for optimal ease and safety. Follow the step-by-step instructions provided in the separate assembly guide included with your packaging. Ensure all connections are secure before placing items on the desk.

6. MAINTENANCE

To ensure the longevity and appearance of your SEDETA Gaming Desk, follow these maintenance guidelines:

- Clean the desk surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- The desk surface is designed to be water-resistant and anti-scratched, but it is recommended to wipe up spills immediately to prevent potential damage.
- Regularly check and tighten all screws and connections to maintain stability.
- Keep the desk away from direct sunlight and extreme temperature changes to prevent material warping or fading.

7. TROUBLESHOOTING

If you encounter any issues with your SEDETA Gaming Desk, refer to the following common troubleshooting tips:

- **Assembly Difficulties:** If you find assembly challenging, ensure you have followed the step-by-step instructions precisely. Verify all parts are correctly oriented and that you have the recommended two people for assistance. Do not force parts together.
- **LED Lights Not Functioning/Glitching:** Check all cable connections for the LED strip. Ensure the power switch for the integrated outlet is on. If using the app, ensure your device is properly paired and the app is updated. Try unplugging and replugging the LED power source to reset.
- **Power Outlets Not Working:** Confirm the desk's main power cord is securely plugged into a working wall outlet. Check the power switch on the desk's integrated outlet. If issues persist, try plugging another device into the wall outlet to confirm it's functional.
- **Desk Instability:** Ensure all screws and bolts are fully tightened. Verify the desk is on a flat, level surface. Adjust any leveling feet if present.
